Michelangelo A Life In Six Masterpieces:

Michelangelo Miles Unger, 2014-07-22 The life of Michelangelo told through the stories of six of his masterpieces Michelangelo in the New Millennium Tamara Smithers, 2016-03-11 Michelangelo in the New Millennium presents six paired studies in dialogue with each other that offer new ways of looking at Michelangelo's art as a series of social creative and emotional exchanges where artistic intention remains flexible probe deeper into the artist's formal borrowing and how it affects meaning regarding his early religious works and consider the making and significance of his late papal painting projects commissioned by Paul III and Paul IV for chapels at the Vatican Palace Contributors are William E Wallace Joost Keizer Eric R Hupe Emily Fenichel Jonathan Kline Erin Sutherland Minter Margaret Kuntz Tamara Smithers and Marcia B Michelangelo Miles J. Unger, 2015-07-21 Among the immortals Leonardo Rembrandt Picasso Michelangelo stands Hall alone as a master of painting sculpture and architecture He was not only the greatest artist in an age of giants but a man who reinvented the practice of art itself Throughout his long career he clashed with patrons by insisting that he had no master but his own demanding muse and promoting the novel idea that it was the artist rather than the lord who paid for it who was creative force behind the work This is the life of perhaps the most famous most revolutionary artist in history told through the stories of six of his magnificent masterpieces Bad Blood Clayton Schuster, 2019-05-28 Why is there so much bad blood involved in the stories of artists and their artworks Immerse yourself in 18 infamous artistic rivalries dramatized with gripping moments of narrative to understand how the rivalries that art fans love to gossip about serve a larger purpose in the way cultures approach the idea of art and the artist Why did Michelangelo loathe Raphael for decades after the latter had died How did Pablo Picasso and Henri Matisse balance their perpetual competition with a lifelong friendship What transgression pitted the notorious titans of the London graffiti scene Banksy and King Robbo in a rivalry that ended with a tragic and unforeseeable death An investigative journey transforms some of the big names of the art world into real people often grumpy ornery antagonistic and flawed and better reveals how all of us respond to art The Legends of the **Modern** Didier Maleuvre, 2019-11-28 What made art modern What is modern art The Legends of the Modern demystifies the ideas and legends that have shaped our appreciation of modern art and literature Beginning with an examination of the early modern artists Shakespeare Michelangelo and Cervantes Didier Maleuvre demonstrates how many of the foundational works of modern culture were born not from the legendry of expressive freedom originality creativity subversion or spiritual profundity but out of unease with these ideas This ambivalence toward the modern has lain at the heart of artistic modernity from the late Renaissance onward and the arts have since then shown both exhilaration and disappointment with their own creative power The Legends of the Modern lays bare the many contradictions that pull at the fabric of modernity and demonstrates that modern art s dissatisfaction with modernity is in fact a vital facet of this cultural period Secretly and **Often** Victor Thomas, 2021-01-05 Prayer is the most essential gift for Christians because it s the path to an intimate

