Old Soldiers Never Die:

Old Soldiers Never Die Don Bendell, 2024-09-17 Fanatical terrorists have planted a backpack nuclear bomb at one of America's popular tourist attractions intending to kill many innocent people. However, one arthritic old man stands in their way along with his beautiful passionate lover who is a surgeon, a moderate Muslim, police detective, lieutenant friend, and a courageous loyal German Shepherd. However, wanting to kill and behead the doctor are the very same extremists who planted the bomb, and they have been chasing her and the old man, a former Green Beret Vietnam War veteran, retired martial arts instructor, and best-selling author. They have chased the pair all over the forested mountains of southern Colorado and lakes and cities. The pair is also being pursued by a big law enforcement task force thinking they are cop killers, so they are trying to elude but protect the innocent but angry officers. One thing the terrorists did not think about was that the old man was also a real cowboy with a real horse, a real ranch, and real survival skills and lived by his own Code of the West. He was also being helped by a friend he had worked with before who happened to be the surgeon's father, a living legend in Special Forces and the CIA. Heading to the Mideast, he planned to cut the head off the snake because nobody was going to hurt his little girl.

Old Soldiers Never Die Raymond E. Laforest, 2012-05-01 The President must have lost his mind. You're 65 years old and just received a notice that you have been drafted. Senior citizens, men and women alike, are being drafted to serve in the Army. *Old Soldiers Never Die* is a hilarious story about a group of seniors and how they rebel against the Army and cause trouble for everyone all the way up to the President of the United States. The lead character Ken Johnson is in trouble beginning on the first day. He causes so many problems that he is thrown in jail and is called to testify before a Senate committee.

Old Soldiers Never Die Frank Richards, 1964 **Old Soldiers Never Die** Frank Richards, 2021-11-06T19:58:00Z The author had enlisted in 1901 in the Royal Welsh Fusiliers and was a reservist when the First World War broke out. He rejoined his old 2nd Battalion and landed in France with them on 11 August 1914. He went right through the war with the battalion, never missing a battle, winning the DCM and MM. Here is a typical soldier of the pre-1914 regular army, and this book is a delight written in his own unpolished manner. Fighting, scrounging, gambling, drinking, dodging, fatigues, stolidly enduring bombardment and the hardships of trench warfare, always getting his job done. This is one of the finest of all published memoirs of the Great War, truly a classic of its kind. A tribute to the army that died on the Western Front.

Old Soldiers Never Die Marlene R. Evans-Askew, 2021-11-19 Rev Wallace A. Evans is my grandfather who lived to be 100 years old. He was born August 22, 1884, and he died November 29, 1984. My grandfather was a man among men. I have come to realize he will live on in all of us. If I were to sum up his life in a song, it would be "I'm A Soldier in the Army of The Lord." It is an honor to be labeled a soldier in the Lord's army. It's an even greater honor if your journey lasts 100 years. His dedicated life has left a profound impartation upon mine. It has been a great pleasure and honor to write about him. Old soldiers, they don't die; they just fade away, is both a poetic and prophetic way to sum up my grandfather's inspiring life.

He received his first promotion in Manila and contracted malaria so severe the Army had to send him back to the United States. The city was a constant in a life without many others. He was by any measure an exceptional soldier.
