## **On The Ridge Between Life And Death A Climbing Life Reexamined:**

**On the Ridge Between Life and Death** David Roberts, 2006-09-07 One of the world's best known writers on mountaineering recalls his climbing career and reconsiders the cost of this most perilous sport [The American Adrenaline Narrative](#) Kristin J. Jacobson, 2020 1 DESIRING NATURES 2 CONQUERING NATURES 3 SPIRITUAL NATURES 4 EROTIC NATURES 5 RISKY NATURES 6 RESTORATIVE NATURES Appendix List of Contemporary American Adrenaline Narratives

*Pilgrims of the Vertical* Joseph E. Taylor, 2010-10-15 Few things suggest rugged individualism as powerfully as the solitary mountaineer testing his or her mettle in the rough country Yet the long history of wilderness sport complicates this image In this surprising story of the premier rock climbing venue in the United States *Pilgrims of the Vertical* offers insight into the nature of wilderness adventure From the founding era of mountain climbing in Victorian Europe to present day climbing gyms *Pilgrims of the Vertical* shows how ever changing alignments of nature technology gender sport and consumer culture have shaped climbers relations to nature and to each other Even in Yosemite Valley a premier site for sporting and environmental culture since the 1800s elite athletes cannot be entirely disentangled from the many men and women seeking recreation and camaraderie Following these climbers through time Joseph Taylor uncovers lessons about the relationship of individuals to groups sport to society and nature to culture He also shows how social and historical contexts influenced adventurers choices and experiences and why some became leading environmental activists including John Muir David Brower and Yvon Chouinard In a world in which wild nature is increasingly associated with play and virtuous play with environmental values *Pilgrims of the Vertical* explains when and how these ideas developed and why they became intimately linked to consumerism *Alone on the Ice: The Greatest Survival Story in the History of Exploration* David

Roberts, 2013-01-28 Gripping and superb This book will steal the night from you Laurence Gonzales author of *Deep Survival* On January 17 1913 alone and near starvation Douglas Mawson leader of the Australasian Antarctic Expedition was hauling a sledge to get back to base camp The dogs were gone Now Mawson himself plunged through a snow bridge dangling over an abyss by the sledge harness A line of poetry gave him the will to haul himself back to the surface Mawson was sometimes reduced to crawling and one night he discovered that the soles of his feet had completely detached from the flesh beneath On February 8 when he staggered back to base his features unrecognizably skeletal the first teammate to reach him blurted out Which one are you This thrilling and almost unbelievable account establishes Mawson in his rightful place as one of the greatest polar explorers and expedition leaders It is illustrated by a trove of Frank Hurley's famous Antarctic photographs many never before published in the United States [The Lost World of the Old Ones: Discoveries in the Ancient Southwest](#) David Roberts, 2015-04-13 An award winning author and veteran mountain climber takes us deep into the Southwest backcountry to uncover secrets of its ancient inhabitants In this thrilling story of intellectual and archaeological discovery David Roberts recounts his last twenty years of far flung exploits in search of spectacular prehistoric ruins and rock art

panels known to very few modern travelers His adventures range across Utah Arizona New Mexico and southwestern Colorado and illuminate the mysteries of the Ancestral Puebloans and their contemporary neighbors the Mogollon and Fremont as well as of the more recent Navajo and Comanche

*Limits of the Known* David Roberts, 2018-02-20 If you've run out of Saint Exupéry and miss the eloquent power of his work then you are ready to read David Roberts Laurence Gonzales author of *Deep Survival Who Lives Who Dies and Why* David Roberts has spent his career documenting voyages to the most extreme landscapes on earth In *Limits of the Known* he reflects on humanity's and his own relationship to exploration and extreme risk Part memoir and part history this book tries to make sense of why so many have committed their lives to the desperate pursuit of adventure What compelled Eric Shipton to return five times to the ridges of Mt Everest plotting the mountain's most treacherous territory years before Hillary and Tenzing's famous ascent What drove Bill Stone to dive 3 000 feet underground into North America's deepest cave And what is the future of adventure in a world we have mapped and trodden from end to end In the wake of his diagnosis with throat cancer Roberts seeks answers with new urgency and penetrating self analysis

