Del Negro, 2005 An in depth study detailing how members of a small Italian community use both traditional practices and expressive forms taken from popular culture to grapple with the

social changes brought about by modernity **Around the Tuscan Table** Carole Counihan, 2004 First Published in 2004
Routledge is an imprint of Taylor Francis an informa company The Italian Americans Francis N. Elmi, Louis J. Gesualdi, Lisa Kuan, 2020-06-22 The Italian Americans A Multicultural View exemplifies a meaningful attempt to inform readers about the Italian Americans various experiences in the United States Unlike many works on the Italian American experience this unique text explains why popular negative notions of Italian American life are inaccurate Moreover this book provides useful information to help the reader become more cognizant of not only the Italian American experience but the ethnic American experience in general The eleven chapters of this book are an important beginning for the reader to become informed of the Italian American sociohistorical experiences including the oppression exploitation and discrimination in the United States past and present *When Law and Medicine Meet: A Cultural View* Lola Romanucci-Ross, Laurence R. Tancredi, 2007-11-10 What happens when two systems law and medicine are joined in the arena of the court This work deals with the structure and the premises of two diverse discourse models the approach is anthropological Several chapters are preponderantly based on legal research addressing cases requiring testimony by expert witnesses on recent technologies used in the laboratories of medical scientists Descriptions of other societies and cultures consider the identical problems of rights privileges and duties and provide perspectives to cultural self knowledge This volume can be used as a text for courses taught in medical schools and law schools It will be of particular interest to students taking courses in health science public health medical anthropology forensic anthropology psychology sociology public justice behavioral sciences forensic psychiatry legal anthropology social welfare as well as courses on research models **Daughters of Italy** Anne T. Romano Ph.D., 2010-08-12 There is no available information at this time **The Grecanici of Southern Italy** Stavroula Pipyrou, 2016-07-28 The Grecanici are a Greek linguistic minority in the Calabria region of Italy remnants of a population that has resided there since late antiquity Their language represents a holdover from the Middle Ages at least and possibly even to the Greek colonies of the classical period For decades the Grecanici passionately fought to be recognized by the Italian state as an official linguistic minority finally achieving this goal in 1999 Violence corruption and mismanagement are inextricable parts of the social fabric but Grecanici have crafted the means to invert hegemonic culture and participate in the power games of minority politics The Grecanici of Southern Italy provides a comprehensive ethnography that examines the ways the minority developed and sustain enduring cultural forms of solidarity and relatedness Stavroula Pipyrou proposes the concept of fearless governance to describe overlapping and sometimes contradictory systems of power authority and relational networks that enable the Grecanici to achieve political representation at the intersection of local national and global encounters Refuting easy assumptions of top down governmental influence Pipyrou shows how the Grecanici find political representation through the European Union and UNESCO state policy civic associations family networks and illegal organizations not being afraid to take risks incur wrath lose friends or risk death in challenging the political status quo

Ethnic Identity George A. De Vos, Lola Romanucci-Ross, Takeyuki Tsuda, 2006-06-22 In this thoroughly revised fourth edition with ten new chapters the editors provide thought provoking discussions on the importance of ethnicity in different cultural and social contexts The authors focus especially on changing ethnic and national identities on migration and ethnic minorities on ethnic ascription versus self definitions and on shifting ethnic identities and political control The international group of scholars examines ethnic identities conflicts and accommodations around the globe in Africa including Zaire and South Africa Belgium Brazil Bulgaria Italy Japan Lithuania Macedonia the Netherlands the United States Thailand and the former Yugoslavia It will serve as an excellent text for courses in race ethnic relations and anthropology and ethnic studies

Sacred Skin: The Legend of St. Bartholomew in Spanish Art and Literature Andrew M. Beresford, 2020-03-02 Sacred Skin offers the first systematic evaluation of the dissemination and development of the cult of St Bartholomew in Spain Exploring the paradoxes of hagiographic representation and their ambivalent effect on the observer the book focuses on literary and visual testimonies produced from the emergence of a distinctive vernacular voice through to the formalization of Bartholomew's saintly identity and his transformation into a key expression of Iberian consciousness Drawing on and extending advances in cultural criticism particularly theories of selfhood and the complex ontology of the human body its five chapters probe the evolution of hagiographic conventions demonstrating how playing poses a unique challenge to our understanding of the nature and meaning of identity See inside the book

