

The Small Square of Woods

The stories you have heard and the movies you
No dragons, no witches, or trolls have ever
the woods. But that doesn't mean that woods are
simple. Woods can be dark and deep. There can
be many the answers. Before you step inside a woods,
read the labels first column on this page. Then
you'll be ready to find your own small square
using a tape, draw a square the size you want in the
ground. Make your square has at least one tree in it.
The square should have at least five (5) meters long
each side—around the size of a four-person elevator.
This square is in a woods where most of the trees
at least 10 meters in diameter. There may be, too, if you want
the same thing or different and you'll surround the trees in
your square. This way, you will be able to find your
square even when layers of leaves cover your lines.
The woods mean you. Before you leave it, you will
find out to how the woods work. These clues will lead to
many questions and more clues. You will know the if or
if you're there—what's out in the night, what's out right