**Into the Great Emptiness: Peril and Survival on the Greenland Ice Cap** David Roberts, 2022-12-13 A Library Journal Best Book of 2022 in Science and Technology A gripping saga and one of Roberts's finest books Jon Krakauer The riveting story of one of the greatest but least known sagas in the history of exploration By 1930 no place in the world was less well explored than Greenland The native Inuit had occupied the relatively accessible west coast for centuries The east coast however was another story In August 1930 Henry George Watkins nicknamed Gino a twenty three year old British explorer led thirteen scientists and explorers on an ambitious expedition to the east coast of Greenland and into its vast and forbidding interior to set up a permanent meteorological base on the icecap 8 200 feet above sea level The Ice Cap Station was to be the anchor of a transpolar route of air travel from Europe to North America The weather on the ice cap was appalling Fierce storms Temperatures plunging lower than 50 Fahrenheit in the winter Watkins's scheme called for rotating teams of two men each to monitor the station for two months at a time No one had ever tried to winter over in that hostile landscape let alone manage a weather station through twelve continuous months Watkins was younger than anyone under his command But he had several daring trips to the Arctic under his belt and no one doubted his judgement The first crisis came in the fall when a snowstorm stranded a resupply mission halfway to the top for many weeks When they arrived at the ice cap there were not enough provisions and fuel for another two man shift so the station would have to be abandoned Then team member August Courtauld made an astonishing offer To enable the mission to go forward he would monitor the station solo through the winter When a team went up in March to relieve Courtauld after weeks of brutal effort to make the 130 mile journey they could find no trace of him or the station By the end of March Courtauld's situation was desperate He was buried under an immovable load of frozen snow and was disastrously short on supplies On April 21 four months after Courtauld began his solitary vigil Gino Watkins set out inland with two companions to find and

rescue him David Roberts veteran mountain climber and chronicler of adventures Washington Post draws on firsthand accounts and archival materials to tell the story of this daring expedition and of the epic survival ordeal that ensued

Quicklet on David Roberts and Greg Child's Sandstone Spine: Seeking the Anasazi on the First Traverse of the Comb Ridge (CliffNotes-like Book Summary and Analysis) Nicole Silvester, 2012-07-30 ABOUT THE BOOK In this book I have chosen sometimes to be deliberately vague about the name and location of certain prehistoric ruins and rock art Such an ethic is by now in long use among writers photographers and guides who celebrate the Southwest A narrative of personal discovery should not serve as a treasure map Roberts and Child s book Sandstone Spine is an account of the expedition of three men along Comb Ridge a sandstone ridge resembling a miniature mountain range and running for nearly an hundred miles across Arizona and Utah This area is full of archaeological ruins primarily from various phases of the Anasazi people as well as more recent Navajo sites While the basic premise of the book is a recounting of Roberts Child s and their friend Vaughn Hadenfeldt s experiences during the arduous expedition along the length of the Ridge the structure and additional content of Sandstone Spine make it much more than simply an account of an hiking trip Interspersed between sections recounting the events of the hike are retellings of historical events significant to the area and information on both the current Navajo inhabitants and the prehistoric Anasazi people Roberts also includes geological and natural history information arranging all of this content into a fascinating mosaic of a book The book narrates how while searching for a new expedition author David Roberts and long time hiking and climbing partner Vaughn Hadenfeldt wondered whether or not anyone had ever hiked Comb Ridge from end to end in one trip As it seemed that no one had ever made a complete traverse of the Ridge the two friends decided to try it themselves and they both agreed that photographer and mutual friend Greg Child would be the perfect third party to join them on the expedition At ages 47 53 and 61 respectively at the time of their trip Child Hadenfeldt and Roberts had spent their lives making adventurous forays into some of the most inaccessible places on Earth Both Roberts and Child made good livings writing about their adventures while Hadenfeldt ran a business guiding hiking trips into the Utah canyonlands The level of expedition and adventure writing experience that Roberts and Child have ensures that their book includes interesting and relevant information for readers Roberts did considerable research after the trip to complement the daily journals he kept Sandstone Spine was published by The Mountaineers Books which also published some of Roberts other titles The publisher is a part of The Mountaineers Club a non profit dedicated to the exploration preservation and enjoyment of outdoor and wilderness areas In keeping with its publisher s philosophy Sandstone Spine is very much a book about enjoying the outdoors in a respectful and non destructive way EXCERPT FROM THE BOOK Over the years Greg Vaughn and I had found literally hundreds of Anasazi ruins in the backcountry Yet the thrill of coming upon a new one especially one so beautiful as this was undiminished Chapter One describes the preparations that Roberts Child and Hadenfeldt make for their expedition As the area they wish to traverse has unreliable water supplies the men

