Bradley Hurstaff is a decent man from a quiet town with a call to duty Following his departure from the Marine Corps Bradley moves with his wife Elizabeth to Texas to sprout roots and transition to a new career as a police officer Bradley soon finds out that wearing the badge comes with firsthand experience grappling with the chaos and darkness of modern society Is Bradley stumbling on everaEURthinning ice in a fight with personal demons or is this the silent burden all police officers bear Can his mind handle the strain of being immersed in the horrific acts human beings both suffer and inflict or will the darkness claim another victim *A Lifetime of Public Service* Paul Winters,2016-11-23 First and foremost let me say this its a work of fiction If you think you recognize something it probably did not happen The stories are based on stories I have heard with a very liberal dose of my imagination With that being said lets explore what Winters Passion Inc is I started the company in 2012 after retiring to give me something to work on as you can only play so much golf and fish only so often The premise was to put my collection of recipes into a book and do wine and food pairing while donating the proceeds to charityprimarily the Police Unity Tour Concerns of Police Survivors and Wounded Warrior Project This has worked out very well Winters Passion has donated thousands of dollars to charity I do not take any compensation and only on the rarest occasions have I needed paid staff The challenge came from within to write a book of fiction Stories that have been passed down through the family stories I heard during work augmented by an active if only slightly demented mind the stage was set for the book It was substantially more difficult than I had expected After a career in law enforcement I write like a copshort and to the point I enlisted the aid of Joseph Bonvillian to help with the color and texture of the stories the smartest thing I

could have done for the book Joe readily agreed that all proceeds from sale will continue to go to charity He is a good and kind man a father of three adult children and originally from Maryland His skills have been invaluable in making this book happen Enjoy the read and remember its fiction
