Bunk Kevin Young, 2017-11-14 Longlisted for the National Book Award for Nonfiction There Kevin Young goes again giving us books we greatly need cleverly disguised as books we merely want Unexpectedly essential Marlon James Award winning poet and critic Kevin Young tours us through a rogue's gallery of hoaxers plagiarists forgers and fakers from the humbug of P T Barnum and Edgar Allan Poe to the unrepentant bunk of JT LeRoy and Donald J Trump Bunk traces the history of the hoax as a peculiarly American phenomenon examining what motivates hucksters and makes the rest of us so gullible Disturbingly Young finds that fakery is woven from stereotype and suspicion race being the most insidious American hoax of all He chronicles how Barnum came to fame by displaying figures like Joice Heth a black woman whom he pretended was the 161 year old nursemaid to George Washington and What Is It an African American man Barnum professed was a newly discovered missing link in evolution Bunk then turns to the hoaxing of history and the ways that forgers plagiarists and journalistic fakers invent backstories and falsehoods to sell us lies about themselves and about the world in our own time from pretend Native Americans Grey Owl and Nasdijj to the deadly imposture of Clark Rockefeller from the made up memoirs of James Frey to the identity theft of Rachel Dolezal In this brilliant and timely work Young asks what it means to live in a post factual world of truthiness where everything is up for interpretation and everyone is subject to a pervasive cynicism that damages our ideas of reality fact and art Essential Psychic Healing Diane Stein, 2011-04-06 Author and healer Diane Stein brings to the layperson psychic healing techniques once assumed to be too esoteric to use without highly specialized knowledge years of training and a paranormal gift ESSENTIAL PSYCHIC HEALING helps us tap into the potent healing power of our own psychic energies For the beginner Diane offers theory and instruction in basic meditation visualization kundalini energy chakras and auras Those at the intermediate level will learn to utilize spirit guides and angels and how to use healing crystals hands on healing methods emotional release work and remote healing An advanced program discusses healing karma and past lives soul retrieval releasing entities spirit attachments and understanding and aiding the death process Whether you are new to or well acquainted with these principles ESSENTIAL PSYCHIC HEALING is an indispensable primer **Indigenous Experience Today** Marisol de la Cadena, Orin Starn, 2020-05-18 A century ago the idea of indigenous people as an active force in the contemporary world was unthinkable It was assumed that native societies everywhere would be swept away by the forward march of the West and its own peculiar brand of progress and civilization Nothing could be further from the truth Indigenous social movements wield new power and groups as diverse as Australian Aborigines Ecuadorian Quichuas and New Zealand Maoris have found their own distinctive and assertive ways of living in the present world Indigenous Experience Today draws together essays by prominent scholars in anthropology and other fields examining the varied face of indigenous politics in Bolivia Botswana Canada Chile China Indonesia and the United States amongst others The book challenges accepted notions of indigeneity as it examines the transnational dynamics of