decide on a water caching system in which they visit key locations along the ridge by driving and day hiking and leave plastic bottles of water where they can easily find them again They also decide to arrange for another friend to meet them at certain dates at points where highways and road access penetrate the ridge so they won t have to pack a whole month s worth of food This will also allow them to swap out equipment if necessary Hiking the whole length of Comb Ridge also requires permits buy the book to continue reading **Brotherhood of the Rope** Bernadette McDonald,2007 The biography of Charles Houston M D famed for leading the heroic K2 expedition of 1953 and his pioneering research in high altitude medicine Drawn from extensive interviews with Houston and full access to his letters and personal journals Historic photos from Houston s Himalayan expeditions Peace Corps leadership in India pioneering high altitude medicine research and more Foreword by Bill Moyers introduction by Tom Hornbein *Warnings against Myself* David Stevenson,2016-03-01 From his youthful second ascent of the north ridge of Mount Kennedy in the Yukon s Saint Elias Range an in and out on skis for which he had not entirely learned how to ski to a recent excursion across the Harding Icefield conceived under the influence of rain and whiskey David Stevenson chronicles several decades of a life unified by a preoccupation with climbing Reflective and literary and also entertaining and funny his accounts move across the great climbing locations of the western United States with forays into the spires of the Alps and slip freely in time from the author s childhood when he could not wait to head west to his adulthood with a wife and two sons in which he still feels compelled by a longing to be on the heights

**BROTHERHOOD of the ROPE (Volume 1 of 2) (EasyRead Super Large 20pt Edition) , Climbing - Philosophy for Everyone** Stephen E. Schmid,2011-01-13 Climbing Philosophy for Everyone presents a collection of intellectually stimulating new essays that address the philosophical issues relating to risk ethics and other aspects of climbing that are of interest to everyone from novice climbers to seasoned mountaineers Represents the first collection of essays to exclusively address the many philosophical aspects of climbing Includes essays that challenge commonly accepted views of climbing and climbing ethics Written accessibly this book will appeal to everyone from novice climbers to seasoned mountaineers Includes a foreword written by Hans Florine Shortlisted for the Boardman Tasker Prize for Mountain Literature 2010 *People, Problems, and Proofs* Richard J. Lipton,Kenneth W. Regan,2013-12-11 People problems and proofs are the lifeblood of theoretical computer science Behind the computing devices and applications that have transformed our lives are clever algorithms and for every worthwhile algorithm there is a problem that it solves and a proof that it works Before this proof there was an open problem can one create an efficient algorithm to solve the computational problem And finally behind these questions are the people who are excited about these fundamental issues in our computational world In this book the authors draw on their outstanding research and teaching experience to showcase some key people and ideas in the domain of theoretical computer science particularly in computational complexity and algorithms and related mathematical topics They show evidence of the considerable scholarship that supports this young field and they

balance an impressive breadth of topics with the depth necessary to reveal the power and the relevance of the work described. Beyond this, the authors discuss the sustained effort of their community, revealing much about the culture of their field. A career in theoretical computer science at the top level is a vocation; the work is hard and, in addition to the obvious requirements such as intellect and training, the vignettes in this book demonstrate the importance of human factors such as personality, instinct, creativity, ambition, tenacity, and luck. The authors' style is characterized by personal observations, enthusiasm, and humor, and this book will be a source of inspiration and guidance for graduate students and researchers engaged with or planning careers in theoretical computer science.

