Jaroslav Abramow-Newerly,2024-11-08 This book lay almost half a century at the bottom of an old computer before it was published At the time it was considered politically inappropriate because it was too anti Russian It was written in America by two political migr s refugees from the communist part of the world who knew Russia as it really is and always has been even during World War II when it pretended to be a faithful ally of the United States American pilots crew members of a B 29 bomber are hit by anti aircraft fire during a reconnaissance flight over Japan They make an emergency landing in USSR territory It would seem that they are safe on the lands of an ally but the reality turned out to be frighteningly different

Although this book is historical fiction and its characters are invented they are woven into real historical events related to the Manhattan Project infiltrated from within by Soviet spies During Gorbachev s thaw Stalin was forgotten and Russia was to be an example and model of democracy from then on Even then this book was supposed to be a warning now it is allmost a wake up call Today s Russia waging a criminal aggressive war against Ukraine Russia of Vladimir Putin with its troll farms armed green men murdering disobedient citizens in labor camps poses an even greater threat to the entire free world **The**
