The Form of Legislation and the Rule of Law Ronan Cormacain, 2022-12-22 What does the rule of law mean in practical terms for the way that legislation is prepared, drafted and presented? It is a cornerstone of the UK legal order and requires certain things from the legal system such as that the law must be intelligible, predictable and accessible. This book examines what those requirements mean for the form that legislation must take. Using the rule of law as the starting point, the author uses deductive reasoning to determine what flows from this in terms of the form of legislation. Each element of the rule of law is analysed to establish principles about the form that legislation ought to take, and the book examines how each principle can be given concrete effect. The originality lies in the nexus between the rule of law and the form of legislation. Much has been written about the nature and content of the rule of law, but relatively little has been devoted to legisprudence, the theory and practice of legislation. This book now draws these two subjects together in a detailed and innovative way.

Criminal Litigation Handbook 2014-2015 Martin Hannibal, Lisa Mountford, 2014-08-14 The Criminal Litigation Handbook offers a comprehensive and practical guide to the areas of criminal litigation covered in the Legal Practice Course. Making effective use of realistic case studies backed up by online documentation, the text combines theory with practical considerations and encourages students to focus on putting their knowledge into a practical context. Written in an informal and accessible style, it covers all procedural and evidential issues that arise in criminal cases. The more complex areas of criminal litigation are examined using numerous diagrams, flowcharts and examples, while potential changes in the law are highlighted by specially designed 'Looking Ahead' boxes. Chapters end with key points summaries and self-test questions, enabling students to quickly sum up what they have read and test their own knowledge. The comprehensive Online Resource Centre offers vital support to students throughout their course. Updates are freely accessible to enable students to keep up to date with developments in the field, while links to other useful websites and legislation encourage students to explore the subject area fully. An additional online chapter exploring the practice and dynamics of police station practice is also included for students interested in pursuing police station accreditation as a qualification. An interactive timeline distinguishing between the three

classifications of offences summary only either way and indictable only helps students to see how the whole criminal litigation process fits together and the issues that they need to keep in mind at particular points Lecturers are able to access video clips of fictional but realistic court proceedings that follow the case studies included in the text documentation supporting these case studies is also provided via the site Additional videos cover the procedure at the police station and sentencing in the Crown Court Online Resource Centre Student Resources Answers to self test questions Bad character case compendium Case study documentation Police station checklist Criminal Litigation Express Train timeline Updates Web links Additional chapters on Advising at the Police Station Practical Steps Regulatory Crime Sentencing in Road Traffic Cases Lecturer Resources Video case studies
