Oneness Embraced Through The Eyes Of Tony Evans:

Oneness Embraced Tony Evans, 2011-02-01 Black white relations in the culture at large and in the church in particular continue to be a stain on America's respectable reputation. The church has clearly failed and must seek to function by God's kingdom perspective. In this legacy message, Tony Evans seeks to promote a biblical understanding of the kingdom foundation of oneness by detailing why we don't have it, what we need to do to get it, and what it will look like when we live it. Fully encompassing areas of unity, history, culture, the church, and social justice, Evans looks to the scriptures for the balance between righteousness and justice that is crucial for applying in this generation and in training the next. A full section on black church history provides a background and understanding that has often been neglected. Recalling experiences in his own evangelical journey, Evans shares kingdom-minded approaches for biblical justice and social restoration. To better glorify God and help heal the persistent racial divide, all church members would do well to read and learn from *Oneness Embraced*.

In a response to today's racially charged climate, Dr. Tony Evans speaks from a spiritual perspective and discusses the need for racial healing in our nation and in our churches. He proposes that at the core of racial disunity lies the failure to understand and execute righteousness and justice from God's perspective. In this timely digital eBook which concludes with a personal challenge to all believers, Dr. Evans calls readers to be intentional about embracing God's desire for oneness.

Activating the Power of the Cross Tony Evans, 2012-12-19 You've got to activate the power to experience the power. What would happen if our phones and computers ran out of power and couldn't be recharged? They would still have everything necessary to provide us with what we use them for, but without power they'd be useless. There is something more powerful than the technology we use each day. And it has an even greater capacity to positively impact and enrich our lives in every way. Yet it is an untapped, frequently inactivated resource. That something is the cross. In this book, Dr. Tony Evans will help you understand how to activate the power of the cross, gaining access to all of the benefits, blessings, and power contained within it, and through it so that you can live the empowered and victorious life God intended. *How Should Christians Vote?* Tony Evans, 2012-05-01 Christians are a large and influential voting block today. But as each governmental election approaches, an increasing polarity occurs within those claiming the Christian faith. This comes as a result of party voting rather than voting according to Biblical mandates and authority. To refocus correctly, Dr.

Tony Evans goes back to the basics and teaches on how God established government as a divine institution whose tasks include promoting the well being of those within its realm and protection from evil Scripture trumps all political alliances making the voting decision a critical opportunity for Christians to promote God's Word and His values through whom they elect In the face of increasing emotions the Christians representing God's kingdom values should communicate His truths in a manner reflective of the King in a gracious and strategic way Dr Evans also looks at the necessary qualities in a good candidate which include intellect education competency skill and spiritual beliefs whether certain issues are non negotiables and how a responsible citizen is to research a candidates position in order to evaluate it against God's Word

Reading Black Books Claude Atcho, 2022-05-17 Learning from Black voices means listening to more than snippets It means attending to Black stories Reading Black Books helps Christians hear and learn from enduring Black voices and stories as captured in classic African American literature Pastor and teacher Claude Atcho offers a theological approach to 10 seminal texts of 20th century African American literature Each chapter takes up a theological category for inquiry through a close literary reading and theological reflection on a primary literary text from Ralph Ellison's *Invisible Man* and Richard Wright's *Native Son* to Zora Neale Hurston's *Moses Man of the Mountain* and James Baldwin's *Go Tell It on the Mountain* The book includes end of chapter discussion questions Reading Black Books helps readers of all backgrounds learn from the contours of Christian faith formed and forged by Black stories and it spurs continued conversations about racial justice in the church It demonstrates that reading about Black experience as shown in the literature of great African American writers can guide us toward sharper theological thinking and more faithful living

