Comaroff, 2016-12-05 This new book by the well known anthropologists Jean and John L. Comaroff explores the global preoccupation with criminality in the early twenty first century a preoccupation strikingly disproportionate in most places and for most people to the risks posed by lawlessness to the conduct of everyday life Ours in an epoch in which law making law breaking and law enforcement are ever more critical registers in which societies construct contest and confront truths about themselves an epoch in which criminology broadly defined has displaced sociology as the privileged means by which the social world knows itself They also argue that as the result of a tectonic shift in the triangulation of capital the state and governance the meanings attached to crime and with it the nature of policing have undergone significant change also that there has been a palpable muddying of the lines between legality and illegality between corruption and conventional business even between crime and policing which exist nowadays in ever greater hyphenated complicity Thinking through Crime and Policing is therefore an excursion into the contemporary Order of Things or rather into the metaphysic of disorder that saturates the late modern world indeed has become its leitmotif It is also a meditation on sovereignty and citizenship on civility class and race on the law and its transgression on the political economy of representation *Weißer Schatten & Rote Spur* Deon Meyer, 2021-04-01 Bodyguard Lemmer ermittelt im Doppelpack Wei er Schatten In den Fernsehnachrichten glaubt Emma le Roux ihren vor zwanzig Jahren verschwundenen Bruder zu erkennen Im Kruger Nationalpark soll er vier Wilderer get tet haben die ein Reservat berfielen Emma macht sich auf die Suche an ihrer Seite nur Lemmer ein schweigsamer Bodyguard der bald den ersten Anschlag auf sie abwehren muss Doch wer steckt dahinter Korrupte Polizisten koterroristen oder gar der Geheimdienst Emma und Lemmer erkennen dass sie einer Verschw rung auf der Spur sind die tief in die Vergangenheit ihres zerrissenen Landes f hrt Rote Spur Es ist nur ein Ger cht ein islamistischer Anschlag in S dafrika Doch warum gelingt es dem Geheimdienst nicht Genaueres herauszufinden Warum f hrt die CIA schweres Gesch tz auf Deon Meyer legt hier einen aktuellen atemberaubenden Roman vor Eine Schmugglerin f hrt alle hinters Licht eine Agentin verliebt sich in den Falschen und ein Drogenboss geht ber Leichen Mittendrin der Bodyguard Lemmer f r den das Motto gilt Nicht ich suche rger der rger sucht mich *Icarus* Deon Meyer, 2016-10-11 A week before Christmas a young photographer discovers a plastic wrapped corpse amidst the sand dunes north of Cape Town It doesn t take long for the police to identify the body as that of Ernst Richter the tech whiz and founder of Alibi an internet service that provides unfaithful partners with sophisticated cover stories to hide their affairs Meanwhile Benny Griessel is called to the scene of a murder suicide involving a former colleague and 602 days of sobriety are undone on the spot He seems determined to drink away his career but the take no sass Major Mbali Kaleni now his boss wants Griessel on the Richter case The murder has already been the subject of fierce media speculation with questions swirling about the potential for motive could the perpetrator be one of the countless jilted spouses An aggrieved client Before the week is out an
