I'll Get Back to You Becca

Grischow, 2024-09-17 Full of humor and tenderness a cozy sexy romance Ashley Herring Blake author of Delilah Green Doesn t Care A charming home run of a queer holiday romance where two former classmates plan to fake date their way to freedom goes immediately awry but perhaps exactly the way they need it to Murphy was supposed to be settling into her junior year at the University of Illinois with her best friend Kat Instead she s stuck in a hellish suburban holding pattern living with her parents failing the same class that kept her from graduating the first time around and making minimum wage at the same coffee shop she s worked at since she was sixteen It doesn t help that the dating pool for a twenty one year old lesbian in the tiny town of Geneva Illinois is anemic at best When her and Kat s long awaited reunion is plagued by stuttering conversation

and uninvited guests Murphy's resentment threatens to boil over That is until a miracle appears in the form of Ellie Meyers a former classmate who is way cuter and not nearly as straight as Murphy remembers Their heavy flirting holds the promise of something more until Murphy learns that Ellie's mom is the very professor preparing to flunk Murphy for a second semester in a row Talk about killing the vibe Romance might be off the table but Ellie could be Murphy's key to getting into Professor Meyers good graces and finally getting out of Geneva And Murphy well versed in defying parental expectations might be Ellie's chance to get her mother onboard with her own dreams Together they hatch a plot fake a relationship for a holiday weekend at the Meyers house If everything goes according to plan Ellie will be living her dream halfway across the country and Murphy will finally be able to graduate community college and start her life in earnest So the fact that Murphy can't stop thinking about Ellie's lips on hers isn't relevant It's just a part played well Right A story about opening your heart to possibility I'll Get Back To You is a giddy love letter to anyone in need of a bit of bravery to step up to the plate and to the unending process of finding yourself
