LaHaye,Edward E. Hindson,2007 Combines ancient Bible prophecies with current events to reveal the signs that serve as a global warning that predicts the end of the world Christian Identity Chester L. Quarles,2014-11-18 The Ku Klux Klan the Aryan Nations and many ultra right wing racist religious organizations adhere to a doctrine called Christian Identity Christian Identity is not a denomination but a loosely organized movement embracing a range of beliefs Its foundation is the

theory that Anglo Saxons and Aryans in most cases are the true descendants of the Lost Tribes of Israel and are the chosen people of God Christian Identity is a bloodline religion a belief system irrevocably tied to race As such it lends itself to the violence racism and anti Semitism of its more militant practitioners and its growth and links to domestic terrorism warrant a better understanding of the movement This survey of the Christian Identity Movement traces its development and beliefs from its origins to its modern manifestations It examines the doctrines and visions of the future of Identity communities and organizations in America The initial chapter explores British Israelism forerunner of most bloodline Identity groups the oral traditions behind the movement are reviewed in the second The third chapter outlines the American Israel Israel Identity and bloodline Identity movements including major figures and groups The following chapters provide an introduction to Christian Identity itself its general religious tenets and post Creation beliefs upon which much of the theory is based Subsequent chapters describe militant bloodline and Identity groups and individual militant Identity leaders The final chapter explores the Third American Revolution predicted by these groups a forthcoming war based on race and religion The End is the Beginning Leslie Dutcher,2024-05-17 The End is the Beginning is a 290 page masterpiece that explains everything we need to know concerning all the major end time issues It is an in depth study of what everyone can expect in the short time remaining before the Battle of Armageddon and the Second Coming of Jesus Christ This book discusses topics such as The United States in Bible Prophecy Islam in Bible Prophecy The Berlin Wall in Bible Prophecy when and where World War 3 will happen The Mark of the Beast and nine other chapters loaded with end time prophetic facts I highly recommend this book to anyone searching for the latest updates on end time prophecy Review written by W P **Are We Living in the End Times?** Tim LaHaye,Jerry B. Jenkins,2011-04-01 In the updated and expanded edition of this classic title noted scholar Dr Tim LaHaye gives reasons for believing that the Rapture and the Tribulation could occur during our generation Ours is the first generation that has the technology and opportunity to fulfill many of the prophecies of Revelation Understanding prophecy can be difficult and confusing This book takes away all of the mystery and the intimidation It is user friendly for the layperson yet remarkably complete for the scholar
