The best and the worst of our shared humanity breathtaking and heartbreaking The Hon Dame Quentin Bryce AD CVO One woman s astonishing journey from unimaginable trauma to becoming a power for good In 1999 Sierra Leone was in the midst of a brutal civil war where mindless violence vicious amputation and the rape of young enslaved women were the everyday weapons of bloody conflict It was also where rebel soldiers snatched the young Aminata Conteh Biger from her father s arms then held her captive for months After she was released the UNHCR recognised that her captors still posed a serious threat to her safety So still in her teens she was put on a plane and flown to Australia to start afresh as a refugee in a land she knew nothing about It is here that she has proudly built a life while never allowing her trauma to define her Yet it was a near death experience she suffered during the birth of her child that turned her attention to the women of Sierra Leone where they are 200 times more likely to die while having a baby than in Australia So she set up the Aminata Maternal Foundation then returned to the land of her birth to help This is her story PRAISE FOR RISING HEART Aminata knocked me out at our first meeting in Sydney some years ago courage shining through as she spoke of some of her experiences in Sierra Leone Her story Rising Heart will never leave you searing powerful disturbing hopeful The Hon Dame Quentin Bryce AD CVO The spirit of Aminata s story will stay with you long after you finish reading Rising Heart has refuelled my sense of perspective and purpose Aminata s courage in sharing this intensely personal story is rewarded with the power of inspiring hope Thank you
