**Raising Multiracial Children** Farzana Nayani,2020-04-28 The essential guide to parenting multiracial and multiethnic children of all ages and learning to support and celebrate their multiracial identities In a world where people are more likely to proclaim color blindness than talk openly about race how can we truly value support and celebrate our kids identities How can we assess our own sense of Racial

Dialogue Readiness and develop a deeper understanding of the issues facing multiracial children today Raising Multiracial Children gives caregivers the tools for exploring race with their children offering practical guidance on how to initiate conversations consciously foster racial identity development discuss issues like microaggressions intersectionality and privilege and intentionally cultivate a sense of belonging It provides an overview of key issues and current topics relevant to raising multiracial children and offers strategies and developmentally appropriate milestones from infancy through adulthood The book ends with resources and references for further learning and exploration

Multicultural and Ethnic Children's Literature in the United States Donna L. Gilton, 2020-02-18 This edition of Multicultural and Ethnic Children's Literature in the United States addresses both quantitative and more qualitative changes in this field over the last decade Quantitative changes include more authors books and publishers book review sources booklists and awards organizations institutions and websites and criticism and other scholarship Qualitative changes include More support for new and emerging writers and illustrators Promotion of multicultural literature both in the U S and around the world as well as developments in global literature Developments in the literatures described throughout this book as well as in research supporting this literature The impact of technology Characteristics and activities of four adult audiences that use and promote multicultural children's literature and Changes in leaders and their organizations This is still a single reference source for busy and involved librarians teachers parents scholars publishers distributors and community leaders Most books on multicultural children's literature are written especially for teachers librarians and scholars They may be introductions to the literature selection tools teaching guides or very theoretical books on choosing evaluating and using these materials Multicultural and Ethnic Children's Literature in the United States focuses much more on the history of the development of this literature from the nineteenth century to the present day This book provides much more of a cultural and political context for the early development of this literature It emphasizes the self determining viewpoints and activities of diverse people as they produce materials for the young Multicultural and Ethnic Children's Literature describes organizations events activities and other contributions of diverse writers illustrators publishers researchers scholars librarians educators and parents It also describes trends in the research on the literature It elaborates more on ways in which diversity is still an issue in publishing companies and an extended list of related industries It describes related literature from outside of the U S and makes connections to traditional global literature Last Multicultural and Ethnic Children's Literature shows the impact of multiculturalism on education libraries and the mainstream culture in general While the other books on multiculturalism focus on how to find evaluate and use multicultural materials especially in schools and libraries this book is concerned over whether and how books are produced in the first place and how this material impact the broader society In many ways it supplements other books on multicultural children's literature

**Mixed-Race Superheroes** Sika A. Dagbovie-Mullins, Eric L. Berlatsky, 2021-04-16 Looking at such iconic heroes as Superman Spider Man and The Hulk alongside such lesser studied

characters as Valkyrie Dr Fate and Steven Universe the essays in this collection contend with the multitude of ways that mixed race identity has been represented in superhero comics films television and literature *Asian American Literature* Keith Lawrence, 2021-08-25 *Asian American Literature* An Encyclopedia for Students is an invaluable resource for students curious to know more about Asian North American writers texts and the issues and drives that motivate their writing This volume collects in one place a breadth of information about Asian American literary and cultural history as well as the authors and texts that best define it A dozen contextual essays introduce fundamental elements or subcategories of Asian American literature expanding on social and literary concerns or tensions that are familiar and relevant Essays include the origins and development of the term Asian American overviews of Asian American and Asian Canadian social and literary histories essays on Asian American identity gender issues and sexuality and discussions of Asian American rhetoric and children s literature More than 120 alphabetical entries round out the volume and cover important Asian North American authors Historical information is presented in clear and engaging ways and author entries emphasize biographical or textual details that are significant to contemporary young adults Special attention has been given to pioneering authors from the late 19th century through the early 1970s and to influential or well known contemporary authors especially those likely to be studied in high school or university classrooms **Biracial Families** Roudi Nazarinia Roy, Alethea Rollins, 2018-12-12 This interdisciplinary volume surveys the diverse experiences of biracial families both across and outside the black white binary The book examines the deep rooted social contexts that inform the lifespan of interracial families from dating and marriage through the stages of parenthood as well as families unique responses and realities Through a variety of structures and settings including blended and adoptive families contributors describe families strengths and resilience in meeting multiple personal and larger social challenges The intricacies of parenting and family development are also revealed as an ongoing learning process as parents and children construct identity culture and meaning Among the topics covered Social constitutionality of race in America some meanings for biracial multiracial families Interracial marriages historical and contemporary trends Racial socialization a developmental perspective Biracial families formed through adoption Diverse family structures within biracial families Racial identity choices context and consequences Addressing lingering gaps in the existing literature and highlighting areas for future study *Biracial Families* gives readers a fuller understanding of a growing and diversifying population Its depth and breadth of coverage makes the book an invaluable reference not only for practitioners and researchers but also for educators and interracial families across the spectrum *Mixed-Race Youth and Schooling* Sandra Winn Tutwiler, 2016-01-29 This timely in depth examination of the educational experiences and needs of mixed race children the fifth minority focuses on the four contexts that primarily influence learning and development the family school community and society at large The book provides foundational historical social political and psychological information about mixed race children and looks closely at their experiences in schools their identity formation and how

schools can be made more supportive of their development and learning needs Moving away from an essentialist discussion of mixed race children a wide variety of research is included Life and schooling experiences of mixed raced individuals are profiled throughout the text Rather than pigeonholing children into a neat box of descriptions or providing readymade prescriptions for educators Mixed Race Youth and Schooling offers information and encourages teachers to critically reflect on how it is relevant to and helpful in their teaching learning contexts

