Dolores Flamiano, 2017-07-05 The tension between social reform photography and photojournalism is examined through this study of the life and work of German gr ansel Mieth 1909 1998 who made an unlikely journey from migrant farm worker to Life photographer She was the second woman in that role after Margaret Bourke White Unlike her colleagues Mieth was a working class reformer with a deep disdain for Life s conservatism and commercialism In fact her work often subverted Life s typical representations of women workers and minorities Some of her most compelling photo essays used skillful visual storytelling to offer fresh views on controversial topics birth control vivisection labor unions and Japanese American internment during the Second World War Her dual role as reformer and photojournalist made her a desirable commodity at Life in the late 1930s and early 40s but this role became untenable in Cold War America when her career was cut short Today Mieth s life and photographs stand as compelling reminders of the vital yet overlooked role of immigrant women in twentieth century photojournalism *Women Workers and Race in LIFE Magazine* draws upon a rich array of primary sources

including Mieth's unpublished memoir oral histories and labor archives The book seeks to unravel and understand the multi-layered often contested stories of the photographer's life and work It will be of interest to scholars of photography history women's studies visual culture and media history [Chase's Calendar of Events 2020](#) Editors of Chase's, 2019-09-24 Find out what's going on any day of the year anywhere across the globe The world's date book since 1957 Chase's is the definitive authoritative day by day resource of what the world is celebrating and commemorating From national days to celebrity birthdays from historical anniversaries to astronomical phenomena from award ceremonies and sporting events to religious festivals and carnivals Chase's is the must have reference used by experts and professionals a one stop shop with 12 500 entries for everything that is happening now or is worth remembering from the past Completely updated for 2020 Chase's also features extensive appendices as well as a companion website that puts the power of Chase's at the user's fingertips 2020 a leap year is packed with special events and observances including National days and public holidays of every nation on Earth The total solar eclipse The 100th anniversary of US women's suffrage 19th Amendment passed The 75th anniversary of the end of WWII and the atomic bombings of Hiroshima and Nagasaki The 250th birth anniversary of Ludwig van Beethoven The 100th birth anniversary of Ray Bradbury The 50th anniversary of the Beatles break up The Tokyo Olympic Games Scores of new special days weeks and months such as International Go Kart Week National Goat Yoga Month or National Catch and Release Day Birthdays of new world leaders office holders and breakout stars And much more All from the reference book that Publishers Weekly calls one of the most impressive reference volumes in the world **HomeFront**, 2008 **»Welcome to My Bunker« - Vietnamkriegserfahrung im Internet** Roland Leikauf, 2015-12-15 Willkommen zurück Auf tausenden Websites begrüßen Vietnamveteranen die Besucher in ihrer neuen Heimat dem Internet Das Netz hat für viele Beteiligte des längsten und umstrittensten Kriegs den Amerika je geführt hat eine wichtige Bedeutung gewonnen Der Historiker Roland Leikauf zeigt Hier findet nicht weniger als die radikale Redefinition der Konzepte Vietnamveteran und Vietnamkrieg statt Die Studie lässt deutlich werden warum die Kriegsverarbeitung im virtuellen Raum auch für die Veteranen aktueller Kriege immer wichtiger wird **NIV, Military Wives' New Testament With Psalms and Proverbs** Zondervan, 2013-03-05 When your husband serves in the military you're required to sacrifice as well adding a level of strain to everyday life that most people can't understand Frequent moves unpredictable schedules extended deployments reintegration and in some cases caregiving all make a military spouse like you hungry for the stability and peace found in God's Word This special New Testament with Psalms and Proverbs is designed to address your unique needs hopes fears struggles and insecurities And since no one can speak to you as you journey through this unique situation like someone who has gone through it this New Testament with Psalms and Proverbs includes 90 special devotions written by military wives and edited by Jocelyn Greene a former military wife who actively ministers to women in your situation Let her words of help and hope alongside God's Word encourage you as you serve our country in your own way Features 90 devotions written by

**Specters of War** Elisabeth Bronfen,2012-10-03 Specters of War looks at the way war has been brought to the screen in various genres and at different historical moments throughout the twentieth century and into the twenty first Elisabeth Bronfen asserts that Hollywood has emerged as a place where national narratives are created and circulated so that audiences can engage with fantasies ideologies and anxieties that take hold at a given time only to change with the political climate Such cultural reflection is particularly poignant when it deals with America s traumatic history of war The nation has no direct access to war as a horrific experience of carnage and human destruction we understand our relation to it through images and narratives that transmit and interpret it for us Bronfen does not discuss actual conflicts but the films by which we have come to know and remember them including All Quiet on the Western Front The Best Years of Our Lives Miracle at St Anna The Deer Hunter and Flags of Our Fathers Battles and campaigns the home front and women who wait narratives war correspondents and court martials are also explored as instruments of cultural memory Bronfen argues that we are haunted by past wars and by cinematic re conceptualizations of them and reveals a national iconography of redemptive violence from which we seem unable to escape **Destructive Sublime** Tanine Allison,2018-06-25 The American popular imagination has

*Good Military Wives Stay* Monica Henry, 2007-10-15 Women and men are socialized to accept and perform certain gendered roles generally man as warrior protector and woman as caretaker protected The United States Military depends on the wives of servicemen to embrace these gendered roles in order to carry out military operations such as Operation Iraqi Freedom OIF The conservative nature of the military its demand for obedience and loyalty the dependency of military wives on the military community for financial and social support to cope with the hardships of military life contribute to the reluctance of those opposed to OIF to publicly express this opposition and or contribute to their negative perceptions of the antiwar movement Although large scale opposition to OIF among military wives is unlikely to avoid further alienating military wives and potential allies members of the anti war movement should consider the impact that specific methods of protest have on military families and engage in anti war activities accordingly
