One Hundred Years Of Navajo Rugs

Rebecca M. Valette

One Hundred Years Of Navajo Rugs:

One Hundred Years of Navajo Rugs Marian E. Rodee, 1995 A guide to identifying and dating rugs by means of weaving materials providing historical background on the great Navajo weavers and traders **One Hundred Years of Navajo** Rugs Marian E. Rodee, 1995 <u>Diné</u> Peter Iverson, 2002-08-28 The most complete and current history of the largest American Indian nation in the U S based on extensive new archival research traditional histories interviews and personal Navajo Textiles Laurie D. Webster, Louise Stiver, D. Y. Begay, Lynda Teller Pete, 2017-08-15 Navajo Textiles provides a nuanced account the Navajo weavings in the Crane Collection at the Denver Museum of Nature Science one of the largest collections of Navajo textiles in the world Bringing together the work of anthropologists and indigenous artists the book explores the Navajo rug trade in the mid nineteenth century and changes in the Navajo textile market while highlighting the museum's important though still relatively unknown collection of Navajo textiles In this unique collaboration among anthropologists museums and Navajo weavers the authors provide a narrative of the acquisition of the Crane Collection and a history of Navajo weaving Personal reflections and insights from foremost Navajo weavers D Y Begay and Lynda Teller Pete are also featured and more than one hundred stunning full color photographs of the textiles in the collection are accompanied by technical information about the materials and techniques used in their creation An introduction by Ann Lane Hedlund documents the growing collaboration between Navajo weavers and museums in Navajo textile research The legacy of Navajo weaving is complex and intertwined with the history of the Din themselves Navajo Textiles makes the history and practice of Navajo weaving accessible to an audience of scholars and laypeople both within Navajo Land, Navajo Culture Robert S. McPherson, 2003-01-01 In Navajo Land Navajo and outside the Din community Culture Robert S McPherson presents an intimate history of the Din or Navajo people of southeastern Utah Moving beyond standard history by incorporating Native voices the author shows how the Dine's culture and economy have both persisted and changed during the twentieth century As the dominant white culture increasingly affected their worldview these Navajos adjusted to change took what they perceived as beneficial and shaped or filtered outside influences to preserve traditional values With guidance from Navajo elders McPherson describes varied experiences ranging from traditional deer hunting to livestock reduction from bartering at a trading post to acting in John Ford movies and from the coming of the automobile to the burgeoning of the tourist industry Clearly written and richly detailed this book offers new perspectives on a people who have adapted to new conditions while shaping their own destiny Tales from Wide Ruins Jean Cousins, 1996 Recounts the experiences of two Indian traders during the 1930s and 1940s describing the hardships endured by them and the Native Americans with whom they dealt **Hubbell Trading Post** Erica Cottam, 2015-09-22 For more than a century trading posts in the American Southwest tied the U S economy and culture to those of American Indian peoples and in this capacity Hubbell Trading Post founded in 1878 in Ganado Arizona had no parallel This book tells the story of the Hubbell family its

Navajo neighbors and clients and what the changing relationship between them reveals about the history of Navajo trading Drawing on extensive archival material and secondary literature historian Erica Cottam begins with an account of John Lorenzo Hubbell who was part Hispanic part Anglo and wholly brilliant and charismatic She examines his trading practices and the strategies he used to meet the challenges of Navajo exchange customs and a seasonal trading cycle Tracing the trading post s affairs through the upheavals of the twentieth century Cottam explores the growth of tourism the development of Navajo weaving the automobile's advent and the Hubbells relationship with the Fred Harvey Company She also describes the Hubbell family s role in providing Navajo and Hopi demonstrators for world s fairs and other events and in supplying museums with Native artifacts Acknowledging the criticism aimed at the Hubbell family for taking advantage of Navajo clients Cottam shows the family s strengths their integrity as business operators and the warm friendships they developed with customers and with the artists writers archaeologists politicians and tourists attracted to Navajo country by its unparalleled landscapes and fascinating peoples Cottam traces the preservation efforts of Hubbell's daughter in law after the Great Depression and World War II fundamentally altered the trading post business and concludes with the post s transition to its present status as a National Park Service historic site Southwest Weaving Stefani Salkeld, San Diego Museum of Man, 1996 A catalog for a traveling exhibition of Native American folk art presents and describes hand woven textiles from the Pueblo Navajo and New Mexico Hispanic village cultures Collecting the Weaver's Art Laurie D. Webster, Peabody Museum of Archaeology and Ethnology, 2003-12-09 This is the first publication on a remarkable collection of 66 outstanding Pueblo and Navajo textiles donated to the Peabody Museum in the 1980s by William Claflin Jr Claflin also bequeathed to the museum his detailed accounts of their collection histories included here Clitso Dedman, Navajo Carver Rebecca M. Valette, 2023 This first biography of artist and carver Clitso Dedman presents the life and work of one of the most important but overlooked Navajo artists of his generation Women and Gender in the American West Mary Ann Irwin, James Brooks, 2004-10-30 The Joan Jensen Darlis Miller Prize recognizes outstanding scholarship on gender and women s history in the West The winning essays are collected here for the first time in one volume **Tall Woman** Rose Mitchell, 2001 Portrays Navajo weaver and midwife Tall Woman who held onto traditional Navajo ways raised twelve children and cared for the farm throughout her marriage to political leader and Blessingway singer Frank Mitchell **Holiday and Vacation Planning** Guide to the Federal Parks of the Southwest United States. National Park Service. Southwest Region. Public Affairs The Grove Encyclopedia of Decorative Arts: Labhardt to Zwischengoldglas; Index Gordon Office.1977 Campbell, 2006 Contains information drawn from Grove Art Online and new material written by G Campbell Cf Preface Patterns of Exchange Teresa J. Wilkins, 2013-03-15 The Navajo rugs and textiles that people admire and buy today are the result of many historical influences particularly the interaction between Navajo weavers and the traders who guided their production and controlled their sale John Lorenzo Hubbell and other late nineteenth century traders were convinced they

