Nine Lives The Story Of One Mans Triumphs Against The Odds:

Nine Lives Louise Moretto, 2005-06 The Tao Te Ching is one of the more popularly translated texts of all historical Chinese writings Despite the many efforts that have gone into studying and translating Lao Tzu s works it is still remains very difficult to understand even to native readers Therefore only those who fully comprehend the text can translate it properly This version opts to give as accurate of a translation in as plain of English as possible Since our goal is to bring a comprehensible Tao Te Ching to our readers we decided against conforming to any sort of poetic forms Although we used the same original text as some of the other translators there are some notable differences in our interpretations such as in Chapters One and Twenty In order to better allow our readers to understand the text this translation also compares Lao Tzu s ideas with other great thinkers such as Einstein and Napoleon

From Tragedy to Homeless to Triumph Damon Gilstrap, 2014-02-03 I wrote this book for anyone who has fallen from grace that you can rise again I know everyone has a story no matter how big or small your story is its your story No matter what type of hand you have been dealt in life you have to play your hand I knew my hand was a bad hand it went something like this I had a 2 of hearts 9 of spade 6 of diamond and a 4 of diamond and king of clubs and I was told to sit at the table of life and play that hand and win Anyone that knows about poker knows I was dealt an abominable hand but I knew I still had 47 more cards to play I did not like my hand I knew I was dealt an abominable life hand but something deep in my soul told me to throw that hand back in the deck and get another hand and make it work I knew it was going to be hard but I was going to make it work I stood up and brushed myself off and tried again even harder Its not how you start the race its about how you go through the race and finish the race
