On The Move A Life:

On the Move Oliver Sacks, 2015-05-01 Few people can claim to have made such a profound impact on the public understanding of the brain and its inner workings In this book Oliver Sacks describes his time at Oxford University his time spent in San Francisco and Los Angeles in the early nineteen sixties before moving on to chart his progression from young doctor to his public role as a neurologist and author Here we see Sacks s private passions among them motorcycling weightlifting travel and botany placed alongside his professional life He will also explore his most formative relationships with Francis Crick Thom Gunn W H Auden and Stephen Jay Gould and write about his regard for those thinkers who have influenced his own work including A R Luria William James and Charles Darwin This is Dr Sacks s first work of autobiography since his superb *Uncle Tungsten* The Times Reviewing *Uncle Tungsten* the Mail on Sunday wrote this book is both a heartwarming account of a delightful eccentric family life and an inspiring record of a remarkable intellectual odyssey expect more of the same here *Modern Pacing Sire Lines* John Bradley, 1998-08 [Mobile Lifeworlds](#) Christopher A. Howard, 2016-07-15 *Mobile Lifeworlds* illustrates how the imaginaries and ideals of Western travellers especially those of untouched nature and spiritual enlightenment are consistent with media representations of the Himalayan region romanticism and modernity at large Blending tourism and pilgrimage travel across Nepal Tibet Bhutan and Northern India is often inspired and oriented by a search for authenticity adventure and Otherness Such valued ideals are shown however to be contested by the very forces and configurations that enable global mobility The role ubiquitous media and mobile technologies now play in framing travel experiences are explored revealing a situation in which actors are neither here nor there but increasingly are inter placed across planetary landscapes Beyond institutionalised religious contexts and the visiting of sacred sites the author shows how a secular religiosity manifests in practical bodily encounters with foreign environments This book is unique in that it draws on a dynamic and innovative set of disciplinary and theoretical perspectives especially phenomenology the mobilities paradigm and philosophical anthropology The volume breaks fresh ground in pilgrimage tourism and travel studies by unfolding the complex relationships between the virtual imaginary and corporeal dynamics of contemporary mobile lifeworlds *Explorations of Spirituality in American Women's Literature* Scarlett Cunningham, 2023-07-07 This book connects the aging woman to the image of God in the work of Flannery O Connor Joyce Carol Oates Alicia Ostriker Lucille Clifton Mary Szybist and Anne Babson It introduces a canon of contemporary American women s spiritual literature with the goal of showing how this literature treats aging and spirituality as major connected themes It demonstrates that such literature interacts meaningfully with feminist theology social science research on aging and body image attachment theory and narrative identity theory The book provides an interdisciplinary context for the relationship between aging and spirituality in order to confirm that US women s writing provides unique illustrations of the interconnections between aging and spirituality signaled by other fields This book demonstrates that relationships between

the human and divine remain a consistent and valuable feature of contemporary women s literature and that the divine human relationship is under constant literary revision **Preacher and Homiletic Monthly** ,1905 *The American Pulpit* ... ,1905 The Last Stormlord Glenda Larke,2024-09-24 Shale is the lowest of the low an outcast from a poor village in the heart of the desert In the desert water is life and currency and Shale has none But he has a secret It s the one thing that keeps him alive and may save all the cities of the Quartern in the days to come If it doesn t get him killed first Terelle is a slave fleeing a life as a courtesan She finds shelter in the home of an elderly painter but as she learns the strange and powerful secrets of his art she fears she may have traded a life of servitude for something far more perilous The Stormlord is dying in his tower and there is no one by accident or design to take his place He brings the rain from the distant seas to his people Without a Stormlord the cities of the Quartern will wither and die Their civilization is at the brink of disaster If Shale and Terelle can find a way to save themselves they may just save them all Water is life and the wells are running dry