relationship with God Without the practice of a prayerful living how do you find your moral compass In Secretly and Often author Victor Thomas unpacks why you need to pray and discusses the different forms of prayer to enrich your experiences of talking with God In this guide Thomas encourages you to rethink what it is to talk to the creator and he underscores how prayer is more than rattling off desperate petitions in times of crisis As he discusses the different forms of prayer petition and supplication praise thanksgiving confession and penitence he answers a host of questions including Why is intercession so important How does giving thanks transform your prayer life Why does perspective influence petition Secretly and Often shares the message that intimacy with God is always first and foremost It serves as the base for all the activity that takes place in the life of Christianity Prayer is the only road to intimacy with God William Blake's Divine Love Joshua Schouten de Jel, 2024-03-15 Despite the fact that William Blake summarises the plot of Visions of the Daughters of Albion 1793 in just eight lines in the prefatory Argument there are several contentious moments in the poem which continue to cause debate Critics read Oothoon's call to Theotormon's eagles and her offer to catch girls of silver and gold as either evidence of her rape damaged psyche or confirmation of her selfless love which transcends her socio sexual state How do we reconcile the attack of Theotormon's eagles and the wanton play of the girls with Oothoon's articulate and highly sophisticated expressions of spiritual truth and free love In William Blake's Divine Love Visions of Oothoon Joshua Schouten de Jel explores the hermeneutical possibilities of Oothoon's self annihilation and the epistemological potential of her visual copulation by establishing an artistic and hagiographical heritage which informs the pictorial representation and poetic pronunciation of Oothoon's enlightened entelectry Working with Michelangelo's The Punishment of Tityus 1532 and Gian Lorenzo Bernini's Ecstasy of Saint Teresa 1647 51 Oothoon's ecstatic figuration reflects two iconographic traditions which framed by the linguistic tropes of divine love expressed within a female centred mystagogy reveal the soteriological significance of Oothoon s willing self sacrifice Cellini's Perseus and Medusa and the Loggia dei Lanzi Christine Corretti, 2015-05-19 Benvenuto Cellini s Perseus and Medusa one of Renaissance Italy s most complex sculptures is the subject of this study which proposes that the statue s androgynous appearance is paradoxical Symbolizing the male ruler overcoming a female adversary the Perseus legitimizes patriarchal power but the physical similarity between Cellini's characters suggests the hero rose through female agency Dr Corretti argues that although not a surrogate for powerful Medici women Cellini s Medusa may have reminded viewers that Cosimo I de Medici s power stemmed in part from maternal influence Drawing upon a vast body of art and literature Dr Corretti concludes that Cellini and his contemporaries knew the Gorgon as a version of the Earth The Disruption Continuum Alexander Manu, 2025-08-14 The Mother whose image is found in art for Medici women Disruption Continuum explores the profound and ongoing forces that drive societal transformation in our era of relentless technological change Examining pivotal historical moments reveals that disruption is not a one time occurrence caused by a disruptor event or technology but a continuous evolving process Picasso and the Painting That Shocked the World

Miles J. Unger, 2019-03-26 One of The Christian Science Monitor's Best Nonfiction Books of 2018 An engrossing read a historically and psychologically rich account of the young Picasso and his coteries in Barcelona and Paris The Washington Post and how he achieved his breakthrough and revolutionized modern art through his masterpiece Les Demoiselles d Avignon In 1900 eighteen year old Pablo Picasso journeyed from Barcelona to Paris the glittering capital of the art world For the next several years he endured poverty and neglect before emerging as the leader of a bohemian band of painters sculptors and poets Here he met his first true love and enjoyed his first taste of fame Decades later Picasso would look back on these years as the happiest of his long life Recognition came first from the avant garde then from daring collectors like Leo and Gertrude Stein In 1907 Picasso began the vast disturbing masterpiece known as Les Demoiselles d Avignon Inspired by the painting of Paul C zanne and the inventions of African and tribal sculpture Picasso created a work that captured the disorienting experience of modernity itself The painting proved so shocking that even his friends assumed he d gone mad but over the months and years it exerted an ever greater fascination on the most advanced painters and sculptors ultimately laying the foundation for the most innovative century in the history of art In Picasso and the Painting That Shocked the World Miles J Unger combines the personal story of Picasso's early years in Paris his friendships his romances his great ambition his fears with the larger story of modernism and the avant garde The Christian Science Monitor This is the story of an artistic genius with a singular creative gift It is riveting This engrossing book chronicles with precision and enthusiasm a painting with lasting impact in today s art world Publishers Weekly starred review all of it played out against the backdrop of the Connecting the Dots in World History, A Teacher's Literacy-Based Curriculum Chris world s most captivating city Edwards, 2015-10-16 In his previously written articles and books Chris Edwards has argued that teaching should be considered a field that is separate from both the field of education and from the content area fields Teaching is a field which synthesizes content and method for classroom application All of the other major intellectual fields have a canon of works which practitioners can learn from and add to but teaching does not The Connecting the Dots in World History A Teacher's Literacy Based Curriculum series changes this by showing how effective a teacher generated curriculum can be These books can inspire other teachers to create their own curricula and inspire a change in the way that the public views teachers and teaching A Fire in His Soul Miles J. Unger, 2025-03-04 The fascinating story of Vincent van Gogh s two groundbreaking years in Paris where he transformed himself from a provincial unknown into one of the world's great visionary artists Vincent Van Gogh arrived in the French capital on the last day of February 1886 a month short of his thirty third birthday He was a man beaten down by life half starved and nearly broken psychologically He was saved by his brother Theo who provided him with room board and most crucially emotional support while he attempted to master the difficult craft of painting Thus far Vincent's crude scenes of peasant life rendered in murky shades of brown and gray were both hackneyed and amateurish Theo a successful art dealer at a prestigious Parisian firm dismissed them as gloomy unappealing and worst of all

