Illustrations Herman Melville, 2020-04-02. *Omoo: A Narrative of Adventures in the South Seas* is the second book by American writer Herman Melville, first published in London in 1847 and a sequel to his first South Sea narrative *Typee*, also based on the author's experiences in the South Pacific. After leaving the island of Nuku Hiva, the main character ships aboard a whaling vessel that makes its way to Tahiti, after which there is a mutiny and a third of the crew are imprisoned on Tahiti. In 1949, the novel was adapted into the exploitation film *Omoo Omoo the Shark God*. In the Preface to *Omoo*, Melville claimed the book was autobiographical, written from simple recollection of some of his experiences in the Pacific in the 1840s and strengthened by his retelling the story many times before family and friends. Yet a scholar working in the late 1930s discovered that Melville had not simply relied on his memory and went on to reveal a wealth of other sources he drew on in writing the book. Later, Melville scholar Harrison Hayford made a detailed study of these sources and in the introduction to a 1969 edition of *Omoo* summed up the author's practice, showing that this was a repetition of a process previously used in *Typee*. He had altered facts and dates, elaborated events, assimilated foreign materials, invented episodes, and dramatized the printed experiences of others as his own. He had not plagiarized merely for he had always rewritten and nearly always improved the passages he appropriated, first writing out the narrative based on his recollections and invention, then using source books to pad out the chapters he had already written and to supply the stuff of new chapters that he inserted at
