magisterial account of how the cultural and maritime relationships between the British Dutch and American territories changed the existing world order and made the Industrial Revolution possible Between 1500 and 1800 the North Sea region overtook the Mediterranean as the most dynamic part of the world At its core the Anglo Dutch relationship intertwined close alliance and fierce antagonism to intense creative effect But a precondition for the Industrial Revolution was also the establishment in British North America of a unique type of colony for the settlement of people and culture rather than the extraction of things England s republican revolution of 1649 53 was a spectacular attempt to change social political and moral life in the direction pioneered by the Dutch In this wide angled and arresting book Jonathan Scott argues that it was also a turning point in world history In the revolution s wake competition with the Dutch transformed the military fiscal and naval resources of the state One result was a navally protected Anglo American trading monopoly Within this context more than a century later the Industrial Revolution would be triggered by the alchemical power of American shopping

**How the New World Became Old** Caroline Winterer, 2024-10 How the idea of deep time transformed how Americans see their country and themselves During the nineteenth century Americans were shocked to learn that the land beneath their feet had once been stalked by terrifying beasts T rex and Brontosaurus ruled the continent North America was home to saber toothed cats and woolly mammoths great herds of camels and hippos and sultry tropical forests now fossilized into massive coal seams How the New World Became Old tells the extraordinary story of how Americans discovered that the New World was not just old it was a place rooted in deep time In this panoramic book Caroline Winterer traces the history of an idea that today lies at the heart of the nation s identity as a place of primordial natural beauty Europeans called America the New World and literal readings of the Bible suggested that Earth was only six thousand years old Winterer takes readers from glacier capped peaks in Yosemite to Alabama slave plantations and canal works in upstate New York describing how naturalists explorers engineers and ordinary Americans unearthed a past they never suspected a history more ancient than anyone ever could have imagined Drawing on archival evidence ranging from unpublished field notes and letters to early stratigraphic diagrams How the New World Became Old reveals how the deep time revolution ushered in profound changes in science literature art and religion and how Americans came to realize that the New World might in fact be the oldest world of all

The Top Books of the Year Oldest In The World The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have captivated audiences this year. Oldest In The World : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Oldest In The World : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Oldest In The World : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