unmarketable By the time Vincent left Paris almost exactly two years later he d transformed himself into one of the most original artists of the age turning out works of hallucinatory intensity in vivid hues and stamped with his own distinctive personality A Fire in His Soul chronicles this remarkable transformation It s a tale filled with tragedy and triumph personal anguish and creative fulfillment as Vincent through sheer force of will reinvents himself as a painter of unparalleled expressive power Along the way the reader will discover an unfamiliar Van Gogh not the solitary genius of the popular imagination shunned by an uncomprehending world and conjuring masterpieces from the depths of his lonely soul In Paris he was at the center of a community of like minded seekers Here Van Gogh was able to engage in a lively dialogue with fellow artists almost as daring as he was expanding his notion of what art could and should be It was in the cafes and studios of Montmartre and in the grand galleries of the Louvre and Luxembourg that Van Gogh received his artistic education a crash course that at first disoriented him but ultimately sparked his creative breakthrough Working alongside such legendary figures as Gauguin Toulouse Lautrec Seurat and Signac he found his voice and launched an artistic revolution and Conflict in Medieval and Early Modern Worlds Natasha Hodgson, Amy Fuller, John McCallum, Nicholas Morton, 2020-12-27 This volume seeks to increase understanding of the origins ideology implementation impact and historiography of religion and conflict in the medieval and early modern periods. The chapters examine ideas about religion and conflict in the context of text and identity church and state civic environments marriage the parish heresy gender dialogues war and finance and Holy War The volume covers a wide chronological period and the contributors investigate relationships between religion and conflict from the seventh to eighteenth centuries ranging from Byzantium to post conquest Mexico Religious expressions of conflict at a localised level are explored including the use of language in legal and clerical contexts to influence social behaviours and the use of religion to legitimise the spiritual value of violence rationalising the enforcement of social rules The collection also examines spatial expressions of religious conflict both within urban environments and through travel and pilgrimage With both written and visual sources being explored this volume is the ideal resource for upper level undergraduates postgraduates and researchers of religion and military political social legal cultural or intellectual conflict in medieval and early modern worlds The Routledge International Handbook of Neuroaesthetics Martin Skov, Marcos Nadal, 2022-09-06 The Routledge International Handbook of Neuroaesthetics is an authoritative reference work that provides the reader with a wide ranging introduction to this exciting new scientific discipline The book brings together leading international academics to offer a well balanced overview of this burgeoning field while addressing two questions central to the field how the brain computes aesthetic appreciation for sensory objects and how art is created and experienced The editors Martin Skov and Marcos Nadal have compiled a neuroscientific physiological and psychological overview of the systems underlying the evaluation of sensory objects and aesthetic appreciation Covering a variety of art forms mediated by vision audition movement and language the handbook puts forward a critical review of the current research to explain how

and why perceptual and emotional processes are essential for art production. The work also unravels the interaction of art with expectations experience and knowledge and the modulation of artistic appreciation through social and contextual settings eventually bringing to light the potential of art to influence mental states health and well being The concepts are presented through research on the neural processes enabling artistic creativity artistic expertise and the evolution of symbolic cognition This handbook is a compelling read for anyone interested in making a first venture into this exciting new area of study and is best suited for students and researchers in the fields of neuroaesthetics perceptual learning and A History of Ambition in 50 Hoaxes Gale Eaton, 2016-09-06 What do the Trojan Horse Piltdown Man Keely Motor Company and Ponzi Scheme have in common They were all famous hoaxes carefully designed and bolstered with false evidence The con artists in this book pursued a variety of ambitions making money winning wars mocking authority finding fame trading an ordinary life for a glamorous one but they all chose the lowest fastest road to get there Every hoax is a curtain and behind it is a deceiver operating levers and smoke machines to make us see what is not there and miss what is As PT Barnum knew you can short circuit critical thinking in any century by telling people what they want to hear Most scams operate on a personal scale but some have shaped the balance of world power inspired explorers to sail uncharted seas derailed scientific progress or caused terrible massacres A HISTORY OF AMBITION IN 50 HOAXES guides us through a roque s gallery of hustlers liars swindlers imposters scammers pretenders and cheats In Gale Eaton s wide ranging synthesis the history of deception is a colorful tour with surprising insights behind every curtain Fountas Pinnell Level Z