Ethnic Identity Lola Romanucci-Ross, 1995 Discusses ethnic identity in contemporary subjects

Women and the Media Theresa Carilli, Jane Campbell, 2005 This anthology has a cultural focus and addresses issues of race ethnicity class and sexuality

Encyclopedia of Community DAVID LEVINSON, KAREN CHRISTENSEN, 2003-06-30 Click Additional Materials for downloadable materials and samples Incredibly this is the first encyclopedia to focus on community as concept and experience so stands alone in its field as the one title any library must buy to cover this topic Essential for all readerships CHOICEA timely comprehensive and very welcome overview of a rich and rapidly growing field of inquiry Robert D Putnam Professor at Harvard University and author of *Bowling Alone* With every passing minute it becomes more and more apparent that our world is one community The Encyclopedia of Community serves as recognition of this trend and as a needed resource The four volume set not only explains the emerging buzz words of community such as social capital or civic engagement but also tells many stories of community institutions that work such as public libraries Sarah Ann Long Past President 1999 2000 American Library Association As we yearn to connect with our fellow citizens during these uncertain times we have a unique moment to encourage greater participation in our democracy and reinvigorate our communities The Encyclopedia of Community provides a timely diverse array of theories and practices that will help citizens understand the value of engaging together to make the critical choices that enrich the way we live learn work and govern in our local communities The Encyclopedia deserves a prime spot in the libraries homes and offices of all communities that want to invest in a brighter future for their

residents and their children Nancy Kranich Past President of the American Library Association whose presidential theme was Libraries The Cornerstone of Democracy 2000 2001 American politicians often pair the word community with the word freedom to describe our basic values Yet though used constantly the word community is defined in widely different and contested ways Most people like the idea of community but some intellectuals worry that it might imply collectivism The great value of this new Encyclopedia is that it gives readers a chance to sample the many uses of the term and gain clarity about the issues at stake It is a major contribution to a more coherent understanding of this fundamental idea Robert Bellah Professor of Sociology Emeritus University of California Berkeley and co author of Habits of the Heart SAGE Publications is proud to announce the Encyclopedia of Community a major reference work that summarizes the many fascinating and important concepts of a global topic Community itself is a concept an experience and a central part of being human Whether the reader is a student researcher or professional in the field of psychology sociology or even economics this three volume work will provide the necessary definitions of community beyond traditional views Arranged in an A to Z fashion the Encyclopedia can also be viewed topically via a Reader s Guide This allows for interdisciplinary compare and contrast among topics such as types of communities social capital technology urban life politics and law community design and global studies Edited by the award winning team at Berkshire Reference and assisted by an editorial board of world renowned scholars the Encyclopedia of Community will prove to be one of the most widely used reference works in your collection Key Features 500 signed articles 3 volumes 2000 pages Reader s Guide Master bibliography 250 sidebars Appendices Resource Guides Master Bibliography Libraries Build Community Libraries and Popular Culture **Italian Americana** ,1991 *Cultural Anthropology* Serena Nanda,1994 Provides a balanced overview of major topics theories and applications written in accessible interesting style to intrigue and inform students A variety of formal ethnographys and in text examples provide students with a sense of rich variety of other cultures and the anthropological literature **The Anthropology of Medicine** Lola Romanucci-Ross,Daniel Moerman,Laurence R. Tancredi,1997-09-23 This long awaited revision of what has now become the classic text in medical anthropology contains a wealth of new material on subjects as diverse as aging creativity and ideology Originally cited in IAmerican Anthropologist R as must reading for all medical anthropologists physicians advanced medical anthropology students and advanced medical students this new edition should prove twice as valuable It is both a comprehensive introduction to the rapidly growing field of medical anthropology and a state of the art reference work The authors bring new perspectives to our understanding of both Western and non Western medicine from the biochemical and physiological aspects of health care in preindustrialized cultures to cultural and ideological factors inherent in past and present Western medical care New chapters focus on ethnobotany placebo and pain shamanism and psychiatry The contributors to this volume examine the acculturation process of healer physician and patient in diverse cultural settings They explore the social and cultural context of medical events as well as the process of medical thought and problem solving

Medicine they illustrate embraces or is embraced by both the cultural and biological dimensions of mankind From this perspective they show how human belief knowledge and action structure the experience of disease and affect ways in which doctors healers and patients experience illness and influence the matrix of decision making This book is essential for students and professionals in anthropology medicine and all social science One Thousand Sisters Diana R.
