Nicholas Sparks Latest Book:

The Best of Me Nicholas Sparks, 2011 Sparks latest is the heart rending story of two small town former high school sweethearts from opposite sides of the tracks. Now middle aged they've taken wildly divergent paths but neither has lived the life they imagined and neither can forget the passionate first love that forever altered their world. When they are both called back to their hometown for the funeral of their mentor they will be forced to confront the choices each has made and ask whether love can truly rewrite the past.

Two by Two Nicholas Sparks, 2016-10-04 From a New York Times bestselling author a single father discovers the true nature of unconditional love after his world has turned upside down. At 32 Russell Green has it all: a stunning wife, a lovable six year old daughter, a successful career as an advertising executive, and an expansive home in Charlotte. He is living the dream and his marriage to the bewitching Vivian is at the center of it. But underneath the shiny surface of this perfect existence fault lines are beginning to appear. In a matter of months Russ finds himself without a job or a wife, caring for his young daughter while struggling to adapt to a new reality. Throwing himself into the wilderness of single parenting Russ embarks on a journey at once terrifying and rewarding, one that will test his abilities and his emotional resources beyond anything he's ever imagined. When a chance encounter with an old flame tempts him to take a chance on love again he navigates this new opportunity with trepidation and wonder. With the loyal support of his parents, the wisdom of his older sister Marge, and the hard won lessons of fatherhood Russ will finally come to understand the true nature of unconditional love: that it is a treasure to be bestowed, not earned.

Counting Miracles Nicholas Sparks, 2024-09-24 1 NEW YORK TIMES BESTSELLER From the acclaimed author of *The Longest Ride* and *The Notebook* comes an emotional, powerful novel about wondering if we can change or even make our peace with the path we've taken. Sparks is superb at what he does. The setting is postcard perfect. The characters are immensely likable. This is a tidy miracle you can count on. The Washington Post Tanner Hughes was raised by his grandparents following in his grandfather's military footsteps to become an Army Ranger. His whole life has been spent abroad and he is the proverbial rolling stone, happiest when off on his next adventure, with zero desire to settle down. But when his grandmother passes away, her last words to him are "find where you belong." She also drops a bombshell, telling him the name of the father he never knew and where to find him. Tanner is due at his next posting soon, but his curiosity is piqued and he sets out for Asheville, North Carolina, to ask around. He's been in town less than twenty-four hours when he meets Kaitlyn Cooper, a doctor and single mom. They both feel an immediate connection. Tanner knows Kaitlyn has a story to tell and he wants to hear it. To Kaitlyn, Tanner is mysterious, exciting, and possibly leaving in just a few weeks. Meanwhile, nearby, eighty-three-year-old Jasper lives alone in a cabin bordering a national forest. With only his old dog Arlo for company, he lives quietly, haunted by a tragic accident that took place decades before. When he hears rumors that a white deer has been spotted in the forest, a creature of legend that inspired his father and grandfather, he becomes obsessed with protecting the deer from poachers. As these characters' fates

orbit closer together none of them is expecting a miracle but that may be exactly what is about to alter their futures forever
