**On the Priesthood** Matthew Levering, 2003-08-18 Controversy about the Catholic priesthood is nothing new Just like laity priests including bishops and popes have always been

sinners Some priests like some laity have caused grave scandal throughout the 2000 year history of the Church Two questions arise from this reality Why did Jesus Christ establish a ministerial priesthood for his Church if the priesthood would sometimes cause scandal what did he intend for the priesthood Second what has the Catholic Church in past times done about scandal in the priesthood how has the Church corrected its priests and encouraged priests to lead lives of holiness Amidst the noisy din of talking heads and self proclaimed experts this book offers solid warnings and directions about the priesthood from 15 saints of the past two millennia On the Priesthood serves as a readable guide for priests seminarians and educated readers seeking to learn more about the simultaneous unworthiness and dignity of the priesthood Always challenging and penetrating the selections unite around one key point the need for holiness *Apostolicity Then and Now* John J. Burkhard, 2015-05-15 *Apostolicity Then and Now* explores apostolicity from its origin to today Apostolicity is a fundamental mark of the church referring to Jesus faith given to carried on and taught unaltered by a continuous line of apostles This book primarily focuses on how apostolicity pertains to the church as a whole and views apostolic succession in light of how apostolicity is applicable to the church Scriptural historical theological and ecumenical contexts provide a thorough study that includes worldviews and their impact on apostolicity Chapters are Who Were the Apostles Why the Early Churches Understood Themselves as Apostolic Apostolicity in History Apostolicity and the Theologians Apostolicity and the Classical and Modern Worldviews Apostolicity in a Postmodern World Apostolicity in Ecumenical Dialogue and Apostolicity in an Ecumenical Church **If you meet George Herbert on the road, kill him** Justin Lewis-Anthony, 2013-01-17 Priestly ministry in the Church of England needs a radical rethink George Herbert died in 1633 His legacy continues His poems are read and sung and his parish ministry remains the model for the Church of England s understanding of how and where and why its priests should minister But there is a problem The memory of Herbert celebrated by the Church is an inaccurate one and in its inaccuracy is unfair on Herbert himself and his successors in the ordained ministry This is a book of the long view It sets out to assess realistically the context of Herbert s life and to explore the difficulties of parish life today By examining the status and role of parish clergy since Herbert s time and today it draws on the work of historians social anthropologists psychologists and theologians and presents their ideas in a readable and passionate style It argues that the future strength of parochial ministry will be found in a recovery of historic renewed understandings of priestly ministry and concludes by outlining more sustainable patterns of practice for the future In a climate of uncertainty for the future of the church it will be an encouragement for priest and people and welcomed by both Poor Formation as a Principal Factor to the Crisis in Priesthood Today Paul UCHE Nwobi, 2012-09-27 This book is on the spirituality of life crisis and formation When this spirituality is denied or neglected life is in crisis The Church with its priesthood is losing its face and meaning in todays world due to the evading crisis How to define and contain this crisis in todays world and cultures is what this book is all about Without a well grounded spirituality of formation life is a bundle of crisis with a limited vision meaning and purpose This

book is a must read for everyone especially school teachers college professors seminary formators bishops priests religious men and women students seminarians and aspirants to religious life      *Lectures on the Psalms* Didymus,2024-03-05 Over the course of his career early Christian theologian Didymus the Blind wrote numerous theological treatises and exegetical works This ACT volume presents Didymus s lectures on portions of the Psalms as they were originally presented to his students allowing us to learn at Didymus s feet and find comfort in the Word of God      *Teaching and Learning the Love of God* Joseph Ratzinger,2017 This inspiring collection of homilies delivered by Joseph Ratzinger Benedict XVI over six decades offers deep theological and historical insights on the meaning of the life and the witness of a Catholic priest When Pope Benedict XVI inaugurated the Year for Priests in 2009 he did so in conjunction with celebrating the 150th anniversary of the death of John Vianney the patron saint of all parish priests Benedict s purpose for that special year is the same purpose of this book of homilies to deepen the commitment of all priests to interior renewal for the sake of a stronger and more incisive witness to the Gospel in today s world As St John Vianney would often say The priesthood is the love of the heart of Jesus This touching expression makes us reflect on the immense gift that priests represent not only for the Church but for all mankind Contemporary men and women need priests to be distinguished by their determined witness to Christ These homilies are meant to illuminate and to inspire priests to renew their commitment to teaching and learning the love of God The homilies cover a wide variety of important topics on the priesthood all deeply rooted in Scripture including acting in persona Christi becoming an offering with Christ for the salvation of mankind being there for God s mercy and witnessing Christian joy

