Bonhoeffer and Mahatma Gandhi Matthew s interest in ecclesiology provides early structures of ecclesial life such as resolution of community disputes communal prayer and liturgical prescriptions for the Eucharist and baptism A significant addition to the acclaimed Blackwell Bible Commentaries series Matthew Through the Centuries is an indispensable resource for both students and experts in areas including religious and biblical studies literature history politics and those interested in the influence of the Bible on Western culture Cosmologies of Pure Realms and the Rhetoric of Pollution Yohan Yoo, James W. Watts, 2021-05-30 This collaboration between two scholars from different fields of religious studies draws on three comparative data sets to develop a new theory of purity and pollution in religion arguing that a culture s beliefs about cosmological realms shapes its pollution ideas and its purification practices. The authors of this study refine Mary Douglas foundational theory of pollution as matter out of place using a comparative approach to make the case that a culture s cosmology designates which materials in which places constitute pollution By bringing together a historical comparison of Ancient Near Eastern and Mediterranean religions an ethnographic study of indigenous shamanism on Jeju Island Korea and the reception history of biblical rhetoric about pollution in Jewish and Christian cultures the authors show that a cosmological account of purity works effectively across multiple disparate religious and cultural contexts They conclude that cosmologies reinforce fears of pollution and also that embodied experiences of purification help generate cosmological ideas Providing an innovative insight into a key topic of ritual studies this book will be of vital interest to scholars and graduate students in religion biblical studies and anthropology The Boy's Own Annual ,1899 The Historical Reliability of the New Testament Craig L. Blomberg, 2016-11-01 This book is a fully stocked toolbox for anyone interested in whether we can still trust the New Testament in the twenty first century Ethnicity, Race, Religion Katherine M. Hockey, David G. Horrell, 2018-06-28 This book is open access and available on www bloomsburycollections com It is funded by Knowledge Unlatched Religion ethnicity and race are facets of human identity that have become increasingly contested in the study of the Bible largely due to the modern discipline of biblical studies having developed in the context of Western Europe concurrent with the emergence of various racial and imperial ideologies The essays in this volume address Western domination by focusing on historical facets of ethnicity and race in antiquity the identities of Jews and Christians and the critique of scholarly ideologies and racial assumptions which have shaped this branch of study The contributors critique various Western European and North American contexts and bring fresh perspectives from other global contexts providing insights into how biblical studies can escape its enmeshment in often racist notions of ethnicity race empire nationhood and religion Covering issues ranging from translation and racial stereotyping to analysing the significance of race in Genesis and the problems of an imperialist perspective this volume is vital not only for biblical scholars but those invested in Christian Jewish and Muslim identity Christian Science Sentinel ,1917 People's Christian Bulletin ,1917 1000 and One: the Blue Book of Non-theatrical Films ,1938 Christian Register and Boston Observer ,1929 The Third Day Bible Code

Kermit Zarley,2006 i The Third Day Bible Code i examines a third day motif that occurs in some of the most important events in the history of Israel recorded in the Bible Whether one agrees with the author's sensational thesis about the timing of Christ's return this book will serve as a strong apologetic for Jesus resurrection and strengthen Christians in their faith

In God's Presence J.I. Packer,2000-03-07 James I Packer says of the devotional life To rush to God randomly babbling about what is on our mind at the moment with no pause to realize his greatness and grace and our own sinfulness and smallness is at once to dishonor him and to make shallow our own fellowship with him Dr Packer has taught generations of Christians how to know God better Now he helps us draw closer to God each day with insightful readings Focusing on what it means to be a part of the family of God these meditations will lead you into the Father's presence trough Scripture prayer and practical wisdom
