Wilson Eastman,2014-05-16 What do you believe about women s roles in church leadership Should women lead groups that include men Should women preach Should women be ordained More importantly why do you believe what you believe Plenty of books exist telling women what to think precious few help women think for themselves particularly about theological issues Women Leadership and the Bible helps women learn to interpret the Bible and discern for themselves answers to their questions about women s roles in the church along with any other issue they may face in life In straightforward plain language Dr Natalie Eastman introduces women to a five step easy to follow process for studying the Bible and interpreting what they study NOTE to designer if there is not enough space on the back cover then cut the following section in italics This book encourages women that they can think for themselves and can analyze significant theological issues despite any hesitations they may have any conflict surrounding an issue or any lack of theological training By the time readers finish this book they will have a biblically defensible theologically reasoned and thoroughly discerned understanding of what they believe Scripture says about women s roles and how that understanding could play out within the church No longer will they feel as though they have nothing to contribute when the subject of women s roles or any other of life s theological questions arises      *A Clear and Present Word* Mark D. Thompson,2006-07-21 A lack of confidence in the clarity or perspicuity of Scripture is apparent in Western Christianity In this New Studies in Biblical Theology volume Mark Thompson restates the doctrine of the clarity of Scripture He surveys past and present objections engages with contemporary hermeneutical challenges and expounds the living God as the Guarantor of his accessible written Word      *Bible Journey In Song, Rhyme, and Verse* D. Arlene Ermshar Soileau,2023-04-27      **Disability Studies and the Hebrew Bible** Jeremy Schipper,2009-04-01 This unique interdisciplinary book uses a fresh approach to explore issues of disability in the Hebrew Bible It examines how disability functions in the David Story 1 Samuel 16 1 Kings 2 by paying special attention to Mephibosheth the only biblical character with a disability as a sustained character trait The David Story contains some of the Bible s most striking images of disability Nonetheless interpreters tend to focus on legal material rather than narratives when studying disability in the Hebrew Bible Often they neglect the David Story s complex use of disability They overlook its use of disability imagery as open to critical interpretation because its stereotypical meanings may seem so commonplace and transparent Yet recent work in the burgeoning field of disability studies presents disability as a complicated motif that demands more critical engagement than it typically receives Informed by exciting developments in the field it argues that the David Story employs disability imagery as a subtle mode of narrating and organizing various ideological positions regarding national identity      **In Defense of**
