Once In Kazakhstan The Snow Leopard Emerges:

Once in Kazakhstan Keith Rosten, 2005 Rosten uses his knowledge of Russian living and language to give the reader access to non English sources on the history politics traditions and spirit of Kazakhstan The book contains photographs of the people places and monuments of the country Images of the Post-Soviet Kazakhstan Suchandana Chatterjee, 2019-10-28 The study revolves round the relationship between space and transitional identity in Kazakhstan in the post Soviet period Emergent discourses about cosmopolitanism suggest multiple interactions in a transitional space The cosmopolitanism of our times implies the dynamic responses of communities in transition The diversities and heterogeneities instead of the specifics the encounters the networks the challenges the ways of living the multitude of fates need to be considered. The picture is far bigger as there are infinite ways of being and belonging The images are of the many and as suggested here relate to the Kazakh conscience The Kazakh conscience represents a repertoire of diverse opinions regarding Eurasianism intellectuals reformist agenda zhuz legacy people s histories What stands out is the wider milieu of a cosmopolitan Almaty which is the home of a cultural elite or a citified Astana that has been showcased as the appropriate site of the Kazakhs steppe identity The variety is also seen in the case of Uyghur neighbourhoods of Almaty in the frontiers of Akmolinsk oblast reminiscent of Tsarist Russia's Cossack military fortresses in gulag memorials near Astana and in the Caspian hub Atyrau that is iconised as the oil fountain of the present century Kazakh borderlands have a completely different profile that of shared spaces The Kazakhs attachment to their homeland is a constant but the question is whether that territorial reality fits into other paradigms of identity and belonging Such guestions arise in the case of Mongolian Kazakhs and Uyghurs of Semirechie in both cases the sentiment of place is strong compared to the overwhelming global experiences of the mainland Kazakhs Please note Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka
