It also provides an absorbing account of how the dictionary was written, the personalities of the people working on it, and the endless difficulties that nearly led to the whole enterprise being abandoned. It is a magnificent story of a magnificent man, one of the finest biographies of the twentieth century as its subject was one of the finest human beings of the nineteenth.

Anthony Burgess A moving and dramatic story, sometimes tragic, often comic, ultimately triumphant. Time In her vivid biography Murray's granddaughter brings his remarkable personality to life and provides an unexpectedly fascinating account of the OED's long and difficult birth. Times Literary Supplement A gripping, engaging story, endearing too. The daily round of a big Victorian family with its jokes, games, and treasured seaside holidays is entrancingly evoked.