knew which patterns and colors would appeal to Anglo American buyers and so they heavily encouraged those designs In Patterns of Exchange Teresa I Wilkins traces how the relationships between generations of Navajo weavers and traders affected Navajo weaving The Navajos valued their relationships with Hubbell and others who operated trading posts on their reservation As a result they did not always see themselves as exploited victims of a capitalist system Rather because of Navajo cultural traditions of gift giving and helping others the artists slowly adapted some of the patterns and colors the traders requested into their own designs By the 1890s Hubbell and others commissioned paintings depicting particular weaving styles and encouraged Navajo weavers to copy them reinforcing public perceptions of traditional Navajo weaving Even the Navajos came to revere certain designs as the weaving of the ancestors Enhanced by numerous illustrations including eight color plates this volume traces the intricate play of cultural and economic pressures and personal relationships between artists and traders that guided Navajo weavers to produce textiles that are today emblems of the Native American Southwest Winner Multi cultural Subject New Mexico Book Awards **Explorer's Guide The Four Corners Region** Sara J. Benson, 2008-05-27 This informative and detailed guide provides an intimate view of the Four Corners region of the United States including parts of Arizona New Mexico Colorado and Utah Arranged with helpful chapters containing practical information to plan a focused vacation this book covers the best of the places you might just miss Few other guides incorporate valuable road trip information about the famous Route 66 and details for visiting Native American reservations and pueblos Selective recommendations for the best lodging dining and outdoor recreation options in the national parks along with detailed maps and photographs make this guide a must have for your trip to this stunning and historic place Book jacket **Publication** Gloucester County Historical Society (N.J.),1929 Native Americans of the Southwest Zdenek Salzmann, 2018-02-12 This guide to the Native Americans of the Southwest is a concise but comprehensive introduction that gives readers a sound anthropological and historical background to the area and fosters an appreciation of the Native American peoples who continue to make the Southwest their home The authors offer individual sections on the main prehistoric and contemporary peoples of the region describing their ways of life their art and their cultural monuments For those eager to see at least some of these cultural monuments and to learn about Native American cultures from the many museums that dot the region this book offers a guide to the most memorable sites in Arizona New Mexico Colorado and Utah In addition the authors provide a comprehensive list of museums and a calendar of tribal events that are open to interested visitors rodeos fairs dances and festivals Maps are also included to assist the visitor in locating the sites discussed in the Crossing Between Worlds Jeanne M. Simonelli, 2008-03-07 The Navajo people of Canyon de Chelly must negotiate book a delicate balance between the old and the new as they struggle to maintain their traditional ways of life in the midst of archaeologists U S Park Service employees and the increasing numbers of tourists who come to visit this hauntingly beautiful part of northeastern Arizona Anthropologist writer Jeanne Simonelli who worked at Canyon de Chelly as a seasonal park

ranger interweaves stories of her personal experiences and friendships with canyon residents with discussions of native history and culture in the region Focusing on the members of one extended Navajo family Simonelli describes the small moments of their daily lives shearing goats baking bread attending a solemn all night health ceremony washing clothes at the local laundromat playing traditional games and contemporary sports talking about the history of the Dinthe Navajo peopleand pondering the changes they have witnessed in the canyon and the difficulties they confront Crossing Between Worlds is sumptuously illustrated with insightful black and white photographs that document the everyday activities of Navajo families in one of the most spectacular corners of the American Southwest Humanities, 1997
