

Mi Lucha

Mein Kampf

La antigua **obstinación** se imponía, y con ella la persistencia en la realización de mi **objetivo**. Quería ser **arquitecto**, y como las dificultades no se dan para capitular ante ellas, sino para ser vencidas, mi propósito fue superarlas, teniendo presente el ejemplo de mi padre que, de humilde muchacho aldeano, lograra hacerse un día funcionario del **Estado**. Las circunstancias me eran desde luego más propicias, y lo que entonces me pareciera una jugada del **Destino**, lo considero hoy una sabiduría de la **Providencia**. En brazos de la "Diosa Misericordia" y amenazado más de una vez de verme obligado a claudicar, creció mi **voluntad** para resistir, hasta que triunfó. Debo a aquellos tiempos mi dura resistencia de hoy y la **inflexibilidad** de mi carácter. Pero más que todo, doy todavía mayor valor al hecho de que aquellos años me sacaran de la vacuidad de una vida cómoda para arrojarme al mundo de la miseria y de la pobreza, donde debí conocer a aquellos por quienes lucharía después. En aquella época debí también abrir los ojos frente a dos **peligros** que antes apenas si los conocía de nombre, y que nunca pude pensar que llegasen a tener tan espeluznante trascendencia para la vida del **pueblo alemán**: el **MARXISMO** y el **JUDAÍSMO**.

Protestant Digest, 1940 Many articles reprinted from other sources The King of Adobe Lorena Oropeza, 2019-08-13 In 1967 Reies López Tijerina led an armed takeover of a New Mexico courthouse in the name of land rights for disenfranchised Spanish speaking locals The small scale raid surprisingly thrust Tijerina and his cause into the national spotlight catalyzing an entire generation of activists The actions of Tijerina and his group the Alianza Federal de Mercedes the Federal Alliance of Land Grants demanded that Americans attend to an overlooked part of the country's history the United States was an aggressive empire that had conquered and colonized the Southwest and subsequently wrenched land away from border people Mexicans and Native Americans alike To many young Mexican American activists at the time

Tijerina and the Alianza offered a compelling and militant alternative to the nonviolence of Cesar Chavez and Martin Luther King Jr. Tijerina's place at the table among the nation's leading civil rights activists was short lived but his analysis of land dispossession and his prophetic zeal for the rights of his people was essential to the creation of the Chicano movement. This fascinating full biography of Tijerina 1926-2015 offers a fresh and unvarnished look at one of the most controversial, criticized and misunderstood activists of the civil rights era. Basing her work on painstaking archival research and new interviews with key participants in Tijerina's life and career, Lorena Oropeza traces the origins of Tijerina's revelatory historical analysis to the years he spent as a Pentecostal preacher and his hidden past as a self-proclaimed prophet of God. Confronting allegations of anti-Semitism and accusations of sexual abuse as well as evidence of extreme religiosity and possible mental illness, Oropeza's narrative captures the life of a man alternately mesmerizing and repellant who changed our understanding of the American West and the place of Latinos in the fabric of American struggles for equality and self-determination. **Subject**

Headings for School and Public Libraries Joanna F. Fountain, 2012-01-16 For public and school libraries, this resource reflects recent changes in Library of Congress subject headings and authority files and provides bilingual information essential to reference librarians and catalogers serving Spanish speakers. Libraries must provide better access to their collections for all users, including Spanish language materials. The American Library Association has recognized this increasing need. **Subject Headings for School and Public Libraries Bilingual Fourth Edition** is the only resource available that provides both authorized and reference entries in English and Spanish. A first check source for the most frequently used headings needed in school and public libraries, this book incorporates thousands of new and revised entries to assist in applying LCSH and CSH headings. Of the approximately 30,000 headings listed, most include cross references, and all of the cross reference terms are translated. MARC21 tags are included for all authorized entries to simplify entering them into computerized catalogs, while indexes to all headings and free-floating subdivisions are provided in translation from Spanish to English. This book gives librarians access to accurate translations of the subject terms printed in books published and cataloged in English-speaking countries, invaluable information in settings with Spanish-speaking patrons. **Singular and**