*BROTHERHOOD of the ROPE (Volume 1 of 2)* (EasyRead Super Large 24pt Edition), Escalante's Dream David Roberts, 2019-07-16. Famed adventure writer David Roberts retraces the route of the legendary Dominguez Escalante expedition. In July 1776, Franciscan friars Francisco Atanacio Dominguez and Silvestre Velez de Escalante set out from Santa Fe to blaze a pathway to the new Spanish missions in California across the huge expanse of what would become the American Southwest. In October, in western Utah, ravaged by hunger and cold, the twelve-man team had to turn back. Stymied by the raging Colorado River, killing their horses for food, the men saw an exploring expedition transformed into a fight for survival. In this chronicle of adventure and history, David Roberts retraces the Spaniards' forgotten route using Escalante's diary as his guide. Blending personal narrative with critical analysis, Roberts relives the glories, catastrophes, and courage of this desperate journey.

**Devil's Gate** David Roberts, 2008. In 1856, 3,000 Mormons, most of them impoverished immigrants, trudged from Iowa to Utah. More than 220 of them perished along the way. Roberts offers the dramatic story of this disaster, a catastrophe, the author contends, that Brigham Young might have easily prevented.

**The Mountain and the Politics of Representation** Jenny Hall, Martin Hall, 2023-11-01. The stories we tell, published or otherwise, condition our mountain experiences in practice and reinforce cultural memory and representation. Yet, as this book and the authors within it set out to demonstrate, if we look beyond the boundaries of this singular white history, there is a rich diversity of stories to tell. This volume contributes to a growing body of scholarship that calls for a heterogeneity of voices in mountain memoir genres. For the first time, this diverse scholarship interrogates how mountaineering, literary and media culture, impact bodies, spaces, and places in order to nuance how commodification intersects across social categories and is embodied in multidimensional ways. In this volume, we explore a burgeoning tradition of mountaineering literature, of cinema, and of memoir to appreciate difference beyond the habitual heroic white male adventurer that dominates screens and bookshelves. Through exploring multidimensional axes of social differentiation from gender, race, class, and age to disability and sexuality, the book will demonstrate how commodification is embodied through representation in mountaineering literature, media, film, and memoir in mountaineering spaces. Amongst our aims, this book intends to understand how multiple social dimensions overlap and work to produce independent systems of exclusion and inclusion that focus on untraditional ways to be a mountaineer.

*The Bears Ears: A Human History of America's Most*

*Endangered Wilderness* David Roberts, 2021-02-23 A personal and historical exploration of the Bears Ears country and the fight to save a national monument The Bears Ears National Monument in southeastern Utah created by President Obama in 2016 and eviscerated by the Trump administration in 2017 contains more archaeological sites than any other region in the United States It is also a spectacularly beautiful landscape a mosaic of sandstone canyons and bold mesas and buttes This wilderness now threatened by oil and gas drilling unrestricted grazing and invasion by Jeep and ATV is at the center of the greatest environmental battle in America since the damming of the Colorado River to create Lake Powell in the 1950s In *The Bears Ears* acclaimed adventure writer David Roberts takes readers on a tour of his favorite place on earth as he unfolds the rich and contradictory human history of the 1.35 million acres of the Bears Ears domain Weaving personal memoir with archival research Roberts sings the praises of the outback he explored for the last twenty five years [Sandstone Spine](#), 2006-02-15 A cultural pilgrimage as well as an athletic one Story blends personal adventure middle aged angst the beauty of a landscape history of exploration and mysteries of the rise and fall of an ancient culture By a critically acclaimed travel and adventure writer also famous for his exploits in Alaska's mountains Includes photos by Greg Child of the landscape Anasazi and Navajo ruins and rock art On September 1 2004 three middle aged buddies set out on one of the last geographic challenges never before attempted in North America to hike the Comb Ridge in one continuous push The Comb is an upthrust ridge of sandstone virtually a mini mountain range that stretches almost unbroken for a hundred miles from just east of Kayenta Arizona to some ten miles west of Blanding Utah To hike the Comb is to run a gauntlet of up and down severities with the precipice lurking on one hand the fiendishly convoluted bedrock slab on the other always at a sideways ankle wrenching pitch There is not a single mile of established trail in the Comb's hundred mile reach The friends were David Roberts writer adventurer famed mountaineer of decades past at age 61 the graybeard of the bunch Greg Child renowned mountaineer and rock climber age 47 and Vaughn Hadenfeldt a wilderness guide intimately acquainted with the canyonlands age 53 They came to the Comb not only for the physical challenge but to seek out seldom visited ruins and rock art of the mysterious Anasazi culture Each brought his own emotions on the journey the Comb Ridge would test their friendship in ways they had never before experienced Searching for the stray arrowhead half smothered in the sand or for the faint markings on a far sandstone boulder that betokened a little known rock art panel becomes a competitive sport for the three friends Along the way they ponder the mystery bringing the accounts of early and modern explorers and archaeologists to bear Who were the vanished Indians who built these inaccessible cliff dwellings and pueblos often hidden from view Of whom were they afraid and why What caused them to suddenly abandon their settlements around 1300 AD What meaning can be ascribed to their phantasmagoric rock art What was their relationship to the Navajo who were convinced the Anasazi had magical powers and could fly **Finding Everett Ruess** David Roberts, 2012-06-26 The definitive biography of Everett Ruess the artist writer and eloquent celebrator of the wilderness whose bold solo explorations of the American West and

