Elizabeth Alexander Walker, 2001 Elizabeth Taylor is one of our last great movie stars An Oscar winning actress she has lived her entire life in front of the spotlights and her glamour and smouldering sensual charisma are the stuff of legend In *Elizabeth* Alexander Walker presents the story of a life that was lived on and off camera with a passion rarely matched by even today's outspoken celebrities From her privileged childhood the influence of her strong willed mother and her rise to stardom in films like *National Velvet* *A Place in the Sun* and *Cleopatra* to her husbands her obsession with jewelry and her amazing resilience in the face of public scandal and personal tragedy Walker shows us the real Elizabeth as an actress and as a person determined to live on her own terms

**Elizabeth Taylor** David Bret, 2011 Acclaimed biographer David Bret has written the most revealing incisive and definitive life story of Elizabeth Taylor in this sensational new biography The book is set to strip away the glossy veneer to portray the star as she really was sometimes arrogant attention seeking avaricious reckless monstrous towards her peers generous even foolish at times but above all through the tumultuous relationships and the personal mayhem a survivor

Liz C. David Heymann, 2011-04-04

Elizabeth Taylor's own story was more dramatic than any part she ever played on the screen. C David Heymann brings her magnificently to life in this acclaimed biography updated with a new chapter covering her final years. She was an icon, one of the most watched, photographed and gossiped about personalities of our time. Child star, daughter of a controlling stage mother, Oscar-winning actress, seductress and eight-time wife, mother of four children and grandmother of ten, champion of funding for AIDS research, purveyor of perfumes and jewelry, close friend of celebrities and tycoons, Elizabeth Taylor for almost eight decades played most completely, beautifully, cunningly, flamboyantly and scandalously her greatest role of all herself. The basis of an Emmy Award-nominated miniseries, Liz portrays Taylor's life and career in fascinating, revealing detail and includes an additional new chapter bringing her beloved fans up to date on her final years. By way of more than a thousand interviews with stars, directors, producers, designers, friends, family, business associates and employees and through extensive research among previously disclosed court, business, medical and studio documents, bestselling author Heymann reminds readers of her very public escapades and unveils her most private moments. Here are the highs and lows of her film career and the intimate circumstances of her marriages to Nicky Hilton, Michael Wilding, Mike Todd, Eddie Fisher, Richard Burton, Senator John Warner and Larry Fortensky. Here too is the truth about Taylor's father and her friendships with leading men, Montgomery Clift, James Dean and Rock Hudson, as well as with the eccentric Malcolm Forbes and Michael Jackson. From her illnesses, injuries, weight issues and battles against drug and alcohol to her sexual exploits, diamond-studded adventures and tumultuous love affairs, this is the enormously contradictory and glamorous life of Hollywood's last great star.

*Elizabeth Taylor* Kitty Kelley, 2011-04-15. Shimmering in blue sequins and periwinkle eye shadow, Elizabeth Taylor strode onto the stage of the Mark Hellinger Theater to present the 1981 Antoinette Perry Award for Broadway's best musical. As she started to speak, the entire audience suddenly rose to give her a standing ovation. Wildly cheering, the crowd paid homage to the woman whose beauty had for so long enchanted America. Now ripe and opulent at forty-nine, she no longer looked like the little girl who had ridden to glory in *National Velvet*, but the audience did not care. She could still bestow a touch of magic from the preface. This biography of Elizabeth Taylor tells her story as no other can. Drawing on extensive reporting and interviews, Kitty Kelley's classic portrait follows the rise, fall and rebirth of the woman who was perhaps Hollywood's brightest star. Now with a new Afterword by the author, this is the definitive record of Elizabeth Taylor's fascinating life. *Bookseller and the Stationery Trades' Journal*, 1975. **Annotated Bibliography of New Publications in the Performing Arts**, 1979. **American Cinematographer**, 1980.
