Robinson, 2015-07-05 Excerpt from Mushroom Culture Its Extension and Improvement My reasons for writing this book are First that Mushroom Culture is but little practised in this country compared to the extent to which it ought to be considering the abundance of the necessary materials in all parts of these islands both in town and country and the high estimation in which the Mushroom is held I now refer to ordinary Mushroom Culture as practised in our best private gardens I believe it possible and desirable to extend this the only phase of the Culture that can be called popular in a tenfold degree and that every place in which a gardener and horses are kept should be abundantly supplied with Mushrooms throughout the greater part of the year Secondly that although Mushroom Culture as usually practised is perfectly well known to good cultivators a simpler and fuller account of it than has yet appeared in any English book on the subject is desirable for the unpractised amateur and cultivator About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Mushroom Culture** William Robinson, 2008-11 William Robinson's 1870s book is a complete source of information on the culture of mushrooms *The Bookseller*, 1883 Official organ of the book trade of the United Kingdom "The" *Athenaeum*, 1871 **Bookseller**, 1883 Vols for 1871 76 1913 14 include an extra number The Christmas bookseller separately paged and not included in the consecutive numbering of the regular series **Publisher and Bookseller**, 1870 Vols for 1871 76 1913 14 include an extra number The Christmas bookseller separately paged and not included in the consecutive numbering of the regular series *Athenaeum and Literary Chronicle*, 1871 **Bookseller and the Stationery Trades' Journal**, 1973 **Catalogue** Bailey Brothers, 1887 **Mushroom Culture** William Robinson, 1870 *The Spectator*, 1870 **Mushroom Culture** William Robinson, 1974 *Gardening, Illustrated*, 1882 **Mushroom Culture** W Robinson, 2024-05-10 Mushroom Culture Its Extension and Improvement a classical book has been considered important throughout the human history and so that this work is never forgotten we at Alpha Editions have made efforts in its preservation by republishing this book in a modern
