Identity Baruti K. Kafele, 2023-05-05 Baruti K Kafele a champion for assistant principals offers stories from his own leadership practice and thought provoking advice for being effective in the role The job of a school leader is more challenging and important than ever To be effective administrators need to support their students and staff but they also need to take care of themselves Bestselling author Baruti K Kafele brings this motivational message to the pivotal members of the leadership team who are too often overlooked assistant principals Kafele explains that even as assistant principals gain knowledge and build their leadership identity their leadership values and skills can be compromised or lost without intentional care Along with stories from his own years as a transformational school leader Kafele offers assistant principals 35 thought provoking questions for reflection and conversation centered on the idea of protection from How am I protecting my leadership purpose to How am I protecting my leadership optimism and How am I protecting my leadership integrity Whether you are a new or experienced assistant principal this insightful book will help you hold a mirror up to your own practice and more effectively navigate your powerful role in improving outcomes for students and schools What Is My Value Instructionally to the Teachers I Supervise? Baruti K. Kafele, 2024-12 Baruti K Kafele offers stories and strategies to help administrators focus on the instructional side of leadership to improve teacher pedagogy and enable student achievement to soar **Closing the Attitude Gap** Baruti Kafele, 2013-08-12 In this inspiring and thought provoking follow up to his 2009 best seller Motivating Black Males to Achieve in School and in Life Baruti Kafele makes the case that the attitude gap that often affects underperforming students can only be closed if educators first help students develop the will to strive for excellence According to Kafele educators can achieve remarkable results by focusing on five key areas The teacher's attitude toward students The teacher's relationship with students The teacher's compassion for students The learning environment The cultural relevance of instruction Replete with practical strategies and illustrative anecdotes drawn from the author's 20 plus years as a teacher and principal in inner city schools Closing the Attitude Gap offers a wealth of lessons and valuable insights that educators at all levels can use to fire up their students passion to learn Creating the Opportunity to Learn A. Wade Boykin, Pedro Noguera, 2011-09-08 Unless we believe that those who have more are inherently

superior to those who have less we should be troubled by the fact that patterns of achievement are often fairly predictable particularly with respect to students race and class In *Creating the Opportunity to Learn* Wade Boykin and Pedro Noguera help navigate the turbid waters of evidence based methodologies and chart a course toward closing and eliminating the academic achievement gap Turning a critical eye to current and recent research the authors present a comprehensive view of the achievement gap and advocate for strategies that contribute to the success of all children Boykin and Noguera maintain that it is possible to close the achievement gap by abandoning failed strategies learning from successful schools and simply doing more of what the research shows is most effective Success is founded on equity but equity involves more than simply ensuring students have equal access to education equity also entails a focus on outcomes and results If we want to bring about significant improvements in those outcomes we have to do more to address the context in which learning takes place In short we must create schools where a child's race or class is no longer a predictor for how well he or she might perform

Using Understanding by Design in the Culturally and Linguistically Diverse Classroom Amy J. Heineke, Jay McTighe, 2018-07-11 How can today's teachers whose classrooms are more culturally and linguistically diverse than ever before ensure that their students achieve at high levels How can they design units and lessons that support English learners in language development and content learning simultaneously Authors Amy Heineke and Jay McTighe provide the answers by adding a lens on language to the widely used Understanding by Design framework UbD framework for curriculum design which emphasizes teaching for understanding not rote memorization Readers will learn the components of the UbD framework the fundamentals of language and language development how to use diversity as a valuable resource for instruction by gathering information about students background knowledge from home community and school how to design units and lessons that integrate language development with content learning in the form of essential knowledge and skills and how to assess in ways that enable language learners to reveal their academic knowledge Student profiles real life classroom scenarios and sample units and lessons provide compelling examples of how teachers in all grade levels and content areas use the UbD framework in their culturally and linguistically diverse classrooms Combining these practical examples with findings from an extensive research base the authors deliver a useful and authoritative guide for reaching the overarching goal ensuring that all students have equitable access to high quality curriculum and instruction

Create Success! Kadir Rajagopal, 2011 For far too long disadvantaged students in urban environments have believed the fallacy that academic success is unattainable Why The unfortunate answer is that too many urban school systems preemptively declare underperforming students to be failures a practice that fosters dysfunctional classrooms that fail to motivate engage and inspire students to succeed In *Create Success* Kadir Rajagopal affectionately known as Dr Raja to his students outlines his no holds barred approach to teaching urban students Through his CREATE model of instruction students are held accountable for their own learning taught at an appropriate level and in familiar language and imbued with the sense that learning and personal achievement are qualities of which they should be proud not ashamed Dr Raja's CREATE model also places an emphasis on the active participation of teachers parents caregivers and coaches in each student's success Resulting in unprecedented success among students previously dismissed as lost causes and academic failures the CREATE model has demonstrated that it is indeed possible to close the achievement gap even in the most difficult cases Rajagopal has also shown that his model can be replicated in any classroom by a teacher who is willing to assume responsibility for each student's success hold students accountable embrace culturally responsive instruction and vigorously work on behalf of all students Filled with personal insights and battle tested strategies that promote student achievement *Create Success* is a pioneering approach to urban education from a 2011 California Teacher of the Year

The Innocent Classroom Alexs

Pate,2020-08-17 When children of color enter their classrooms each year many often encounter low expectations disconnection and other barriers to their success In *The Innocent Classroom* Alexs Pate traces the roots of these disparities to pervasive negative stereotypes which children are made aware of before they even walk through the school door The cumulative weight of these stereotypes eventually takes shape as guilt which inhibits students engagement learning and relationships and hurts their prospects for the future If guilt is the primary barrier for children of color in the classroom then the solution according to Pate is to create an Innocent Classroom that neutralizes students guilt and restores their innocence To do so readers will embark on a relationship construction project in which they will deepen their understanding of how children of color are burdened with guilt discover students good or the motivation behind their behaviors and develop strategic responses to that good and nurture protect and advocate for students innocence Ultimately students will reclaim their innocence and begin to make choices that will lead to their success Teachers will renew their commitment to their students And the current ineffective system can give way to one that reflects a more enlightened understanding of who our children are and what they are capable of **General and Special Education Inclusion in an Age of Change** Jeffrey P.
