He is leaning against the open driver-side door of a vintage car, looking directly at the camera. The background shows a Parisian street scene with a building that has a sign reading "CHAUSSURES DESH".

*My Brain on Fire* Leonard Pitt, 2016-03-01 This is Leonard Pitt's story of growing up the misfit in Detroit in the 1940s and 50s. In a later age he would have been put on Ritalin and paraded before psychiatrists because he couldn't pay attention in school. In 1962 at the end of a misguided foray towards a career in advertising he took the ultimate cure: a trip to Paris. He thought it would only be a visit. He stayed seven years. There in the City of Light Leonard's mind exploded. And it hasn't stopped since. Studying mime with master Etienne Decroux and living in Paris were the university he never knew. This inspiration unleashed a voracious appetite to understand the why of things. He asked a simple question: Why did the ballet go up? While building a theatre career performing and teaching he embarked on a quest to study the origins of the ballet, the history of early American popular music, the pre-Socratic philosophers, early modern science, the European witch hunt, the history of Paris and more. To his unschooled mind it all fits together. Who would see a historical arc between Louis XIV and Elvis Presley? Leonard does. And he'll tell you about it. [Dickens and the City](#) Jeremy Tambling, 2017-03-02 Dickens's relationship to cities is part of his modernity and his enduring fascination. How he thought about, grasped and conceptualised the rapidly expanding and anonymous urban scene are all fascinating aspects of a critical debate which, starting virtually from Dickens's own time, has become more and more active and questioning of the significance of that new thing, the unknown and unknowable city. Although Dickens was influenced by several European and American cities, the most significant city for Dickens was London, the city he knew as a boy in the 1820s and which developed in his lifetime to become the financial and imperial capital of the nineteenth century. His sense of London as monumental and fashionable, modern and anachronistic, has generated a large number of writings and critical approaches: Marxist, sociological, psychoanalytic and deconstructive. Dickens looks at the city from several aspects: as a place bringing together poverty and riches, as the place of the new and of chance and coincidence, and of secret lives exposed by the special figure of the detective. Another crucial area of study is the relationship of the city to women and women's place in the city, as well as the way

Dickens's London matches up with other visual representations This anthology of criticism surveys the field and is a major contribution to the study of cities city culture modernity and Dickens It brings together key previously published articles and essays and features a comprehensive bibliography of work which scholars can continue to explore **Notre-Dame de Paris** Victor Hugo,2004-03-25 In the vaulted Gothic towers of Notre Dame lives Quasimodo the hunchbacked bellringer Mocked and shunned for his appearance he is pitied only by Esmerelda a beautiful gypsy dancer to whom he becomes completely devoted Esmerelda however has also attracted the attention of the sinister archdeacon Claude Frollo and when she rejects his lecherous approaches Frollo hatches a plot to destroy her that only Quasimodo can prevent Victor Hugo's sensational evocative novel brings life to the medieval Paris he loved and mourns its passing in one of the greatest historical romances of the nineteenth century **Notre-Dame of Paris** Victor Hugo,2024-05-09 A new translation from the original French manuscripts of Victor Hugo's classic 1831 Notre Dame of Paris Notre Dame de Paris This has historically been mistranslated as The Hunchback of Notre Dame a liberty taken by Frederic Shoberl's 1833 translation into British English As this is a new literal translation the title is correctly translated here into English Quasimodo is a major character in the novel but the looming physical presence of the cathedral is a central motif that is more foundational than the Hunchback himself so it is important to keep the original title **Spain in Mind** Alice Leccese Powers,2008-12-10 This spellbinding literary travel guide gathers poetry nonfiction and fiction about Spain by forty English and American writers Here are letters and memoirs from Lord Byron Edith Wharton and Henry James a poem about Picasso by E E Cummings and a comic tale by Anthony Trollope in which two Englishmen mistake a Spanish duke for a bullfighter W H Auden George Orwell and Langston Hughes record their experiences in the Spanish Civil War Ernest Hemingway takes on bullfighting Richard Wright is beguiled by gypsy flamenco dancers and Calvin Trillin pursues an obsession with Spanish peppers From Chris Stewart's memoir of his rural retreat in Driving Over Lemons to Barbara Kingsolver's idyllic portrait of the Canary Islands in Where the Map Stopped the glimpses of another world in Spain in Mind will enchant you From the Trade Paperback edition **Comparative Literature** ,1978 *A Fire in His Soul* Miles J. Unger,2025-03-04 The fascinating story of Vincent van Gogh's two groundbreaking years in Paris where he transformed himself from a provincial unknown into one of the world's great visionary artists Vincent Van Gogh arrived in the French capital on the last day of February 1886 a month short of his thirty third birthday He was a man beaten down by life half starved and nearly broken psychologically He was saved by his brother Theo who provided him with room board and most crucially emotional support while he attempted to master the difficult craft of painting Thus far Vincent's crude scenes of peasant life rendered in murky shades of brown and gray were both hackneyed and amateurish Theo a successful art dealer at a prestigious Parisian firm dismissed them as gloomy unappealing and worst of all unmarketable By the time Vincent left Paris almost exactly two years later he'd transformed himself into one of the most original artists of the age turning out works of hallucinatory intensity in vivid hues and stamped with his own