Letters to a Birmingham Jail Bryan Loritts, 2014-03-26 More than

fifty years ago Dr Martin Luther King Jr wrote his Letter from a Birmingham Jail Much has transpired in the half century since and progress has been made in the issues that were close to Dr King s heart Thankfully the burning crosses biting police dogs and angry mobs of that day are long gone But in their place passivity has emerged A passivity that must be addressed That s the aim of Letters to a Birmingham Jail A collection of essays written by men of various ethnicities and ages this book encourages us to pursue Christ exalting diversity Each contribution recognizes that only the cross and empty tomb of Christ can bring true unity and each notes that the gospel demands justice in all its forms This was a truth that Dr King fought and gave his life for and this is a truth that these modern day drum majors for justice continue to beat

Understanding the Faith Jeff Myers,2016-06-01 Does the Bible have authority in a world committed to relative truth The understanding of absolute objective truth has been largely lost Spend just a few minutes discussing politics or religion and you ll hear responses like There is no truth or That may be true for you but not for me *Understanding the Faith* dares to wade into the middle of the controversy with chapters such as Is God Christian Isn t Claiming Truth Intolerant Is the Bible Anti Science Summit Ministries half century of teaching this first volume of the *Understanding the Times Series* is your definitive resource for deepening and defending your faith It s a required resource for every Christian s bookshelf Spiritual Blindness Mark Allison,2015-03-24 The New Testament teaches three specific things how individual Christians in the church are to conduct themselves o Love one another as Christ loved us o How men and women treat each other outside of marriage o How husbands and wives treat each other inside of marriage These three basic human relationships serve as a witness to those outside the church as an evangelistic tool How we deal with each other has ramifications for how we conduct ourselves spiritually before a lost world We have failed in these three basic relationships We need someone to step unafraid from the background and face down criticism and perhaps ridicule even persecution from the self righteous who continue to lead the church away and resist the necessary course corrections in these final days Who will be willing to confront the issues head on in order for the world to know Christ Are you as part of His church ready for the second coming of our Lord Would you be willing to face discomfort and ridicule if you knew that God had called you to such a fate What discomfort are you willing to endure for the cause of Christ **Gaining By Losing** J.D. Greear,2015-07-28 People are leaving the church J D Greear pastors Big givers Key volunteers Some of his best leaders and friends And that s exactly how he wants it to be When Jesus gave his disciples the Great Commission he revealed that the key for reaching the world with the gospel is found in sending not gathering Though many churches focus time and energy on attracting people and counting numbers the real mission of the church isn t how many people you can gather It s about training up disciples and then sending them out The true measure of success for a church should be its sending capacity not its seating capacity But there is a cost to this To see ministry multiply we must release the seeds God has placed in our hands And to do that we must ask ourselves whether we are concerned more with building our kingdom or God s In *Gaining By Losing* J D Greear unpacks ten plumb lines that you

