comprehensive look at the literature and performing conventions of the Baroque era The comb binding creates a lay flat book that is perfect for study and performance On the DVD Dr Hinson performs music from the Anthology and relates invaluable information on basic touches articulations dynamics and ornamentation that will help the performer create a more historically informed performance Also on this DVD is a lecture on the history of Baroque dance and the relationship between dance and music with nine of the most popular court dances performed to Dr Hinson s keyboard accompaniment by dancers in Baroque costume
