Geography

PURPOSE:

The goal of this lesson is to make children culturally aware of the differences all over the world. This lesson will give children the opportunity to learn about a different culture, and recognize and appreciate the similarities, and more importantly the differences. Children will be introduced to the many aspects of life in Mexico.

CONNECTION TO THE NATIONAL GEOGRAPHY STANDARDS:

1. Knows and understands how to use maps, globes and other graphical tools to acquire, process and report information. This is a very critical skill for children to learn in order to apply later on in life. Being able to read any type of map is an essential skill.
3. Knows how to analyze spatial organization. The students need to be able to relate to subjects that are not tangible and always able to be seen.
4. Knows and understands the physical and human characteristics of places. Students have to be able to develop an appreciation for those places and people other than their own. It is important to give them the knowledge of foreign cultures and places in order for them to be more understanding.
6. Knows and understands that culture and experience influence people's perceptions of places and experiences. This skill will help students understand why there are differences in people and how they make everyone special. They will be able to compare their own similar events to those of another culture.
10. Knows and understands the complexity of earth's cultural mosaic. The students will be able to learn about another culture and country that adds to the world's cultural mosaic. The more parts that are added to their information the more aware they will be of the differences within the world.
17. Knows and understands how to apply geography to the past. The students will study the Aztec and Mexican religion in order to understand some of the customs and religious practices in Mexico.
18. Knows how to apply geography to interpret the present and the future. By studying the history of the many areas of the country the students will have a better understanding of the
