The Nikon Corporation is among the leading players in the field of photography. Established in the early 1900s, the company has made tremendous strides since its inception, being lauded for the creation of some of the most innovative and trendy pieces of technology on today's market. Among the latest in the creation is the Nikon Coolpix P900 camera, a part of the DSLR line. The DSLR design allows the mirror to rotate in a northerly direction when the device is capturing an image. Most common in this brand of camera are features such as dust reduction systems, optical viewfinder, pentamirror, ability to capture HD video, and Live View.
