life after losing the one woman he could truly love As Henry James said of George Eliot's *Middlemarch* The Seed Collectors is a treasurehouse of detail revealing all that it means to be connected to be part of a society to be part of the universe and to be human *Hastened to the Grave* Jack Olsen, 2025-06-25 They were a notorious gypsy family that seeped into their victims' lives like a deadly cancer And they couldn't be stopped until one courageous woman took on the cases no one else would touch THE VICTIMS Elderly well-to-do men and women who due to their failing health strength and faculties could be conned out of their fortunes by heinous neglect abuse and possibly even murder THE ACCUSED Several members of a ruthless family of Gypsies known for their cunning con games and remarkable ability to extract large sums of money from their unwitting pawns THE INVESTIGATOR Fay Faron a beautiful never say die PI determined to bring these culprits to justice even when the authorities turned a blind eye to the Gypsies' crimes time and time again In this shattering expose bestselling author Jack Olsen follows Fay Faron as she retraces every step of the Gypsy family and the crimes they stand accused of moving in on their helpless prey extorting money signing the fortunes of elderly millionaires into their own names and speeding up the death process with sadistic neglect slow poison and unspeakable cruelty Not since Peter Maas' *King of the Gypsies* has the world of Gypsy crime been exposed in such shocking detail and with more fascinating insight **Lost Dog** Bill Cameron, 2023-04-06 Peter McKrall is at a crossroads out of work fighting a klepto habit and trying to figure out his next move Life takes an unexpected turn when a search for his niece's stuffed dog leads him to something else entirely a bullet-riddled corpse Talking to reporters lands Peter on the local news which turns out to be a dangerous spotlight And now Darla the troubled daughter of the victim is reaching out to him but can she be trusted When a second murder takes place and evidence is planted in his trash the cops dredge up Peter's painful history The only ray of sunshine in this harrowing nightmare is Ruby Jane owner of the Uncommon Cup cafe whose warm smile and hot coffee melts the winter chill An unwitting player in a bizarre chain of events Peter has no idea that the deranged killer is after him until he takes a shot at Ruby Jane Set against the sodden backdrop of Portland Oregon *Lost Dog* tells of the intersection of one man's struggle against and another's embrace of powerful and self-destructive impulses **Going Monstering** Edward Lee, 2025-04-03 WHERE ARE WE GOING TONIGHT Behind the facade of the sedate sorority house unutterable horrors seethe while tumid desires rise All the while Ann White must become pervert fodder if she hopes to pass Pledge Week All too soon she finds that no act of lewdness is deemed too demeaning no manner of sexual degradation too foul For there is a secret festering in the bowels of Alpha House an ancient carnal evil whose stygian lust is too hideous to imagine and still stay sane As Ann literally dips herself into a cesspool of soul-soiling immorality the black revelation throbs closer and closer TONIGHT WE'RE GOING MONSTERING An unrelenting and irredeemable novel of gore and unmitigated black comedic horror *A Longing for Impossible Things* David Borofka, 2022-03-08 A powerful short story collection that charts the yearning inherent in imperfect lives Winner of the American Fiction Award for Short Story Fiction by the American Book Fest I'm a seeker the narrator of

My Life as a Mystic says A watcher of the skies A pilgrim and a wanderer I don't know I couldn't stand law school Such are the polar sentiments of the characters in the stories of David Borofka's A Longing for Impossible Things which charts the yearning inherent in imperfect lives Taking their cue from Fernando Pessoa's painful landscape of longing for the impossible the ministers and missionaries of Fire and Coincidence look for more than what they find in their respective theologies they reject what they've been told in favor of what they feel Meanwhile everyday believers fall back upon their own intuition and pray for revelation to be forthcoming Lovers are forced to recognize the finite limitations of their grand infatuations even as they hope for some small measure of long lasting tenderness while teenagers resign themselves to the inevitable disappointments of adult life recognizing the threats that exist in a future that is yet to unfold And as the narrator of Attachments for the Platonically Inclined says in the context of a 300 game in bowling I can't help but be reminded of perfection when perfection was difficult to find And impossible to hold onto Reminded that there are moments when everything works as it is supposed to a harmony beyond applause or appreciation from others
