her troubles away in Don't You Wish Christy Miller knows a good friend when she meets her and so will you Get ready for Sierra Jensen Only You Sierra The Europe mission trip brought Sierra Jensen the best gift possible two new friends Katie and Christy But now Sierra is headed home and she can't help but wonder will her friendships last And what about her new home Her family moved while she was gone and that means facing a new high school And the biggest question of all Will she ever find love Then a chance meeting in a London airport answers that question Paul makes her heart leap But she'll never see him again Or will she In Your Dreams Sierra has had it She's done everything she can to find the right job good friends and most important true love But nothing is working out Now she has to stay home to care for her grandmother By herself For the whole weekend It will be terrible But a series of startling surprises shows Sierra just how wrong she is and before she knows it she's on her way to the perfect job her first real date and an encounter with a mysterious stranger Don't You Wish Sierra has three wishes visit her California friends have her older sister Tawni disappear and learn more about the mysterious stranger When Easter break arrives Sierra's first wish comes true She's headed to Newport Beach for fun sun and surf Unfortunately not only does Tawni not disappear she accompanies Sierra on her escape What's worse everyone has a boyfriend except Sierra But will her wishes begin to change as she realizes God wants to mold her according to His wishes Story Behind the Book After writing the twelve book Christy Miller series for teens a new character showed up on the pages of the final novel Her name was Sierra Jensen and she was so compelling as a teenage character that readers began asking for a series about Sierra in order to hear more about her life choices Our family had just moved to Portland at the time and I found it easy to picture a sixteen year old like Sierra shopping at the local vintage clothing stores hanging out with friends at a garage band concert and serving at the homeless shelter on weekends Robin Jones Gunn [A Whisper and a Wish](#) Robin Jones Gunn, 1998 When her family relocates to California fifteen year old Christy Miller faces new dreams and disappointments as she decides what price she's willing to pay for making new friends **Christy Miller Collection, Vol 1** Robin Jones Gunn, 2011-06-28 The first twelve books in the popular Christy Miller series are now available in four treasured volumes Bestselling author Robin Jones Gunn packs each one with enough action romance and drama to keep you reading and wanting more It all starts the summer Christy vacations on a California beach and meets two friends who change her life forever But after moving across the country with her family Christy must begin her sophomore year of high school uncertain where she'll fit in A red headed new best friend a try at cheerleading a job at a pet store and expectations for the prom fill Christy's high school years with a string of laughter and tears moments Fireball Katie keeps everyone guessing what she'll do next and surfer Todd keeps showing up while popular Rick has determined to get her full attention As these memorable years unfold Christy and her God loving friends find out what it means to be a peculiar treasure Follow Christy Miller as she stays true to her identity in Christ drawing closer to God for help in realizing her dreams and dealing with her disappointments Whether you're meeting her for the first time or have known her for years Christy Is a Forever Friend Summer Promise

Fourteen year old Christy Miller has the dream summer ahead of her in sun kissed California staying with her aunt and uncle at their beachfront home Aunt Marti loves to shop and those surfers are cute especially Todd Christy promised her parents she wouldn't do anything she'd regret later and some of her beach friends are a little wild But Todd and his God Lover friends are giving Christy a new image of all things eternal Can this summer live up to its promise A Whisper and a Wish Christy's family has moved to California just in time for her sophomore year of high school But they're not in Newport Beach where she spent the summer Instead they're an hour and a half away and Christy has to start all over making friends Despite an embarrassing escapade at a slumber party things are going pretty well until some midnight fun leads to a trip to the police station Does God really hear every whisper Does He know our every wish Then why is it so hard to know who your friends really are Yours Forever Christy is back at Aunt Marti and Uncle Bob's house on the beach for the entire week between Christmas and New Year's and Todd is in town too The cute surfer completely captured Christy's heart last summer and she's eager to spend every possible minute with him But soon Christy and her aunt are barely speaking and it seems like all her friends are mad at her too including Todd Is he hers or isn't he And why would God let things get so tangled Story Behind the Book The Christy Miller series was actually born when a group of thirteen year olds challenged me to write a novel I'd been questioning the content of their favorite books when they said Why don't you write a book for us I told them no I only wrote picture books But they persisted How hard could it be We'll even tell you what to write We want a love story with teenagers at the beach And there you go Summer Promise first released seventeen years ago and is now translated into five languages I continue to hear from readers all over the world many girls saying that they gave their life to Christ after reading Summer Promise I love that Robin Jones Gunn **Christy Miller Collection** Robin Jones Gunn,2006 A collection of previously published books featuring Wisconsin farm girl Christy Miller as she learns about Christianity and life **Braille Book Review** ,2004 **Long Reach** Thomas Cox,2004-03-01 What Do Children and Young Adults Read Next? National Library Service for the Blind and Physically Handicapped,2004 *Being Known* Robin Jones Gunn,2020-04-28 From the bestselling author of *Becoming Us* comes a novel that asks What does it mean to be truly known In a marriage in a friendship or by a loving God After her mom passed away Jennalyn was in the midst of moving adjusting to life with a new baby and helping her husband Joel work toward his dream job At the time she thought she'd processed her mother's death but only now that Jennalyn has two small children a lovely new home and a husband who is always working does she feel the full impact of what she has lost Even among her sweet circle of friends the Haven Makers grief silently overwhelms Jennalyn until an unexpected encounter allows her to express herself in ways she hasn't fully been able to with her husband Even though Christy Sierra Emily and Tess provide a soft place to land in times of tension Jennalyn remains guarded especially when Tess

reveals she is tangled emotionally in a relationship that was thorny from the start Will the two women open up and remain honest with the others in their Haven Makers group Or will their hesitation to truly be known faults and all keep them from holding on to the friendships that have been the sweetest gift during this season of life **Asterisk 2** Booth