**Yesterday, Today, and Forever** Gareth Lee Cockerill,2022-06-16 Yesterday Today and Forever is not a theology of the Letter to the Hebrews nor is it simply another commentary on the text Nevertheless if you take time to work through this reading guide you will gain a rich holistic understanding of Hebrews theology and you will be able to come back to this volume again and again as a resource for personal growth teaching and preaching This book was written out of the author s desire to share the fruit of more than thirty five years of study and meditation on this often neglected but rich New Testament book to help readers see its vision of the all sufficient Christ and to gain a holistic grasp of the way the author of Hebrews has arranged the material of this book to encourage us in a life of faithfulness a message of importance for the world in which we live The book of Hebrews has been divided into seven weeks of daily readings forty nine days so you will have time for Hebrews to permeate your heart and mind If you patiently follow this schedule you will be rewarded with an understanding of Hebrews unavailable to those who want a quick fix      *The Assault on Priesthood* Lawrence B. Porter,2012-07-20 The concept and institution of priesthood in the Catholic Church has been the subject of serious challenge not only since the time of the Protestant Reformation but also more recently from within the Catholic Church as the Second Vatican Council 1962 1965 and theologians afterward have reconsidered the place and function of priests in relation to both bishops and laity In dialogue with those challenges and by means of research into Scripture and the theological tradition

patristic medieval and modern the author of this book considers classic images of priests and priestly ministry as a way of recovering an understanding of the priesthood that is at once both biblically and theological sound *Power of Right Believing* Joseph Prince, 2013-10-22 What you believe is everything Unlock the seven powerful practical principles that will help you overcome fear guilt and addiction from the international bestselling author and senior pastor of New Creation Church Believing the right things is the key to a victorious life In *The Power of Right Believing* Joseph Prince international bestselling author and a leading voice in proclaiming the gospel of grace unveils seven practical and powerful keys to help you find freedom from every fear guilt and addiction These keys come alive in the precious testimonies you ll read from people across America and around the world who have experienced breakthroughs and freedom from all kinds of bondages from alcoholism to chronic depression all through the power of right believing God intends for you to live with joy overflowing peace that surpasses understanding and an unshakable confidence in what He has done for you Get ready to be inspired and transformed and learn how to win the battle for your mind by developing habits for right believing *The Living Church* ,1942 **Primary Plans** ,1912 **New York Supreme Court Record on Appeal** , *Self-Interest Is Destroying the Gospel and the Church Today* Josiah (1 kings 13:2), 2011-06-23 Then the LORD reached out his hand and touched my mouth and said to me Now I have put my words in your mouth See today I appoint you over nations and kingdoms to uproot and tear down to destroy and overthrow to build and to plant Jer 1 9 10 If so do you know that what occurred in the kingdoms of the Old Testament church The Israelites has for so long been happening in many of todays churches too Whatever some of the Old Testament kings did in the sight of the Lord during their reigns be it good or evil many false shepherds prophets priests teachers and believers are doing likewise in the Lords churches today too In some of the Lords churches today not only have many come in the spirit and power of Elijah Luke 1 17 Many have actually come in the spirit and power of the Pharisees the teachers of the law and Judas Pharaoh Aaron Saul Hophni and Phineas Absalom Rehoboam Jeroboam Ahab and Balak and Balaam What the Holy Spirit led me to do was to write this book to expose how the craftiness of Satan and the selfish agenda in the hearts of many Satans apostles is destroying the gospel and the church of Christ and also to open the eyes of those who are being deceived in these last days As result of selfish gain in the hearts of a very few many of the Lords churches today are no longer seen as Pentecostal but as Plenty cost all churches and ministries Many of the Lords churches have been turned into cash dispensing machines pension funds and schemes for too many deceivers and impostors and many of their eloquent preaching friends while they s *Kneeling Theology* Anton Strukelj, 2023-01-31 Anton trukelj in this English edition of his book *Kneeling Theology* which was published in German Italian Polish Russian and Slovenian based his theme on the concept first developed by Hans Urs von Balthasar This Swiss intellectual is considered one of the most important theologians of the 20th century trukelj sees as his task through a synthetic survey of questions to seek from his subjects a holistic perspective regarding the role of the theologian without

doing a critical analysis of all their work *Kneeling Theology* analyzes the process and its consequences that gave rise to the religious and cultural developments of the past and the present It is his thesis that the essence of theology should flow from holiness He relies for his evidence on the life and work of Hans Urs von Balthasar which included the insights of Adrienne von Speyr physician and mystic Cardinal Joseph Ratzinger Pope Benedict XVI the Slovenian theologian Anton Strle now servant of God and Anton Vovk former Archbishop of Ljubljana fearless witness of Christ and his Church also servant of God trukelj's purpose with this book is to point out that Catholic theology is best served not only by competent research and a thorough knowledge of Church tradition but by theologians who approach their work prayerfully and on their knees The rich theological and pastoral heritage that has been bequeathed to us by a small group of special people in this book has come about because of their scholarship and their holiness They have each in their own way demonstrated what it means to do theology on their knees and they have shared their scholarship and insights with us *Christian Science Sentinel*, 1908

*What About Same Sex Marriage and Another Look at Religion* Willie J. Duncan Sr. D.D. D.Re. Ph.D, 2015-09-02 In light of the new wave of Pseudo religion Ideology it is necessary to give a concrete response to it Same Sex marriages have been put forth as a new civil rights issue Which it must be determined whether it is Civil or Right Should credence be given to Homosexuality to be recognize by religion or government as a new moral or immoral privilege Only Species have the rights to exist When this lifestyle cannot produce off springs it does not exist The concept is pseudo philosophy or pseudo religious It must be governed by the same law and principles of other species Homosexuals should be restricted to the species of the human family Homo Sapiens Male and Female This then will destroy the idea of it
