Michael Hall

Online Book Frankencrayon Michael Hall:

Frankencrayon Michael Hall, 2016-01-26 Ingenuity and surprise rule in this funny and colorful companion to *Red A Crayon's Story* written and illustrated by Michael Hall the New York Times bestselling creator of *My Heart Is Like a Zoo*. The crayons are ready to tell the thrilling tale of Frankencrayon. The costumes are made, the roles are cast, the pages are all set, but then disaster strikes. Someone has scribbled on the page. Hideous. Horrifying. The story can't go on. Try as they might, the crayons can't erase the scribble and this picture book must be canceled. Until the crayons playing the title role of Frankencrayon think of a solution that is. Michael Hall breaks borders and invites readers behind the scenes with his irresistible clever style and bold artwork. A book about seeing beauty in unexpected places and the magic of storytelling.

Swing Michael Hall, 2020-05-19 Recess. A swing set. An argument. A resolution. Michael Hall's transformative *Swing* is a celebration of friendship, joy, and kindness. Readers of all ages will look forward to seeing how four unlikely friends navigate their differences. A surprising and standout picture book from the acclaimed and bestselling creator of *Red A Crayon's Story* and *Perfect Square*. It's recess. Four letters O, V, E, and L race to the playground to claim the swings. In several pages of recess banter and bullying, one letter is told it's too round, one is from the wrong end of the alphabet, and one is a vowel and therefore not welcome. What does it take to save the day? Kindness and a heavenly and joyful swing. And what do the letters friends now because of their shared experience spell when they finally come back to Earth? LOVE. A story about sharing acceptance and kindness, this transcendent and colorful picture book will keep readers guessing while also introducing the letters of the alphabet. *Swing* is for anyone who loves to hop on a swing and fly to the sky. **A to Zoo** Rebecca L.

Thomas, 2018-06-21 Whether used for thematic story times, program and curriculum planning, readers advisory, or collection development, this updated edition of the well-known companion makes finding the right picture books for your library a breeze. Generations of savvy librarians and educators have relied on this detailed subject guide to children's picture books for all aspects of children's services, and this new edition does not disappoint. Covering more than 18,000 books published through 2017, it empowers users to identify current and classic titles on topics ranging from apples to zebras. Organized simply with a subject guide that categorizes subjects by theme and topic, and subject headings arranged alphabetically, this reference applies more than 1,200 intuitive, as opposed to formal catalog subject terms, to children's picture books, making it both a comprehensive and user-friendly resource that is accessible to parents and teachers as well as librarians. It can be used to identify titles to fill in gaps in library collections, to find books on particular topics for young readers, to help teachers locate titles to support lessons, or to design thematic programs and story times. Title and illustrator indexes, in addition to a bibliographic guide arranged alphabetically by author name, further extend access to titles.