**Race and Colorism in Education** Carla Monroe, 2016-12-08 As one of the first scholarly books to focus on colorism in education this volume considers how connections between race and color may influence school based experiences Chapter authors question how variations in skin tone as well as related features such as hair texture and eye color complicate perspectives on race and they demonstrate how colorism is a form of discrimination that affects educational stakeholders especially students families and professionals across P 16 institutions This volume provides an outline of colorism s contemporary relevance within the United States and shares considerations for international dimensions that are linked to immigration refugee populations and Canada By situating colorism in an educational context this book offers suggestions for how educators may engage and confront this form of discrimination

**Critical Mixed Race Philosophy** Sabrina L. Hom, 2025-03-15 Critical Mixed Race Philosophy Rethinking Kinship and Identity reimagines mixed race studies arguing that commonplace and widely accepted ways of understanding mixedness are mired in outdated and essentialist assumptions about race biology and kinship Sabrina L Hom explores the intersection of race sex and sexuality and calls for a nuanced understanding of the

politics of mixed race Commonplace narratives treat mixedness as something new and transformative but it is neither as promising nor as fearful as it may seem Instead the author draws on rich mixed race histories both to make the case that mixedness has always been a part of the racial landscape and to argue for a more dynamic understanding of race that reflects how frequently ambiguous bodies are incorporated into racial logic Drawing on feminist and queer theory Critical Mixed Race Philosophy articulates a non essentialist conception of mixed race identity and kinship that asks us to rethink what it means to be mixed and where mixed people fit into racial politics [Racisms](#) Steve Garner,2017-03-06 Combining key theoretical perspectives with contemporary case studies this text will be invaluable in helping you to fully understand the complex issue of racism With clear definitions and practical examples this is a solid resource when seeking to examine the way in which racisms have become part of social practices and institutions Providing a clear and readable introduction to all of the key concepts theories and debates this fully revised new edition Includes new chapters on Ethnicity and Immigration Has 30 new boxed case studies with a more international focus Contains new learning features including further reading and questions for reflection Racisms is an ideal introduction for undergraduates studying race and ethnicity social divisions and stratification **Raising Biracial Children** Kerry Ann Rockquemore,Tracey A. Laszloffy,2005-11-10 As the multiracial population in the United States continues to rise new models for our understanding of mixed race children and how their conception of racial identity must be developed A wide divide between academics who research biracial identity and the everyday world of parents and practitioners who raise and deal with mixed race children exists This book aims to fill this gap by providing an extensive synthesis of the existing research in the field as well as a model for better understanding the unique process of racial identity development for mixed race children Raising Biracial Children provides parents educators social workers and anyone interested in multiracial issues with an accessible framework for understanding healthy mixed race identity development and to translate those findings into practical care giving strategies [Navigating Interracial Borders](#) Erica Chito Childs,2005-05-24 One of the best books written about interracial relationships to date Childs offers a sophisticated and insightful analysis of the social and ideological context of black white interracial relationships Heather Dalmage author Tripping on the Color Line A pioneering project that thoroughly analyzes interracial marriage in contemporary America Eduardo Bonilla Silva author of Racism without Racists Color Blind Racism and the Persistence of Racial Inequality in the United States Is love color blind or at least becoming increasingly so Today s popular rhetoric and evidence of more interracial couples than ever might suggest that it is But is it the idea of racially mixed relationships that we are growing to accept or is it the reality What is the actual experience of individuals in these partnerships as they navigate their way through public spheres and intermingle in small close knit communities In Navigating Interracial Borders Erica Chito Childs explores the social worlds of black white interracial couples and examines the ways that collective attitudes shape private relationships Drawing on personal accounts in depth interviews focus group responses and cultural

analysis of media sources she provides compelling evidence that sizable opposition still exists toward black white unions Disapproval is merely being expressed in more subtle color blind terms Childs reveals that frequently the same individuals who attest in surveys that they approve of interracial dating will also list various reasons why they and their families wouldn't and couldn't marry someone of another race Even college students who are heralded as racially tolerant and open minded do not view interracial couples as acceptable when those partnerships move beyond the point of casual dating Popular films Internet images and pornography also continue to reinforce the idea that sexual relations between blacks and whites are deviant Well researched candidly written and enriched with personal narratives Navigating Interracial Borders offers important new insights into the still fraught racial hierarchies of contemporary society in the United States **Nelson**
