On Scope A Sniper Novel Kyle Swanson Sniper Novels 7:

On Scope Sgt. Jack Coughlin, Donald A. Davis, 2015-03-31 Spain is on the brink of economic collapse and European banks demand that any bailout be linked to harsh domestic changes. An alliance of Islamic bankers counters with a rescue package containing no conditions at all. The underlying goal to break the unity of Europe and put Madrid on the path back to Islamic rule. When the United States stridently opposes that deal, terrorists storm the American consulate in Barcelona and slaughter an entire six-man U.S. Marine security guard. Washington decides the time has come to change the rules of counterterrorism response and instead of going after the individual hired gunmen, it unleashes black operations team Task Force Trident to take down the high-ranking financiers known as the Group of Six who were really responsible for the slaughter. Gunnery Sergeant Kyle Swanson, one of the world's best snipers, and his beautiful sidekick Beth Ledford go on the attack, and bodies fall from Mallorca to Madrid. Meanwhile, Algerian mastermind Yanis Rebian puts pressure on Spain to decide before the Group of Six cracks while his killing machine son Djahid roams the United States murdering anyone his father deems a threat to the radical Islamic takeover scheme. Once Swanson's name is unearthed from secret files, Kyle and Djahid become hunter and prey. In *On Scope* by Jack Coughlin and Donald A. Davis, one shot will decide the future of Spain, NATO, and the European Union. This edition of the book is the deluxe tall rack mass market paperback.

In the Crosshairs Jack Coughlin, 2017-08 A former top-level Russian sniper who worked for the CIA goes rogue, and Kyle Swanson must stop him before undercover operations are exposed in an action-packed novel in this bestselling series.

Kill Zone Sgt. Jack Coughlin, Donald A. Davis, 2007-11-13 An American general is captured in the Middle East by terrorists who threaten to behead him within days. One strange fact moments before he is rendered unconscious during the attack: the general notices that his captors speak American English. What's going on? Gunnery Sgt. Kyle Swanson, a top Marine sniper, is vacationing on a yacht in the Mediterranean when he receives orders to mount a top-secret mission to rescue the general. But as the Marines prepare to land in the Syrian desert, they fall victim to a terrible accident. Swanson, the only survivor, then discovers they were also flying into an ambush. How did the enemy have details of a mission known only to a few top American government officials? Swanson takes off across the desert alone to find the captured general and realizes he is fighting a particularly ruthless and dangerous enemy: American mercenaries working for a very high-level group of U.S. officials with ties to the White House itself, part of a clandestine conspiracy whose hidden goal is nothing less than total control of the American military. Their sworn enemy is the captured general whose fate now rests in Swanson's hands. Filled with the kind of action that author Jack Coughlin lived during his career as a Marine sniper, *Kill Zone* marks the debut of an extraordinary new series.
