M.R. James, Henry Justice Ford, 2021-07-05 Old Testament Legends Illustrated by HJ Ford If you read the title page of this book you will see that it contains stories taken out of some of the less known apocryphal books of the Old Testament The word apocryphal is specially used in connection with the Bible Nearly all of these books have been at some time or another read in church and treated as Scripture Nearly all of them are now treated as Scripture by the Roman Church but not by most of the Protestant or Reformed Churches They are on the borderland of the Bible In this present book I am only concerned with the apocryphal stories with the prophecies and visions and psalms I have nothing to do I have now said

enough to show of what sort the tales are that are told in this booksome of them told for the first time in English They are not true but they are very old some of them I think are beautiful and all of them seem to me interesting Table of Contents 1

Legends M. R. James,2011-01-29 New Edition Large Print 15 point fontIf you read the title page of this book a thing which young persons very seldom do you will see that it the book contains stories taken out of some of the less known apocryphal books of the Old Testament You will very possibly not understand what that means but if you will read this preface another thing which young persons do even seldomer than they read a title page you will find the best explanation that I can give I have to begin by talking about the word apocryphal The newspapers are fond of saying that a statement made by the Prime Minister or the leader of the Opposition according to which side in politics the newspaper takes is apocryphal By this the newspaper means to say that the statement was untrue Or you will read that someone obtained money or goods by saying that he possessed large estates abroad and that the estates turned out to be apocryphal By this is meant that they did not exist But when you read of a book being apocryphal something rather different is meant either that it is spurious i e that it pretends to be written by someone who did not write it or that what is in it is fabulous and untrue like the stories of King Arthur or both Now this word apocryphal is specially used and perhaps most often used in connection with the Bible Probably you have at least heard of something called the Apocrypha even if you have not read it and even if you have mixed it up in your mind with another word Apocalypse which has nothing whatever to do with it Well what is the Apocrypha It is to be found in many Bibles bound up between the Old and the New Testaments It is a set of books looking just like the other books of the Bible with chapters and verses Some of it is read in church as weekday lessons in the months of October and November as you may see by looking at the Table of Lessons in any Prayer Book Now are all these books of the Apocrypha fabulous or spurious No Some of them are The Second Book of Esdras that is Ezra was not written by Ezra The Book of Baruch the companion of the prophet Jeremiah was not written by Baruch The Wisdom of Solomon was not written by

Solomon These and some others are spurious Also the books of Tobit and of Judith are fabulous stories On the other hand the book Ecclesiasticus was really written by Sirach who is mentioned in the Preface and The First Book of Maccabees is a true and valuable history Old Testament Legends M. R. 1862-1936 James, 2013-12
