military repressive machine of the Brazilian State The current return of anti communism to the Brazilian political scene is evidence of the book s thesis that this phenomenon took root in Brazilian society during the first decades of the twentieth century On Guard Against the Red Menace helps to understand why a candidate of military origin who promises to rid the country of the reds won the October 2018 elections in Brazil by adopting a discursive strategy that represents the appropriation of the anti communist tradition analyzed in this book **Research Product - U.S. Army Research Institute for the Behavioral and Social Sciences** ,1990 Stand on Guard Stephanie Carvin,2021-06-01 In Stand on Guard Stephanie Carvin sets out to explain the range of activities considered national security threats by Canadian security services today As new forms of terrorism and extremism appear especially online we need a responsibly widened view of such threats and how they manifest in the contemporary world Canadians should not be more fearful Carvin explains but a more sophisticated understanding among security services personnel and the general public is needed if we are to anticipate and ameliorate threats to national security As a former security analyst tasked with providing threat assessments to high levels of government Carvin writes with both authority and urgency Her book presents an insider s look at the issues facing the Canadian security and intelligence community Timely and accessible Stand on Guard will be required reading for scholars practitioners and any Canadian concerned about national security in the twenty first century **On Guard** William Lane Craig,2010-03-01 Christian apologetics scholar William Lane Craig provides a powerful and practical guide for defending the Christian faith This concise guide is filled with illustrations sidebars and memorable steps to help Christians stand their ground and defend their faith with reason and precision In his engaging style Dr Craig offers ways to equip Christians including how to Answer the difficult questions about your faith Overcome times of spiritual doubt Understand not just what you believe but why you believe Paired with personal stories from Dr Craig s own life this one stop training manual will guide you in developing a biblical world view and will show you how being on guard with the truth has the power to change lives forever **Boy Scouts in Mexico; Or, On Guard with Uncle Sam** G.
