James Bond Klaus Dodds,Lisa Funnell,2023-12-20 Global James Bond Re Imagining and Transplanting a Popular Culture Icon focuses on the ambivalent yet fascinating interplay between the global and the local in the longest running film franchise in history It explores how James Bond established itself as a global standard for action spy film making and even as a minor global cinema i e imagining and hot the franchise subsequently inspired a series of genre bending blending and breaking in local visual and some literary contexts i e reimagining and transplanting The chapters in this collection consider how the world is envisaged in the official series and subsequently reinterpreted on local and regional levels and how investments with alternative meanings might run counter to the dominant representational and geo political logics of the novels and filmic texts Global James Bond is a starting point for further conversation and exchange over an extraordinary film franchise

For His Eyes Only Lisa Funnell,2015-10-20 The release of Skyfall in 2012 marked the fiftieth anniversary of the James Bond film franchise It earned over one billion dollars in the worldwide box office and won two Academy Awards Amid popular and critical acclaim some have questioned the representation of women in the film From an aging M to the limited role of the Bond Girl and the characterization of Miss Moneypenny as a defunct field agent Skyfall develops the legacy of Bond at the expense of women Since Casino Royale 2006 and its sequels Quantum of Solace 2008 and Skyfall constitute a reboot of the franchise it is time to question whether there is a place for women in the new world of James Bond and what role they will play in the future of series This volume answers these questions by examining the role that women have historically played in the franchise which greatly contributed to the international success of the films This academic study constitutes the first book length anthology on femininity and feminism in the Bond series It covers all twenty three Eon productions as well as the spoof Casino Royale 1967 considering a range of factors that have shaped the depiction of women in the franchise including female characterization in Ian Fleming s novels the vision of producer Albert R Broccoli and other creative personnel the influence of feminism and broader trends in British and American film and television The volume provides a timely look at women in the Bond franchise and offers new scholarly perspectives on the subject
