Onderdrukking En Verzet Nederland In Oorlogstijd:

Onderdrukking en verzet J. J. van Bolhuis, 1981 *The Purge of Dutch Quislings* Henry L. Mason, 2012-12-06 This study is based on research which I conducted in the Netherlands in 1948 and 1949 In addition I was able to rely on experiences and impressions of the 1944-1946 period when I was stationed in the Low Countries as a United States Army Military Intelligence Officer In my description of Dutch purge measures I have attempted to be as unbiased a judge as possible whenever I was unable to arrive at a definite conclusion I contented myself with describing the opposing points of view I am quite aware that this attitude of neutrality may be criticized not only by many ex-Resistance men who have become disgusted with the alleged softness of the purge but also by many others who appear equally dismayed about its severity For purposes of comparison readers who are familiar with action against collaborators in other countries such as France Italy or the Balkans may note that the Dutch purge was not dominated by considerations of party politics All Dutch employers and workers Protestants and Catholics Conservatives and Socialists had been united in their resistance against the enemy Consequently disagreements about purge measures did not follow class religious or party lines The few Dutch Communists had never been able to dominate the Resistance neither were they able to exploit the purge for their purposes Thus in Holland problems of collaboration and purge could be studied in their purest form without consideration of other factors

Dutch Newspapers on War Victims and Their LSD-treatment by Jan Bastiaans Leo van Bergen, 2023-04-04 In the 1960s it became clear that survivors of the concentration camps had developed psychological complaints They were diagnosed with KZ syndrome Dutch psychiatrist Jan Bastiaans used LSD in his psychotherapeutic sessions with KZ syndrome sufferers who said they greatly benefitted from his treatment This was despite criticism from medical professionals enough proof for journalists regardless of their signature to defend the drug's usage Without the newspapers LSD probably would have disappeared quickly as a medical tool Over time paradoxically the cause-related diagnosis KZ syndrome came to encompass more than just Holocaust survivors soldiers hostages survivors of the Japanese camps and the children of Dutch national socialists were all eventually included within the concept It resulted in an enormous rise in patient numbers and a blurring and eventual disappearance of the concept This book explores the contribution of Dutch newspapers to the historical cultural phenomenon of this rising focus on victims and victimhood without which the later acceptance of PTSD a symptom-related diagnosis could not be understood Spirit of Resistance Jeroen Dewulf, 2010 The first book to offer a complete story of the extraordinary proliferation of Dutch clandestine literature under the Nazi occupation Clandestine literature was published in all countries under Nazi occupation but nowhere else did it flourish as it did in the Netherlands This raises important questions What was the content of this literature What were the risks of writing printing selling and buying it And why the Netherlands Traditionally the combative Dutch spirit of resistance has been cited a reaction not only to German oppression but to German propaganda while the Germans hoped to build bonds with their Germanic Dutch brothers clandestine

literature insisted on their incompatibility However when reading clandestine literature one should not forget that this spirit of resistance came rather late and did not prevent the transportation of seventy three percent of the Netherlands Jewish population to Nazi death camps the largest percentage in Western Europe The Dutch case is complex while the country proved to be remarkably resistant to Nazi propaganda little was done to prevent the actual execution of Nazi policies The complete story of Dutch clandestine literature therefore combines resistance and complicity victory and defeat pride and shame Jeroen Dewulf is Queen Beatrix Professor of Dutch Studies in the Department of German at the University of California Berkeley

Nazi Propaganda (RLE Nazi Germany & Holocaust) David Welch, 2014-09-04 Based on a detailed examination of specific aspects of Nazi propaganda this book originally published in 1983 enhances the understanding of National Socialism by revealing both its power and its limitations The work tackles aspects of Nazi propaganda which had been neglected in the past but together they demonstrate the disproportionate role assigned to propaganda in one of the most highly politicised societies in contemporary European history

Dutch Jews as Perceived by Themselves and by Others Chaya Brasz, Yosef Kaplan, 2021-11-22 How did Jews in the Netherlands view themselves and how were they viewed by others This is the single theme around which the twenty five essays in this volume written by scholars from the Netherlands Israel and other countries revolve The studies encompass a variety of topics and periods from the beginning of the Jewish settlement in the Dutch Republic through the Shoah and its aftermath They include examinations of the Sephardi Jews in the seventeenth and eighteenth centuries the Jews in the periods of Emancipation and Enlightenment social and cultural encounters between Jews and non Jews throughout the ages the image of the Jew in Dutch literature in the nineteenth and twentieth centuries and the churches attitudes toward Jews Also highlighted are the second World War and its consequences Dutch Jews in Israel and Israelis in the contemporary Netherlands