distinctive personality *A Fire in His Soul* chronicles this remarkable transformation It s a tale filled with tragedy and triumph personal anguish and creative fulfillment as Vincent through sheer force of will reinvents himself as a painter of unparalleled expressive power Along the way the reader will discover an unfamiliar Van Gogh not the solitary genius of the popular imagination shunned by an uncomprehending world and conjuring masterpieces from the depths of his lonely soul In Paris he was at the center of a community of like minded seekers Here Van Gogh was able to engage in a lively dialogue with fellow artists almost as daring as he was expanding his notion of what art could and should be It was in the cafes and studios of Montmartre and in the grand galleries of the Louvre and Luxembourg that Van Gogh received his artistic education a crash course that at first disoriented him but ultimately sparked his creative breakthrough Working alongside such legendary figures as Gauguin Toulouse Lautrec Seurat and Signac he found his voice and launched an artistic revolution *The Smart Set* ,1916 *The Cambridge Companion to Nineteenth-Century American Poetry* Kerry C. their beautiful city but a series of gruesome murders captures their fascination and distracts them from the realities of war. The killer leaves lines from the recently deceased Charles Baudelaire's controversial anthology *Les Fleurs du Mal* on each corpse written in the poet's exact handwriting. Commissioner Lefèvre, a lover of poetry and a veteran of the Algerian war, is on the case and his investigation is a thrilling intoxicating journey into the sinister side of human nature bringing to mind the brooding and tense atmosphere of Patrick Suskind's *Perfume*. Did Baudelaire rise from the grave? Did he truly die in the first place? The plot dramatically appears to extend as far as the court of the Emperor Napoleon III. A vivid intelligent and intense historical crime novel that offers up some shocking revelations about sexual mores in 19th century France, this superb mystery illuminates the shadow life of one of the greatest names in poetry. *The Dazzling* Paget Sisters Ariane Banks, 2025-04-29

For fans of Nancy Mitford's *The Pursuit of Love*, this is the real life story of Celia and Mamaine Paget, devoted twins whose lives and loves traversed the intellectual currents and crises of mid twentieth century Europe. Rupert Christiansen. After the prominent London literary socialite Celia Goodman nee Paget died in 2002, her daughter Ariane Banks inherited a battered trunk stuffed with letters and diaries that belonged to Celia and her identical twin sister Mamaine. This correspondence charted two remarkable lives spent amongst a remarkable cast of characters who were at the heart of their age, including Arthur Koestler, Albert Camus, Jean Paul Sartre, Simone de Beauvoir, and George Orwell. Throughout a secluded childhood in the country, with their widowed father, boarding school, and Swiss finishing school, they remained inseparable. As debutantes, they took 1930s London by storm, rejecting conventional suitors in favor of life together amongst the city's bohemian intelligentsia. During the war and after, they were at the side of Europe's foremost intellectuals as coworkers, close friends, and lovers. This captivating memoir is an intimate portrait of a lost age and the male thinkers who dominated it as seen through women's eyes. Above all, it's the tale of two devoted sisters, remarkable women both. *Idol Talk* Elizabeth Searle, 2018-06-05

In the midst of acne, social anxiety, and training bras are the teen idols that make adolescent life a little more bearable. Whether their cutouts are plastered on bedroom walls or hidden behind locker doors, there is no denying the impact of these stars on young women. This collection of new essays explores with tenderness and humor the teen crushes of the past 60 years, from Elvis to John Lennon to Whitney Houston, who have influenced the choices of women romantically or otherwise well into adulthood. **Psychology**, 1929
