mother together with the knowledge and critique she has garnered through her studies. She offers insight on the core questions of motherhood: what it means to be a good mother, the role of mothers in the family and in society, and how motherhood has been redefined throughout time. Kinser examines how the changing world of motherhood fits into feminist activism and speculates on the future directions of these identities.

Matricentric Feminism: Theory, Activism, Practice. The 2nd Edition Andrea O'Reilly, 2021-04-04. The 2nd edition includes a new preface that considers how matricentric feminism in positioning mothering as a verb affords a gender neutral understanding of motherwork and allows for an appreciation of how motherwork is deeply gendered and how this may be challenged and changed through empowered mothering. The book argues that the category of mother is distinct from the category of woman and that many of the problems mothers face are specific to women's role and identity as mothers. Indeed, mothers are oppressed under patriarchy as women and as mothers. Consequently, mothers need a feminism of their own—one that positions mothers' concerns as the starting point for a theory and politics of empowerment. O'Reilly terms this new mode of feminism matricentric feminism, and the book explores how it is represented and experienced in theory, activism, and practice.

homesites with their parents who may be fans themselves Yet as Anita Clair Fellman shows there is even more to this magical series with its clear emotional appeal a covert political message that made many readers comfortable with the resurgence of conservatism in the Reagan years and beyond In *Little House Long Shadow* a leading Wilder scholar offers a fresh interpretation of the Little House books that examines how this beloved body of children s literature found its way into many facets of our culture and consciousness even influencing the responsiveness of Americans to particular political views Because both Wilder and her daughter Rose Wilder Lane opposed the New Deal programs being implemented during the period in which they wrote their books reflect their use of family history as an argument against the state s protection of individuals from economic uncertainty Their writing emphasized the isolation of the Ingalls family and the family s resilience in the face of crises and consistently equated self sufficiency with family acceptance security and warmth Fellman argues that the popularity of these books abetted by Lane s overtly libertarian views helped lay the groundwork for a negative response to big government and a positive view of political individualism contributing to the acceptance of contemporary conservatism while perpetuating a mythic West Beyond tracing the emergence of this influence in the relationship between Wilder and her daughter Fellman explores the continuing presence of the books and their message in modern cultural institutions from classrooms to tourism newspaper editorials to Internet message boards *Little House Long Shadow* shows how ostensibly apolitical artifacts of popular culture can help explain shifts in political assumptions It is a pioneering look at the dissemination of books in our culture that expands the discussion of recent political transformations and suggests that sources other than political rhetoric have contributed to Americans renewed appreciation of individualist ideals [Theatre History Studies 2016, Vol. 35](#) Sara Freeman,2016-12-06 Rosemarie K Bank and Michal Kobiak eds *Theatre Performance Historiography Time Space Matter* Reviewed by Danny Devlin *From Happy Homemaker to Desperate Housewives* Rebecca Feasey,2012-11-01 *From Happy Homemaker to Desperate Housewives* Motherhood and Popular Television is a comprehensive and accessible introduction to key debates concerning the representations of motherhood motherwork and the maternal role in contemporary television programming The volume looks at the construction of motherhood in the ostensibly female genre of soap opera the mother as housewife in the domestic situation comedy deviant desiring and delinquent motherwork in the teen drama the single working mother in the contemporary dramedy the fragile and failing mother of reality parenting television the serene and selfless celebrity motherhood profile and the new mother in reality pregnancy and childbirth television *Motherhood and Popular Television* examines the depiction of motherhood in this wide range of popular television genres in order to illustrate how the maternal role is being constructed circulated and interrogated in contemporary factual and fictional programming paying particular attention to the ways in which such images can be seen to challenge or conform to the ideal image of the good mother that dominates the contemporary cultural landscape **The Online World of Surrogacy** Zsuzsa Berend,2016-09-01 Zsuzsa Berend presents a methodologically

Embodying the Problem Jenna Vinson, 2017-12-11 The dominant narrative of teen pregnancy persuades many people to believe that a teenage pregnancy always leads to devastating consequences for a young woman her child and the nation in which they reside Jenna Vinson draws on feminist and rhetorical theory to explore how pregnant and mothering teens are represented as problems in U S newspapers political discourses and teenage pregnancy prevention campaigns since the 1970s Vinson shows that these representations prevent a focus on the underlying structures of inequality and poverty perpetuate harmful discourses about women and sustain racialized gender ideologies that construct women s bodies as sites of national intervention and control Embodying the Problem also explores how young mothers resist this narrative Analyzing fifty narratives written by young mothers the recent NoTeenShame social media campaign and her interviews with thirty three young women Vinson argues that while the stigmatization of teenage pregnancy and motherhood does dehumanize young pregnant and mothering women it is at the same time a means for these women to secure an audience for their own messages More information on the author s website <https://jennavinson.com>