The Rescue Turn and the Politics of Holocaust Memory Natalia Aleksun, Zofia Wóycicka, Raphael Utz, 2024-03-05 While many of the essays focus on recent developments they shed light on the evolution of this phenomenon since 1945

Working for the New Order Joachim Lund, 2006 During the Second World War the collaboration dilemma regarding Europe s business life came to the forefront as business leaders were faced with the necessity of cooperating with the German enemy in order to maintain production and survive as economic units Working for the New Order examines Europe s corporate survival in a highly unstable business environment during this period of time Cooperation with the dominant European power aimed to secure the future for business national economies and the nation states of Europe With this point of reference Europe s business life of working for the New Order contributed substantially to the Nazi German war effort

The ^AEscape Line Megan Koreman, 2018-04-09 The gripping account of ordinary men and women who risked their lives in Nazi occupied Western Europe to save others

Collaboration with the Nazis Roni Stauber, 2010-09-13 This book examines the changes in representing collaboration during the Holocaust especially in the destruction of European Jewry in the public discourse and the historiography of various countries in Europe

that were occupied by the Germans or were considered at least during part of the war as Germany's allies or satellites. In particular, it shows how representations and responses have been conditioned by national and political trends and constraints. As historical background to the issues of postwar collective memory and public discourse, it includes references to and short descriptions of major manifestations of collaboration chiefly in regards to the Jews in each of these countries during the war. Whether they were Communist or democratic regimes, the book shows how the sudden burden of the past was suppressed, denied or distorted in various periods. Covering a wide area of both Eastern and Western Europe from different specialist perspectives, this comprehensive study of collaboration in the Holocaust and its aftermath will be a valuable tool for teachers and students in the field of modern European history and Holocaust studies.

Hitler's Collaborators Philip Morgan, 2018-05-31. *Hitler's Collaborators* focuses the spotlight on one of the most controversial and uncomfortable aspects of the Nazi wartime occupation of Europe: the citizens of those countries who helped Hitler. Although a widespread phenomenon, this was long ignored in the years after the war when peoples and governments understandably emphasized popular resistance to Nazi occupation as they sought to reconstruct their devastated economies and societies along anti-fascist and democratic lines. Philip Morgan moves away from the usual suspects, the Quislings who backed Nazi occupation because they were fascists, and focuses instead on the businessmen and civil servants who felt obliged to cooperate with the Nazis. These were the people who faced the most difficult choices and dilemmas by dealing with the various Nazi authorities and agencies and who were ultimately responsible for gearing the economies of the occupied territories to the Nazi war effort. It was their choices which had the greatest impact on the lives and livelihoods of their fellow countrymen in the occupied territories, including the deportation of slave workers to the Reich and hundreds of thousands of European Jews to the death camps in the East. In time, as the fortunes of war shifted so decisively against Germany between 1941 and 1944, these collaborators found themselves trapped by the logic of their initial cooperation with their Nazi overlords, caught up between the demands of an increasingly desperate and extremist occupying power, growing internal resistance to Nazi rule, and the relentlessly advancing Allied armies.

Imagining Europe Michael J. Wintle, 2008. The authors of this research collection are not so much interested in what Europe thinks of itself but rather what others think of it. They take a number of scenarios from recent history and examine how Europe has appeared to people in other parts of the world: America, China, the Arab world, for example.

The Hunger Winter Ingrid de Zwart, 2020-07-23. A pioneering study on the causes and consequences of the Dutch famine of 1944-1945.

