The first volume of *The Idea of the Avant Garde And What It Means Today* provided a lively forum on the kinds of radical art theory and partisan practices that are possible in today's world of global art markets and creative industry entrepreneurialism. This second volume presents the work of another 50 artists and writers exploring the diverse ways that avant gardism develops reflexive and experimental combinations of aesthetic and political praxis. The manifest strategies, temporalities and genealogies of avant garde art and politics are expressed through an international intergenerational and interdisciplinary convocation of ideas that covers the fields of film, video, architecture, visual art, art activism, literature, poetry, theatre, performance, intermedia and music. **The Transformational Consumer** Tara-Nicholle Nelson, 2017-03 This book uses stories and case studies from several industries to show how companies can rethink their customers, products and services, marketing, competition and even their culture. The goal is a positive customer relationship that results in revenue growth, product innovation and employee engagement. **e-Riches 2.0** Scott FOX, 2009-05-27 Whether you're running an online business or looking to expand the web presence of your brick and mortar company, you'll need surefire marketing techniques if you want to attract more customers and make the kind of money you deserve.