can use to reorient your church's priorities around God's mission to reach a lost world. The good news is that you don't need to choose between gathering or sending. Effective churches can and must do both. *Understanding the Culture* Jeff Myers, 2017-03-01. Addressing issues such as gender identity, abortion, technology, and poverty, Dr. Myers challenges readers to ask: How can an authentic Christian worldview provide a compassionate, effective witness in culture today? Dr. Myers first shows readers what they can learn from Christian history and why today's issues might not be as new as they seem. Then he takes them through the significant topics that affect them every day, offering biblical ideas for conversing with others in an increasingly hostile culture. This capstone book to a groundbreaking worldview trilogy equips readers to apply a bold Christian witness to their relationships with loved ones, neighbors, and colleagues. *Global IR Research Programme* Deepshikha Shahi, 2023-08-26. The Global IR research programme promulgates a borderless ecology of cultures that has only an inside without an outside. This borderless ecology of cultures reinvents the human condition, including the condition of the international, as perpetually interconnected at the level of consciousness. While Western-centric IR theories depend on neo-Kantian philosophies to emphasize the time-space bounded identities of human beings living in visibly divided phenomenal worlds, the de-Kantian philosophies of the Global IR research programme, exemplified by the Tianxia, Advaita, and Nishida Kitaro's Buddhism-inspired theories, recuperate the temporally-spatially indivisible phenomenal-noumenal flow of human life, thereby facilitating back-and-forth movement between the West-dominated one world and the non-West embodied many worlds. The central objective of the book is to demonstrate how this back-and-forth movement offers opportunities to conceive of and found a new world order that recognizes the temporally-spatially indivisible human condition on earth. The book delineates a set of guiding principles to promote an innovative practice of theory building and policy making that transcends the geo-centric limitations of knowledge production and knowledge application, thereby establishing the futuristic foundation of the Global IR research programme. *Leading Beyond* Pierre Everson Cannings, 2024-06-21. A common cliché states that Sunday is the most racially divided day of the week. Authors have attempted to study the division in church, but it continues to be a perpetual problem for Christianity. The racial divide in Christianity demands continual study and research dedicated to finding answers in the history of the Bible. The book of Acts provides the historical account of the early church's cultural diversity and the apostles' leadership to spread the gospel all over the world in the first century. Therefore, it is critical to research the apostles' leadership, specifically Peter and Paul, to the diversity of the early church following Pentecost in the book of Acts and to apply discovered leadership principles to modern-day church. **Divine Frustrations** Jason L. Moore, 2023-11-21. The Bible encourages believers to love God with all their hearts. Interestingly enough, there is no command to like God. Is the admonition to like God conspicuously absent due to its inherent difficulty? If we are honest, we can safely affirm that there are unlikable realities about our world that critics allege reflect poorly on the perceived nature of God. However, there is a lack of awareness regarding alternative ways to understand such realities. *Divine Frustrations* is an

attempt to bridge that gap by providing a balanced engaging approach to revisiting the unpleasant aspects of God's dealings with humanity Drawing on decades of interactions with students atheists critics inmates and church members as well as people from all walks of life Moore offers reflections on both sides of the most common complaints leveled against God Whether you are a believer or a skeptic your approach to various topics will be challenged If you are open to considering alternatives to what you believe as well as new insights into your own views read on

The Definitive Answer to the Meaning of Life Jack Abaza,2023-11-16 This haunting question in all of its variations and interpretations has echoed through the annals of time Since the dawn of philosophy the world's intellectual titans have grappled valiantly with this enigma and many of them dedicated entire lifetimes to unearthing answers in religion aesthetics love personal convictions and myriad other realms but to no avail How has this ineluctable conundrum come to signify everything and nothing To term it the Holy Grail of philosophy is almost to insultingly undersell its gravitas the meaning of life remains maddeningly elusive mocking our most desperate curiosities Despite over 2 500 years of introspection debate and countless theories its mysterious prize remains unclaimed However this tome is no mere philosophical expedition for it is a revolution in the making it manifests a rebellion against the two thousand year old foundations of speculation and dares to shatter the orthodoxy By venturing into the forbidden realm of a science philosophers long denied as relevant and converging the scientific method with peerless reasoning the sort that would stupefy the most weathered thinkers this most eminent opus heralds philosophy's renaissance no longer as a quaint forgotten relic of bygone eras but as a vanguard discipline poised for reawakening

Birch,2012 Do you remember singing Jesus Loves the Little Children in Sabbath School as a young child Red and yellow black and white all are precious in His sight Jesus loves the little children of the world Jesus loves everyone but as His followers we often struggle to follow His example In A Third Great Disappointment for the Remnant Pastor Birch presents his research findings on race relations the Millerite movement slavery the Civil War segregation the evangelical movement and much more addressing how these events have impacted and shaped the Seventh day Adventist Church He goes on to examine current race relations in the Adventist Church and the creation of ethnic conferences and warns against a final great disappointment of lost souls at Christ's second coming if we do not reconcile ourselves with each other and finish the work as one unified body With a passion for racial and ethnic reconciliation Birch offers recommendations on how to strengthen the Adventist Church through understanding and healing We are precious in God's sight but we should also be precious in each other's sight
