One Kind Love Sapphire:

One of a Kind Love Sapphire,2015-11-18 Beau should have known by the way she carried herself that Capri was a force to be reckoned with. The way she put him in his place one day while on the plane should have been all the evidence he needed to leave her alone. However, after he got over his initial shock, it was brought to his attention by his friend Caspian that he needed Capri to seal some very important business deals. When Beau spied what she was wearing under her clothes, he knew then that she wasn't the normal woman. She had a way about her that was strong and dominating, which he could put up with if the outcome was to his liking. But if she thought Beau was willing to be her boy toy, then Capri has another thing coming. And he was going to enjoy proving it her one erotic experience at a time that he was not like all the others. Of course, he'd also have to deal with Monica, his conniving ex-wife, showing up in an attempt to putting a stop to his fun, but for some reason, he thought Capri could hold her own. Love Without Color Rajeane Cheeks,2019-03-23 Makira is an ambitious and attractive liberal arts professor at Oliver Johnson University. She enjoys her job, but she also yearns for more. She carries a lifelong desire for true love, something that at thirty years old, she has never come close to finding. Perhaps that is partially due to her father, the CEO and namesake of the school where she works. All Makira's life, Oliver has brainwashed his daughter into believing that white people are devils and cannot be trusted. His doctrine has molded every facet of her life, so for the longest time, Makira has followed the mantra: Don't trust any race but your own. But her beliefs are shaken when she finds herself drawn to new assistant professor Christian. Christian is the only white man on Oliver Johnson's all-black campus. Beautiful, brilliant, but inexperienced, Makira immediately enchants him. It isn't long before Makira begins to return his affections, mind, body, and soul. Still, she remains blinded by her father's radical beliefs. She struggles to deny her feelings for Christian, but the fire of love will not be extinguished. It is time for Makira to make a choice: break free from her father's influence or grow to become a bitter, unhappy woman. Promises in the Dark Karen Wiesner,2016-11-07 William Decker, an orphan who grew up without warmth or companionship from those around him, had been a loner all his life, preferring solitude, loneliness, and dark corners to friends, anything resembling a spotlight, and even love. When he met Roxanne Hart, his first and only year of college, he'd found a center he'd unconsciously looked for all his life. Though Rox loved him deeply as a friend, she was in love with another man, and he'd never really had a shot there, despite his relentless loyalty. When she announces her wedding, William knows it's long past time for him to stop wishing for the moon, but more than that, he realizes for the first time that he'd set his heart on an unavailable woman, purposely. He's lived his life on the principle of: Better to not love and lose what you never had to begin with, and you can't be hurt by anything you haven't invested yourself in, and he can't deny it's done little beyond keep him lonely. Sapphire Stephenson married, had a child, and divorced before she was out of her teens. But starting out life with a newborn and parents who refused to understand why she couldn't forgive her cheating husband, even once she'd taken the only job she'd been able to get as a waitress and later a bartender at a rough biker joint.

in New York City Sapphire is certain of two things That being a good role model for her daughter is the most important thing in her life and that there isn't a man alive worth any loyalty The dudes who come through the bar have no respect for let alone interest in anything that isn't transitory with the women around them William Decker is the one exception to the rule she's observed and he intrigues her the way no other man ever has But is even he capable of more than promises in the dark that he'll break without regret by morning light *Pursued: A Billionaire's Obsession* Christine Gray, 2016-04-27 Powerful fierce and independent Cashmere thought that she had all she needed although she was lacking when it came to love When she's placed in a situation that pushes her towards finding a worthwhile partner in order to keep her wealth she doesn't hesitate to make a choice out of survival instead of love And all was perfectly planned out until Pike strolled through her door This man is everything she wanted but letting her logic rule she ignores him knowing that giving herself to him would take her to a place of no return Pike had done his best to not cross the line Cashmere had drawn in the sand to just remain friends Although knowing that she isn't his normal type he still wanted her more than words could explain When he found out about Cashmere's plan to find a lover he was determined to be the only man to touch her and to give her what she wanted plus a whole lot more The more Pike spends time with Cashmere the more she pushes him away but it does nothing to satisfy his hunger for her Pike is willing to pursue Cashmere no matter the cost to obtain his obsession **In the Stillness, Waiting** Nicholas Worssam, SSF, 2025-10-15 A masterly distillation of the central teachings of the Eastern Christian tradition of prayer and discipleship Rowan Williams former Archbishop of Canterbury Many are familiar with the Orthodox Jesus Prayer also known as the prayer of the heart as a central prayer for monastics but there is much more to discover about its tradition of contemplation as a grounding both for the interior spiritual life and for compassionate action in the world Nicholas Worssam Franciscan friar and theologian reflects on the wealth of Eastern Orthodox Christian spirituality through the teachings of its key figures and texts including Evagrius of Pontus John Climacus Isaac of Syria Maximus the Confessor Symeon the New Theologian and Gregory Palamas *In the Stillness Waiting* provides an accessible introduction to these saints of Eastern Christianity and how they serve as wise spiritual guides for all Christians today *Irish Heat* Christine Gray, 2017-02-09 I'm tired Olivia I'm tired of playing the game and never really getting the full reward while you can only play it for so long before your true nature shines through I wonder if you're mad because you finally know the truth about me or is it because I'm leaving you mumbled Forrester Forced into a marriage when they were teens Olivia never really grew up Even now she was still a reflection of the back-biting pompous girl that was more focused on her social life than her family In spite of Forrester being strong-armed into marrying her years ago he had always secretly desired Olivia whom he pursued for her own self-motives Now older Forrester is at his breaking point He's willing to trade his one true love for peace and the willing arms of a more appealing younger woman When dangers at home force the couple back to Ireland the place where it all started and the people Olivia hurt by leaving behind will it be enough to bring about a change in her Can they rekindle the
