Of Mice and Men Viewing Guide:

Please answer on a separate sheet of paper

Differences between novels and films:

Novel	Film
Linguistic = words	Visual = images
Conceptual	Perceptual
Raw material = written words	Raw material = recorded images and sounds
One author	Collaborative

I. **Vocabulary**

a. *Flashback*: alteration in story order in which the plot moves back in time to show events that have taken place earlier than those already shown.

b. *Close-up*: a framing in which the scale of the object shown is relatively large. Most commonly, a person's head is seen from the neck up or an object fills most of the screen.

c. *Depth of Field*: the area or field between the closest and farthest planes captured by the camera in which everything appears in sharp focus.

d. *Establishing Shot*: a shot that shows the relationship among important figures, objects, characters, and setting at a distance. The film then cuts to more detailed shots that bring the audience closer to the characters.

e. *Point of View (POV)*: a shot taken from the position of a character's eyes. It shows the viewer what things look like from the character's position.

f. *Wide Angle*: the use of a wide-angle lens to create a shot that captures a wide range of elements.

g. *Crosscutting*: editing that alternates shots of two or more lines of action occurring in different places. It is often used during dramatic sequences to increase tension.

II. **Cast and Crew**

Unlike the novel, Of Mice and Men, which was essentially created by one man (John Steinbeck), the film version is a collaborative effort. Each person on screen and behind the scenes influences the overall film.

a. Who wrote the screenplay?

b. Who is the director?

c. Who plays George?

d. Do you think this was good casting? What is different about the looks and behavior of the actor from what you had imagined?

e. Who plays Lennie?

f. Does the actor portray Lennie differently from what you had imagined while reading? Does the actor bring anything new to the character that emphasizes a characteristic?