National Socialist Family Law Mariken Lenaerts, 2014-11-06. In *National Socialist Family Law*, Mariken Lenaerts analyses the possible influence of National Socialism on marriage and divorce law in Germany and the Netherlands. As the family was regarded the germ cell of the nation, the Nazis made many changes in German and Dutch marriage and divorce law to suit their purpose of a thousand-year Aryan Reich. By making extensive use of archival resources, Mariken Lenaerts gives an overview of the most important changes adopted in marriage and divorce law.

by the Nazis and proves that although daily marital life in both countries was highly influenced by National Socialism marriage and divorce law did not become National Socialist Listen to Lenaerts explaining about her project <https://www.youtube.com/watch?v=TINKR6xKyUQ> In 2013 the book was awarded the Prix Fondation Auschwitz Jacques Rozenberg

Flight from the Reich Deborah Dwork, Robert Jan Pelt, 2009 A bold groundbreaking work that provides the definitive answer to the persistent question Why didn't more Jews flee Nazi Europe

The Eclipse of Liberal Protestantism in the Netherlands Tom-Eric Krijger, 2019-09-16 In *The Eclipse of Liberal Protestantism in the Netherlands* Tom Eric Krijger is the first to offer a synthesis of the development of the Protestant modernist movement in Dutch religious social cultural and political life between 1870 and 1940 In historiography the liberal Protestant community is said to have lost appeal and influence in these decades due to a lack of theological clarity inner harmony and organisation Analysing liberal Protestants self perception vis vis Christian orthodoxy self understanding as a faith community attitude towards other alternatives to orthodoxy class consciousness literary criticism political commitment and involvement with foreign mission Krijger challenges this view Making an international comparison he argues that the Dutch modernist movement failed to make headway primarily due to liberal Protestant expectations and discourse

The History of the Jews in the Netherlands Hans Blom, R.G. Fuks-Mansfeld, I. Schöffers, 2001-12-01 This acclaimed history of the Jewish role in Dutch society through the ages now available in English considers the internal evolution of the Jewish community as well as the social cultural and economic interaction with the wider population This general survey should appeal to a wide public interested in the history of the Jews of the Netherlands Het Parool

Enterprise in the Period of Fascism in Europe Harold James, Jakob Tanner, 2017-07-05 The essays in this volume consider the involvement of business corporations and of individual businessmen in the politics of the 1930s and 1940s in the move away from the market and also from democracy towards state control and authoritarianism including the massive intervention of the state in property rights How far did businesses attempt to guide this intervention for their own purposes and to what extent did they succeed This debate deals centrally with the role of German business of banks of industrial corporations and of small tradesmen in the Nazi regime An older discussion of how they may have facilitated the Nazi takeover has been supplemented here by an investigation into how they made the regime's policies possible and the extent to which the profit motive drove them to participate with sometimes more sometimes less enthusiasm in the politics of inhumanity Such discussion has been given further impetus by legal action initially in the United States in the form of class action suits on behalf of the victims of Nazism What do such legal and political debates mean for business history What are the current responsibilities of business facing the consequences of historical action And what lessons should be learned concerning the ethics of business behaviour The contributions to this volume were originally presented as papers at a conference organised by the Society for European Business History in Paris in November 1998

De Keien Merel Leeman, 2023-11-01 De vrienden die jaarclub De Keien vormden werden met de tijd allemaal bij verschillende illegale

organisaties actief Aan de hand van het logboek van de jaarclub wordt het leven van verzetsheld Frits Ruys verteld Een noodzakelijke aanvulling op de geschiedschrijving van Rotterdam In september 1940 begonnen acht studenten aan hun studie aan de Nederlandsche Economische Hoogeschool in Rotterdam de voorloper van de Erasmus Universiteit Ze werden lid van het Rotterdamsch Studenten Corps vormden de jaarclub De Keien en gingen samenwonen in een studentenpension aan de Claes de Vrieselaan Aanvankelijk ging tijdens de Duitse bezetting het studentenleven gewoon door maar met de tijd werden de vrienden allemaal bij verschillende illegale organisaties actief Terwijl deze kooplieden van de toekomst hun leven in de waagschaal stelden collaboreerde het Rotterdamse bedrijfsleven op grote schaal En van De Keien Frits Ruys groeide in de loop van de oorlog uit tot een van de grootste verzetshelden van Rotterdam Ruys werd eind 1944 verraden en vervolgens gefusilleerd

Food, Science, Policy and Regulation in the Twentieth Century David F. Smith, Jim Phillips, 2000 This highly topical book offers a comprehensive study of the interaction of food politics and science over the last hundred years Case studies include pasteurisation in Britain and the E coli outbreak
