Oliver and Jumpy, Stories 55-62 Werner Stejskal, 2015-12-07 Oliver and Jumpy are best of friends and experience many adventures together 76 pages Oliver is a black and white tomcat who is very self assured As a matter of fact he says I love myself quite often But his best friend Jumpy is aware that he is only putting up a front Oliver has a soft heart and will always want to help others Oliver loves to ride in Jumpy s pouch He calls her his kangaroo taxi There are lots of fairy tales and bedtime stories around and many of them are quite violent and unsuitable for young children This made Werner decide to write something different On a flight from Europe to Australia he watched the movie Magic on Belle Island with Morgan Freeman where Freeman teaches a little girl to have imagination and write to her first story This inspired Werner as well and the first stories of the series made their appearance This is the tenth book in the printed series combining Stories 55 62 Story 55 Flood Sillandia is flooded with a lot of rain Story 56 Lazy Squirrel A lazy squirrel is being educated Story 57 Unexpected Lory A naughty girl makes Oliver s life difficult The following stories are for older children who can read very well They are not picture book stories but rather illustrated stories Story 58 Down the well Oliver falls down a well and meets a frog Story 59 Finding the Story Have you ever wanted to write a story Story 60 Story writing How to write a story Story 61 What a laugh Oliver can t stop laughing Story 62 What s the time In Sillandia the clocks work differently These stories are beautifully illustrated and short enough as bedtime stories The text is NOT very simple picture book style but more demanding So while little children will enjoy the sometimes complex pictures and have a parent telling them the stories in his own words older children will do their own reading and use this book as a first reader Therefore I believe these books will attract children from a very early age until about eight years old Author Peter Frederick is writing about this series Here are books created by Werner Stejskal an author who has a wonderful sense of adaptability into the world of a child Movements sentiments expressions and ideas are being visualised that enthrall and win over the little reader Plus his terminology is perfectly matched to the mood of each self contained story The author also displays amazing sensitivity and is able to transport even adults back into long past childhood All good virtues are being emphasized like friendship loyalty determination and civility giving the fascinated reader the right signals for spiritual development The main characters Oliver and Jumpy are the masters of a variety of situations that draw the reader into the stories But one of the main reasons for the success of these children s books is the artwork The graphics outstandingly created by the artist have their hues and shapes completely adapted to the respective situation and so contribute to the emotional absorption of each picture Text and message sombre feelings and cheery situations are being created and masterly entertain the little readers One can only recommend this series of children s books to all adults who wish to keep their little ones occupied in a positive entertaining and learning environment **Cue** ,1970 **New York Magazine** ,1990-04-23 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the