mysterious disappearance in the Utah desert at age twenty have earned him a large and devoted cult following Easily one of Roberts's best thoughtful and passionate a compelling portrait of the Ruess myth Outside Wandering alone with burros and pack horses through California and the Southwest for five years in the early 1930s on voyages lasting as long as ten months Ruess became friends with photographers Edward Weston and Dorothea Lange swapped prints with Ansel Adams took part in a Hopi ceremony learned to speak Navajo and was among the first outsiders to venture deeply into what was then and to some extent still is largely a little known wilderness When he vanished without a trace in November 1934 Ruess left behind thousands of pages of journals letters and poems as well as more than a hundred watercolor paintings and blockprint engravings Everett Ruess is hailed as a paragon of solo exploration while the mystery of his death remains one of the greatest riddles in the annals of American adventure David Roberts began probing the life and death of Everett Ruess for National Geographic Adventure magazine in 1998 Finding Everett Ruess is the result of his personal journeys into the remote areas explored by Ruess his interviews with oldtimers who encountered the young vagabond and with Ruess's closest living relatives and his deep immersion in Ruess's writings and artwork More than seventy five years after his vanishing Ruess stirs the kinds of passion and speculation accorded such legendary doomed American adventurers as Into the Wild's Chris McCandless and Amelia Earhart

The Top Books of the Year On The Ridge Between Life And Death A Climbing Life Reexamined The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have charmed audiences this year. On The Ridge Between Life And Death A Climbing Life Reexamined : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. On The Ridge Between Life And Death A Climbing Life Reexamined : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.

### On The Ridge Between Life And Death A Climbing Life Reexamined Introduction

In the digital age, access to information has become easier than ever before. The ability to download On The Ridge Between Life And Death A Climbing Life Reexamined has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download On The Ridge Between Life And Death A Climbing Life Reexamined has opened up a world of possibilities. Downloading On The Ridge Between Life And Death A Climbing Life Reexamined provides numerous

advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading *On The Ridge Between Life And Death A Climbing Life Reexamined* has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download *On The Ridge Between Life And Death A Climbing Life Reexamined*. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading *On The Ridge Between Life And Death A Climbing Life Reexamined*. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading *On The Ridge Between Life And Death A Climbing Life Reexamined*, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download *On The Ridge Between Life And Death A Climbing Life Reexamined* has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About On The Ridge Between Life And Death A Climbing Life Reexamined Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before

making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. On The Ridge Between Life And Death A Climbing Life Reexamined is one of the best book in our library for free trial. We provide copy of On The Ridge Between Life And Death A Climbing Life Reexamined in digital format, so the resources that you find are reliable. There are also many Ebooks of related with On The Ridge Between Life And Death A Climbing Life Reexamined. Where to download On The Ridge Between Life And Death A Climbing Life Reexamined online for free? Are you looking for On The Ridge Between Life And Death A Climbing Life Reexamined PDF? This is definitely going to save you time and cash in something you should think about.
