Fivecoate,Andrea Kitta,2025 Whispers in the Echo Chamber Folklore and the Role of Conspiracy Theory in Contemporary Society makes the case that conspiracy theories are fundamentally a folklore genre akin to and often involving other belief narratives like rumor and legend The editors and contributors show that studying conspiracy theories using the tools of folkloristics is a fruitful and necessary analytical exercise The volume s three parts lay out folkloristic approaches to conspiracy theories ways folkloristics can help us understand how conspiracy theories are constructed and how the genre of conspiracy theories interacts with particular contemporary political contexts This timely volume complements studies from political science sociology psychology history and more while also crucially calling for the field of folklore studies to engage more assertively with conspiracy theories as a genre Focusing on modern iterations of sometimes quite ancient conspiracy motifs and themes the editors and contributors forcibly illustrate the crucial relevance of this prevalent and influential form of folklore in today s interconnected world Children's Writer's & Illustrator's Market 2017 Chuck Sambuchino,2016-10-19
