Men Without Bliss Rigoberto González,2014-10-22 In cities and fields Mexican

American men are leading lives of quiet desperation In this collection of thirteen startling stories Rigoberto Gonz lez weaves complex portraits of Latinos leading ordinary practically invisible lives while navigating the dark waters of suppressed emotion true to life characters who face emotional hurt socioeconomic injustice indignities in the workplace or sexual repression But because their culture expects men to symbolize power and control they dare not risk succumbing to displays of weakness Gonz lez shines an empathetic light into the shadows of Mexican culture to portray characters who suffer in silence men both straight and gay who must come to terms with their grief loneliness and pain By exploring the private moments of men trapped inside unforgiving stereotypes he critiques long held assumptions of Latino behavior He shows us individuals who must break out of various closets to become fully realized adults and makes us feel the emotional pain of men in a culture that recognizes only the pain and hardship of women Men without Bliss conveys the silent suffering of all men not just Latinos It will open readers eyes to unexpected facets of Latino culture and perhaps of their own lives *PC Mag*, 1995-10-24 PCMag com is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology *The Advocate*, 1997-04-01 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States **2012 Writer's Market** Robert Lee Brewer, 2011-08-04 THE MOST TRUSTED GUIDE TO GETTING PUBLISHED The 2012 Writer s Market details thousands of publishing opportunities for writers including listings for book publishers consumer and trade magazines contests and awards literary agents newspapers playwrighting markets and screenwriting markets These listings include contact and submission information to help writers get their work published Look inside and you ll also find page after page of all new editorial material devoted to the craft and business of writing It s the most information we ve ever jammed into one edition You ll find insightful interviews and articles guidelines for finding work honing your craft and promoting your writing You ll also learn how to navigate the social media landscape negotiate contracts and protect your work And as usual this edition includes the ever popular How Much Should I Charge pay rate chart You also gain access to Lists of professional writing organizations Sample query letters A free digital download of Writer s Yearbook featuring the 100 Best Markets WritersDigest com upload images WritersDigest Yearbook 11 pdf Includes an exclusive 60 minute FREE WEBINAR with the staff of Writer s Digest that will teach you how to begin building your own writing platform today What I appreciate most about Writer s Market is that it s impossible to pick up the book flip through it and put it down 15 minutes later without at least five new profitable ideas that I can execute immediately No other book on my shelf that can inspire this many practical profitable career building ideas in this same amount of time Christina Katz author of The Writer s Workout Get Known Before the Book Deal and Writer Mama **Writer's Market 2018** Robert Lee Brewer, 2017-08-31 The most trusted guide to getting published Want to get published and paid for your writing Let Writer s Market 2018 guide you with thousands of
